This recommended retail price list supersedes all previous recommended retail price lists and is effective from 19.9.2019. All recommended 'On the road' retail prices, recommended retail prices and specifications are correct at the time of going to press. These prices and specifications may be subject to change without notice.

VOLKSWAGEN SERVICE PLAN – RETAIL SALES ONLY

For vehicles under 1 year old set to the Fixed Service regime that has not had its first service, comprising first two manufacturer's scheduled services:

- 'Oil service' including oil filter change
- 'Oil service' including oil filter change and 'Inspection service' plus a pollen filter replacement (if required)

Excludes electric vehicles. Service plan covers first two consecutive services, limited to 1x 'Oil service' and 1x 'Oil and Inspection service'. T&Cs apply: All vehicles must be set to the Fixed Service regime by the retailer. Maximum age of car is 12 months (Service plan must be taken out before first service is due). Additional work, including wear and tear is excluded. Servicing must be carried out in line with the requirement of the Service Schedule. All work must be carried out by an Authorised Volkswagen Repairer. Offers may be varied or withdrawn at any time. Plan validity is dependent on required payments received. Administered by Volkswagen Financial Services. Retail sales only. For pricing and further details, please consult your authorised Volkswagen retailer or visit www.volkswagen.co.uk

Front cover model shown is Golf R-Line Edition with optional 18" 'Jurva' alloy wheels, panoramic sunroof, LED rear light clusters, 'Vienna' leather upholstery and metallic paint.

1 Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. There is a new test used for fuel consumption and CO₂ figures (known as WLTP). The CO₂ figures shown however, are based on a calculation designed to be equivalent to the outgoing (NEDC) test cycle and will be used to calculate vehicle tax on first registration.

For more information, please see volkswagen.co.uk/owners/wltp or consult your authorised Volkswagen retailer.

2 For full details of 'First year rate' VED (Vehicle Excise Duty), delivery to retailer, number plates and vehicle first registration fee included in the recommended 'On the road' retail price, please see page 42.

3 P11D value = Total recommended retail price + delivery to retailer £509.17, + number plates £20, + VAT £105.83 (calculated by reference to total of delivery to retailer + number plates). P11D value is based on standard specification model with no factory-fitted options or other accessories.

4 The BIK % figure quoted includes the 4% diesel supplement, where applicable.

5 The ABI insurance group is the recommended insurance rating set by the Association of British Insurers. Please note that insurance group ratings are purely advisory. They are used by insurers (ABI members and Lloyd's syndicates) as one of the factors in calculating premiums. Insurers are not required to follow the advisory group ratings and they may depart from them if they so wish.

† These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at www.volkswagen.co.uk/owners/wltp.

† Please note these models may no longer be available to order, or only available from stock and not available to factory order.

RDE2 refers to Real Driving Emissions Step 2.

Prices, specifications, features, technical and other information (including fuel consumption, CO₂ emissions and range) are updated regularly and are subject to change without notice (this may include changes between order and delivery). There may be a delay in updates to our materials – always consult your authorised Volkswagen retailer for the latest information.

Volkswagen UK may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Volkswagen retailer.

MODEL PRICES – 2020 MODEL YEAR ‡

ALL-ELECTRIC 5-DOOR HATCHBACK.	RDE2 Compliant	Transmission	Output, PS	CO ₂ emission, g/km ¹	Basic Recommended Retail £	VAT £	Total Recommended Retail £	Additional 'On the road' Costs £ ²	Manufacturer's Recommended 'On the road' Retail £ ² excl. PICG ³	'On the road' Retail £ with PICG ³ deducted	P11D Value £ ⁴	BIK % ⁵	ABI Insurance Group ⁶	
e-Golf [‡]	No	5-door	Single-speed gearbox	136	0	25,320.83	5,064.17	30,385.00	690.00	31,075.00	27,575.00	31,020.00	16	26E

