Highlights

4K UltraHD

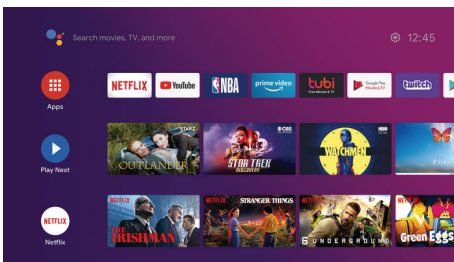

Four times the resolution of Full HD brings your viewing experience to the whole new level. Enjoy every detail and the breathtaking beauty of your favorite entertainment.

High Dynamic Range

High Dynamic Range (HDR10) technology lets you experience more detail and captivating colors for an even more engaging television experience. Experience a brighter image with astonishing contrast composed of shades of blacks, whites, and all other colors.

Android TV

Android TV makes it easier to get more from your TV. Choose from 500,000+ movies and

shows from across streaming services. Control your TV, get recommendations of what to watch, dim the lights, and more with your voice by asking Google Assistant. Cast photos, videos, and music from smart devices to your TV with Chromecast built-in.

Google Assistant

With Google Assistant you can do even more with your TV. Quickly access your favorite movies, shows, or music with your voice. Easily find and enjoy vacation photos on the big screen. Control devices around your home like dimming the lights from the comfort of your couch. Ask Google Assistant questions and get answers from Google on screen, including the weather or game scores. You can even manage tasks like viewing your schedule and adding appointments without picking up another device. Just press the Assistant button on your remote to get started.

Google Play

Download all your favorite apps and games from Google Play. And enjoy them on the big screen with easy access from your custom Android TV home screen.

Chromecast built-in

Chromecast built-in is a platform that lets you stream your favorite entertainment from your phone, tablet or laptop right to your TV. Easily control your TV with apps you already know and love from your iPhone, iPad, Android phone or tablet, Mac or Windows laptop, or Chromebook.

The Google Assistant button

Do more on your TV with your voice. Press the Google Assistant button on your remote to quickly search 500,000+ movies and shows, get recommendations to match your mood, control smart home devices, and more.
