For specific information about a covered service, please contact Provider Services at (855) 322-4077.

## [Obtaining Access to Certain Covered Services](#)

### [Non-Preferred Drug Exception Request Process](#)

---

The Provider may request a prior authorization for clinically appropriate drugs that are not covered under the Member's Medicaid Plan. Using the FDA label, community standards, and high levels of published clinical evidence, clinical criteria are applied to requests for medications requiring prior authorization.

For a Standard Exception Request, the Member and/or Member's Representative and the prescribing Provider will be notified of Molina's decision within twenty-four (24) hours of receiving the complete request.

If the initial request is denied, a notice of denial will be sent in writing to the Member and prescriber within twenty-four (24) hours of receiving the complete request.

Members will also have the right to appeal a denial decision, per any requirements set forth by MS DOM.

Molina will allow a seventy-two (72)-hour emergency supply of prescribed medication for dispensing at any time that a prior authorization is not available. Pharmacists will use their professional judgment regarding whether or not there is an immediate need every time the seventy-two (72) hour option is utilized. This procedure will not be allowed for routine and continuous overrides.

## Specialty Drug Services

---

Many self-administered and office-administered injectable products require prior authorization. In some cases they will be made available through a vendor, designated by Molina. More information about our prior authorization process, including a link to the Prior Authorization Request Form, is available in the Healthcare Services section of this Manual. Physician administered drugs require the appropriate 11-digit NDC with the exception of vaccinations or other drugs as specified by CMS.

Family planning services related to the injection or insertion of a contraceptive drug or device are covered at no cost.

## Injectable and Infusion Services

---

Many self-administered and office-administered injectable products require Prior Authorization (PA). In some cases they will be made available through a vendor, designated by Molina. More information about our Prior Authorization process, including a link to the PA request form, is available in the Medical Management Program section of this Provider Manual.

Family planning services related to the injection or insertion of a contraceptive drug or device are covered at no cost.

Providers are directed to do the following:

- Go to the nearest hospital or facility
- Call the number on ID card
- Call Member's PCP and follow-up within twenty-four (24) to forty-eight (48) hours

For out-of-area Emergency Services, plans will be made to transfer Members to an in-network facility when Member is stable.

## Emergency Transportation

---

When a Member's condition is life-threatening and requires use of special equipment, life support systems, and close monitoring by trained attendants while in route to the nearest appropriate facility, emergency transportation is thus required. Emergency transportation includes, but is not limited to, ambulance, air or boat transports.

## Non-Emergency Medical Transportation

---

For Molina Medicaid Members who have non-emergency medical transportation as a Covered Service, Molina covers transportation to medical facilities when the Member's medical and physical condition does not allow them to take regular means of public or private transportation (car, bus, etc.). This requires a written prescription from the Member's doctor. Examples of non-emergency medical transportation include, but are not limited to, litter vans and wheelchair accessible vans. Members must have Prior Authorization from Molina for ground and air ambulance services before the services are given. Prior Authorization not required for vans, taxi, etc. Additional information regarding the availability of this benefit is available by contacting Provider Services at (855) 322-4077.

## Preventive Care

---

Preventive Care Guidelines are located on the Molina website. Please use the link below to access the most current guidelines:

<https://www.molinahealthcare.com/members/mi/en-US/mem/medicaid/overvw/coverd/Pages/coverd.aspx>

We need your help conducting these regular exams in order to meet the targeted State and Federal standards. If you have questions or suggestions related to well child care, please call our Health Education line at (855) 322-4077.

## Immunizations

---

Adult Members may receive immunizations as recommended by the Centers for Disease Control and Prevention (CDC) and prescribed by the Member's PCP.

Child Members may receive immunizations in accordance with the recommendations of the American Academy of Pediatrics (AAP) and prescribed by the child's PCP.

Immunization schedule recommendations from the American Academy of Pediatrics and/or the CDC are available at the following website:

<https://www.cdc.gov/vaccines/schedules/hcp/index.html>

Molina Healthcare covers immunizations not covered through Vaccines for Children (VFC).

## Well Child Visits and EPSDT Guidelines

---

The Federal Early Periodic Screening Diagnosis and Treatment (EPSDT) benefit requires the provision of early and periodic screening services and well care examinations to individuals from birth until twenty-one (21) years of age, with diagnosis and treatment of any health or mental health problems identified during these exams. The standards and periodicity schedule generally follow the recommendations from the AAP and Bright Futures.