- 1 These figures were obtained after the battery had been fully charged. The e-Golf is a battery electric vehicle requiring mains electricity for charging. There is a new test for fuel consumption, CO₂ and electric range figures (known as WLTP). The electric range shown was achieved using the new test procedure. Figures shown are for comparability purposes. Only compare fuel consumption, CO₂ and electric range figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the starting charge of the battery, accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Zero emissions while driving.
 - 2 For full details of 'First year rate' VED (Vehicle Excise Duty), delivery to retailer, number plates and vehicle first registration fee included in the recommended 'On the road' retail price, please see page 42.
 - 3 This model is an all-electric vehicle (EV) which makes it eligible for the Government 'PICG' (Plug-in Car Grant) towards the cost of the car. The 'cost' is the full purchase price you pay for the basic vehicle - including number plates, Vehicle Excise Duty and VAT, but does not include delivery charge or first registration fee. The amount of your grant will be automatically deducted from the price of your vehicle when the vehicle is registered. The PICG will be applied to the recommended 'On the road' retail price. The receipt of this grant is subject to the eligibility of the vehicle at the point of registration and is subject to change. Please refer to the GOV.UK OLEV Grant website for more details. Your authorised Volkswagen retailer will complete the paperwork, but you may be asked to complete a customer survey. For more information, please contact your authorised Volkswagen retailer or visit www.gov.uk/plug-in-car-van-grants/overview
 - 4 P11D value = Total recommended retail price + delivery to retailer £509.17, + number plates £20, + VAT £105.83 (calculated by reference to total of delivery to retailer + number plates), not including the automatic 'PICG' deduction. P11D value is based on standard specification model with no factory-fitted options or other accessories.
 - 5 The BIK % figure quoted includes the 4% diesel supplement, where applicable.
 - 6 The ABI insurance group is the recommended insurance rating set by the Association of British Insurers. Please note that insurance group ratings are purely advisory. They are used by insurers (ABI members and Lloyd's syndicates) as one of the factors in calculating premiums. Insurers are not required to follow the advisory group ratings and they may depart from them if they so wish.
- ‡ This vehicle is a WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicle. More information is available at www.volkswagen.co.uk/owners/wltp. RDE2 refers to Real Driving Emissions Step 2.

As of 11 October 2018 the government announced changes to the Plug-in Car Grant (PICG) that will affect e-Golf models. The Plug-in Car Grant (PICG) rate for Category 1 vehicles, e-Golf, will move from £4,500 to £3,500. These changes will be effective from 21 October 2018. For more information, please contact your authorised Volkswagen retailer or visit www.gov.uk/plug-in-car-van-grants/overview.

Prices, specifications, features, technical and other information (including fuel consumption, CO₂ emissions and range) are updated regularly and are subject to change without notice (this may include changes between order and delivery). There may be a delay in updates to our materials – always consult your authorised Volkswagen retailer for the latest information. Volkswagen UK may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Volkswagen retailer.

Model shown is e-Golf with optional rear tinted windows and Pure White non-metallic paint.

EFFECTIVE FROM 19 SEPTEMBER 2019. VAT IS CALCULATED AT 20%.

- Simultaneous pairing of 2 compatible mobile devices

- Single CD player

- SMS functionality - read, compose and send SMS messages using touch-screen display (when stationary, compatible Android smartphones only)

- Title and cover art display

- 'Think Blue. Trainer.' Driver tips and journey analysis

- 1 x USB connection, USB charging socket (compatible products only)

- 4 x 20 watt output

- 8 speakers, front and rear

Premium USB cable (choice of either Apple or Android smartphone compatibility)

¹ Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.

STANDARD ITEMS OF EQUIPMENT: S (CONTINUED)

VOLKSWAGEN CONNECT®

(S and Match models only)

DataPlug sends vehicle information via Bluetooth to the Volkswagen Connect® app displayed on your smartphone. Volkswagen Connect® app free to download from the App Store or Google Play Store, with DataPlug connection to OBD2 port underneath the steering wheel. Features include:

- My Volkswagen – vehicle information for service and maintenance intervals, warning message displays, fuel level and mileage
- Trips – business or private journey analysis. Provides detailed map views, journey details, statistics and journey cost
- Driving style – analysis of driving style to provide tips for more efficient driving
- Parking space – displays parking location and parking duration
- Fuel monitor – monitors fuel consumption and cost
- Service partner – locates and provides directions to local retailers. Direct dial access if required
- Assistance call – direct dial to Volkswagen's 24-hour Customer Service helpline with the ability to send the vehicle's location
- Challenges – sets efficiency and driving style targets. Collect points and trophies with bonus challenges to improve your scores

