YAS-105  
Front Surround System

NEW PRODUCT BULLETIN

# New Possibilities

With materials chosen for superior sound quality and a simple form offering excellent functionality, this is a soundbar that will add a stylish touch to any interior, whether placed on a shelf or mounted on a wall. And by providing surround sound with incredible presence, it opens new possibilities for audio enjoyment.

Tentative

# Versatile Style

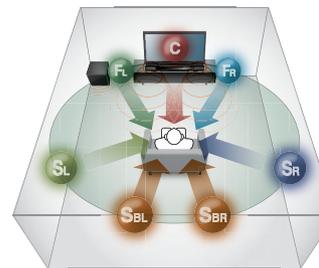

## Slim body for a beautifully stylish installation

Whether on a flat surface or on a wall, the YAS-105 has the right style for perfect installation. With a height of only 53mm (2-1/8"), it won't block the screen so you can set it right in front of the TV, and it will also look attractive mounted on a wall. It connects to your TV via a single cable, so setup is quick and easy.

## AIR SURROUND XTREME Provides Spacious Home Theatre Experience

AIR SURROUND XTREME is Yamaha's unique virtual surround technology, delivering full, rich sound with a cohesive sense of surround placement. Enjoy immersive surround sound from all kinds of audio sources, from movies to sports programme and music.

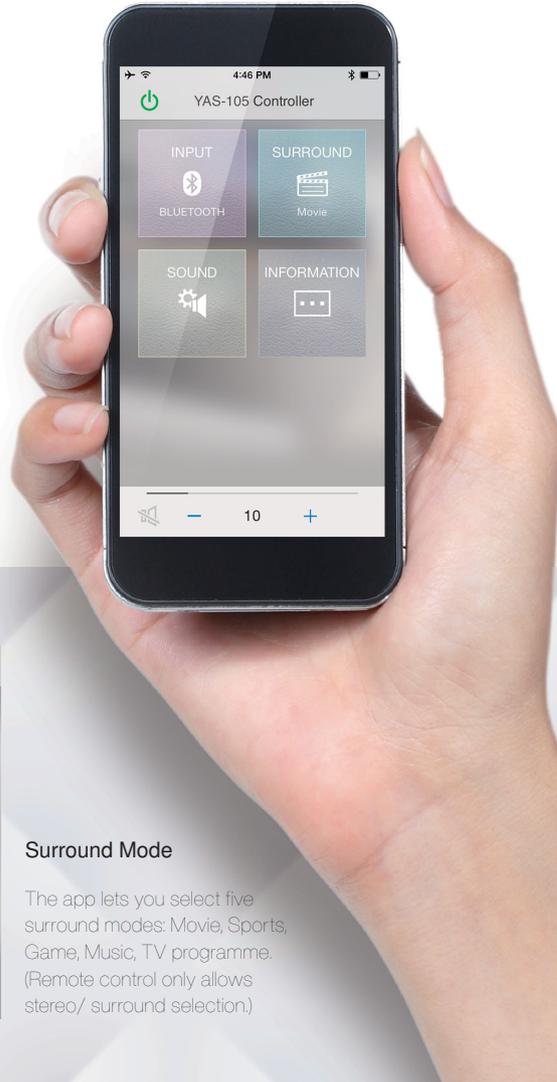

**AIR SURROUND  
XTREME**

# CONTROLLER App and Wireless Music Streaming

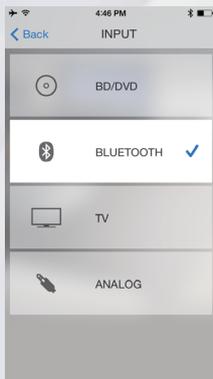

## HOME THEATER CONTROLLER

The YAS-105 is compatible with a free controller app for iOS and Android. The easy-to-see and easy-to-use operating screen uses icons to let you easily perform a variety of operations while watching your smartphone or tablet screen. You can also select five surround modes: Movie, Sports, Game, Music, TV programme.

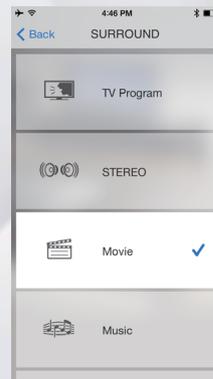

*Bluetooth*® Wireless Music Streaming  
from Your Smartphone or Tablet

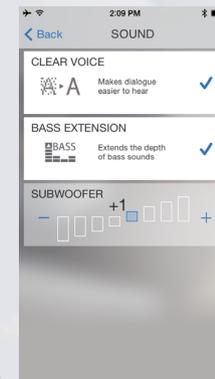

### Input Selection

Select the source you want to hear by simply touching the selection.

### Surround Mode

The app lets you select five surround modes: Movie, Sports, Game, Music, TV programme. (Remote control only allows stereo/ surround selection.)

### Sound Adjustment

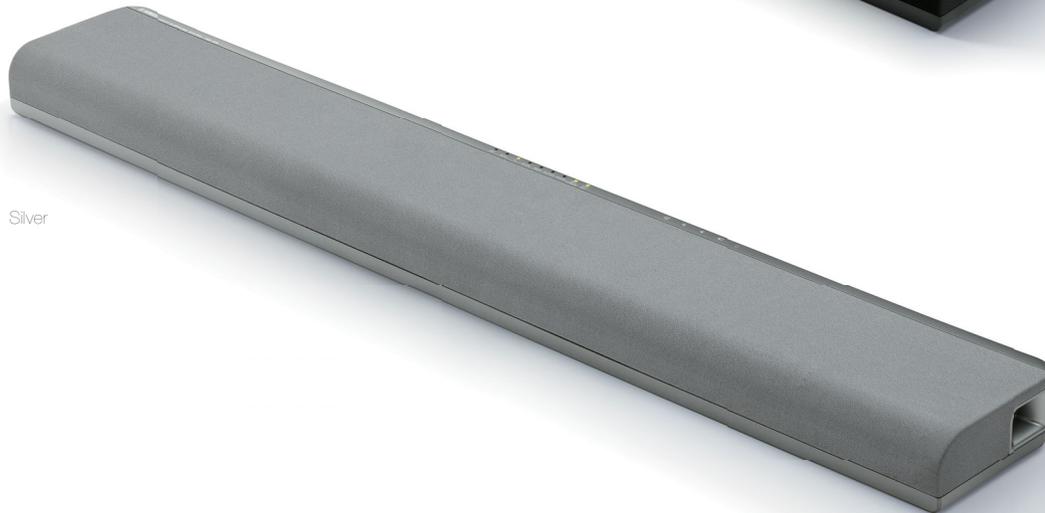

You can quickly turn the Clear Voice and Bass Extension functions on and off, adjust the subwoofer volume.

# Specification and others