Michigan Medicaid: <https://www.medicaid.gov/medicaid/benefits/epsdt/index.html>

The screening services include:

- Comprehensive health and developmental history (including assessment of both physical and mental health development)
- Immunizations in accordance with the most current Michigan Recommended (or Centers for Disease Control and Prevention Advisory Committee on Immunization Practices) Childhood Immunization Schedule, as appropriate
- Comprehensive unclothed physical exam
- Laboratory tests as specified by the AAP, including screening for lead poisoning
- Health education
- Vision services
- Hearing services
- Dental services

When a screening examination indicates the need for further evaluation, providers must provide diagnostic services or refer members when appropriate without delay. Providers must provide treatment or other measures (or refer when appropriate) to correct or ameliorate defects and physical and mental illness or conditions discovered by the screening services.

We need your help conducting these regular exams in order to meet the MDHHS targeted State standard. Providers must use correct coding guidelines to ensure accurate reporting for EPSDT services. If you have questions or suggestions related to EPSDT or well child care, please call our Health Education line at (855) 322-4077.

## Prenatal Care

---

Stage of Pregnancy	How often to see the doctor
One (1) month – Six (6) months	One (1) visit a month
Seven (7) months – Eight (8) months	Two (2) visits a month
Nine (9) months	One (1) visit a week

## Emergency Services

---

Emergency Services means: Medicaid regulations define an emergency medical condition (including emergency labor and delivery) as a sudden onset of a physical or mental condition which causes acute symptoms, including severe pain, where the absence of immediate medical attention could reasonably be expected to:

- Place the person’s health in serious jeopardy, or
- Cause serious impairment to bodily functions, or
- Cause serious dysfunction of any bodily organ or part

Emergent and urgent care Services are covered by Molina without an authorization. This includes non-contracted Providers inside or outside of Molina’s service area.

## Nurse Advice Line

---

Members may call the Nurse Advise Line anytime they are experiencing symptoms or need health care information. Registered nurses are available twenty-four (24) hours a day, seven (7) days a week, to assess symptoms and help make good health care decisions.

Nurse Advice Line (24 Hours)	
English Phone:	(888) 275-8750
Spanish Phone:	(866) 648-3537
TTY/TDD:	711 Relay

Molina is committed to helping our Members:

- Prudently use the services of your office
- Understand how to handle routine health problems at home
- Avoid making non-emergent visits to the emergency room (ER)

These registered nurses do not diagnose. They assess symptoms and guide the patient to the most appropriate level of care following specially designed algorithms unique to the Nurse Advice Line. The Nurse Advice Line may refer back to the PCP, a specialist, 911 or the ER. By educating patients, it reduces costs and over utilization on the health care system.

## Program Eligibility Criteria and Referral Source

---

Health Management Programs are designed for Molina Members with a confirmed diagnosis. Members participate in programs for the duration of their eligibility with the plan's coverage or until the Member opts out. Identified Members will receive targeted outreach such as educational newsletters, telephonic outreach or other materials to access information on their condition. The program model provides an "opt-out" option for Members who contact Molina Member Services and request to be removed from the program.

Multiple sources are used to identify the total eligible population. These may include the following:

- Pharmacy Claims data for all classifications of medications
- Encounter Data or paid Claim with a relevant CMS accepted diagnosis or procedure code
- Member Services welcome calls made by staff to new Member households and incoming Member calls have the potential to identify eligible program participants. Eligible Members are referred to the program registry
- Member Assessment calls made by staff for the initial Health Risk Assessments (HRA) for newly enrolled Members
- Provider referral
- Nurse Advice Line referral
- Medical Case Management or Utilization Management
- Member self-referral due to general plan promotion of program through Member newsletter, the Nurse Advice Line or other Member communication

## Provider Participation

---

Contracted Providers are notified as appropriate, when their patients are enrolled in a health management program. Provider resources and services may include:

- Annual Provider feedback letters containing a list of patients identified with the relevant disease
- Clinical resources such as patient assessment forms and diagnostic tools;
- Patient education resources
- Provider Newsletters promoting the health management programs, including how to enroll patients and outcomes of the programs;
- Clinical Practice Guidelines
- Preventive Health Guidelines

Additional information on health management programs is available from your local Molina HCS Department toll free at (855) 322-4077.

## Healthy Michigan plan members must have a Health Risk Assessment

---

**Individuals enrolled in the Healthy Michigan Plan must complete a Health Risk Assessment (HRA)** annually based on the member's enrollment date. The HRA is a health survey that is used to provide individuals with an evaluation of their health risks and quality of life. It is designed to identify healthy behavior goals and is intended to be completed during a member's annual well care visit.

Molina does not utilize a CPT code on a claim to track HRA's. Lab results are valid up to one year of the current visit date.