SAFETY AND SECURITY

ABS (Anti-lock Braking System) with HBA (Hydraulic Brake Assist)

Airbags

- Curtain airbag system, for front and rear passengers
- Driver's and front passenger's airbags with passenger's airbag deactivation switch
- Driver's knee airbag
- Front seat side impact airbags

Automatic Post-Collision Braking System

Brake pad wear indicator

Child security locks in the rear doors

Disc brakes, front and rear (front ventilated, not 1.0 TSI 115 PS engine)

Driver's and front passenger's safety-optimised head restraints

Electronic engine immobiliser

ESC (Electronic Stability Control) including EDL (Electronic Differential Lock) and ASR (Traction Control), with deactivation via infotainment system

Height-adjustable front three-point seat belts with tensioners

High level 3rd brake light incorporating LED technology

Isofix child seat preparation (for 2 rear child seats)

Misfuel prevention device for diesel engines

SAFETY AND SECURITY (CONTINUED)

Reflectors in all doors

Remote central locking with 2 remote folding keys

Tyre pressure loss indicator

Warning buzzer and light for front seat belts if unfastened

XDS electronic differential lock for improved traction and handling

3 rear head restraints

3 rear three-point seat belts

COMFORT AND CONVENIENCE

Air conditioning, manual

Dust and pollen filter

Electric windows, front and rear

Electrically heated and adjustable door mirrors

Heated rear windscreen

DRIVER'S ASSISTANCE

Driver Alert system

Electronic parking brake – with auto hold function

Front Assist, radar sensor controlled distance monitoring system, City emergency braking system and Predictive Pedestrian Protection

Multifunction computer

Power-assisted steering, speed-sensitive, electro-mechanical steering rack

Speedo and rev counter, electronic odometer, trip, service interval display, exterior temperature gauge and fuel gauge

Warning 'lights on' buzzer

EFFICIENCY

Battery regeneration (recuperation – energy recovery during braking)

Multifunction computer, includes visual gear change recommendation for improved fuel consumption

Start/Stop function

ADDITIONAL ITEMS OF STANDARD EQUIPMENT: MATCH[†] (OVER S)

WHEELS AND SUSPENSION

Alloy wheels, four 6½J x 16" 'Woodstock' with 205/55 R16 tyres and anti-theft wheel bolts

EXTERIOR

Aerodynamic black radiator grille with chrome trimmed insert (1.5 ltr TSI EVO 130 PS only)

Black front air intake and radiator grille with chrome trimmed inserts

Front fog lights incorporating LED technology, including static cornering function

Rear tinted glass from B-pillar backwards, approx. 65% tinted (not GTE)

INTERIOR

Bag hooks in luggage compartment, x 2
'Brushed Dark Silver' decorative inserts in dash and door panels

Chrome-plated air vent surrounds

Chrome-plated light switch surround

Cover for storage compartment in centre console

Load-through provision

Luggage compartment storage area, left and right

Leather trimmed three-spoke multifunction steering wheel and gear knob

Pearl Grey rooflining

Rear centre armrest, with 2 cup holders, forms a table when folded down

Reading lights, front and rear x 2

Seating

– Upholstery – 'Zoom' cloth

– Front comfort seats with height and lumbar adjustment

– Front seat back storage pockets

Storage compartment in roof console with cover

12V socket in luggage compartment

SAFETY AND SECURITY

Alarm with interior protection, with deactivation via infotainment system

Automatic coming/leaving home lighting function

PreCrash preventive occupant protection

COMFORT AND CONVENIENCE

Rain sensor and automatic dimming interior rear-view mirror

Remote electrically foldable door mirrors, door mirror puddle lights and reverse activated kerb-view adjust

DRIVER'S ASSISTANCE

Adaptive Cruise Control (ACC), including Front Assist, radar sensor controlled distance monitoring system, City emergency braking system, cruise control and speed limiter

Driving Mode Selection (with shortcut button) – Eco, Normal, Sport or Individual modes. Individual mode is to manually set steering, drive, Adaptive Cruise Control (ACC) and air conditioning settings (not 1.0 TSI 115 PS engine)

Driver Personalisation profile – set up to 4 profiles, individually named and assigned to a key to preset the radio stations, phone connectivity and contacts, default address in navigation systems and Car-Net 'Guide and Inform' settings

Dusk sensor, automatic driving lights

Parking sensors, front and rear – ultrasonic, audible with audio volume reduction when activated and optical parking display via vehicle's infotainment system

IN-CAR ENTERTAINMENT AND COMMUNICATIONS

Discover Navigation infotainment system (in addition to Composition Media infotainment system)

- 8.0" colour touch-screen
- Branded points of interest
- Dynamic navigation based on TMC+
- Preloaded European navigation data
- Speed Limit Display¹
- Three route options (Fast, Short, Eco)
- Volkswagen Media Control² - allows remote control of the infotainment system via smartphone or tablet
- 2D/3D map view

CAR-NET

Car-Net 'App-Connect'³

- Combines the functionality of Apple 'CarPlay', Google 'Android Auto' and 'MirrorLink'[™] allowing 'mirroring' of smartphone display on the infotainment touch-screen via USB connection

Car-Net 'Guide and Inform'⁴

- Providing online access to a range of useful information such as traffic, fuel pricing, weather and news feeds - 3-year subscription

- 1 Speed Limit Display only reflects national speed limits and does not show temporary speed limit restrictions, or where permanent changes to speed limits are made in-between map updates.
 - 2 Only operable in conjunction with compatible tablets and smartphones including iPhone 5 and above. Please see www.volkswagen.co.uk to check compatibility.
 - 3 Only operable in conjunction with compatible smartphones including iPhone 5 and above. Display and operation of certified apps including audio and voice control (if supported by the app). Usage of certified apps only while driving. Please see www.volkswagen.co.uk to check smartphone compatibility.
 - 4 Car-Net 'Guide and Inform' services are accessed via a compatible mobile device. Please see www.volkswagen.co.uk for more information. The use of 'Guide and Inform' services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of 'Guide and Inform' services.
- † Please note these models may no longer be available to order, or only available from stock and not available to factory order.

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.

Leather trimmed three-spoke multifunction steering wheel with 'R' logo and gear knob gaiter

Seating

– Upholstery – 'Race' cloth seat centre section and grey Art Velours side bolsters

– Front sports seats with embroidered 'R' logo

Unique 'R' gear lever knob

Unique 'R' instrument cluster

Model shown is Golf R with optional 19" 'Pretoria' alloy wheels and Lapiz Blue metallic signature paint.

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.

ADDITIONAL ITEMS OF STANDARD EQUIPMENT: e-GOLF (OVER S)

CAR-NET

Car-Net 'App-Connect'¹

- Combines the functionality of Apple 'CarPlay', Google 'Android Auto' and 'MirrorLink'™ allowing 'mirroring' of smartphone display on the infotainment touch-screen via USB connection

Car-Net 'e-remote'

- Car-Net e-remote mobile services via Car-Net Portal or Car-Net app for: Remote battery charging management, Departure times and Remote pre-trip interior climatization – 3-year subscription

Car-Net 'Security & Service'²

- Provides continuous interaction between the driver, vehicle and Volkswagen, via integrated SIM-card connectivity
- Driver and vehicle integration with Volkswagen call centre or server for: 'eCall' – Emergency call service for SOS calls to emergency response incl. Automatic accident notification, Car breakdown, Vehicle health report and Service schedule
- Driver and vehicle integration via Car-Net Portal or Car-Net app for: Driving data, Doors and lights, Area alert, Speed alert, Horn and hazard lights, Parking position and Online anti-theft alarm – 3-year subscription

Car-Net 'Guide and Inform'³

- Providing online access to a range of useful information such as traffic, fuel pricing, weather and news feeds – 3-year subscription

WHEELS AND SUSPENSION

Alloy wheels, four 6½J x 16" 'Tillevé' with 205/55 R16 low rolling resistance tyres and anti-theft wheel bolts

Tyre repair kit (in lieu of steel space saver spare wheel)

EXTERIOR

'e-Golf' styling pack – uniquely shaped front and rear bumpers, rear roof spoiler and side sills

LED headlights with blue stripe

LED tinted rear light clusters with indicator sweep function

No visible rear tailpipe

Unique 'e-Golf' badging

Unique 'e-Golf' radiator grille with blue stripe

Unique front 'C' signature LED daytime running lights

ELECTRIC

Two charging cables – 32amp AC cable for wallbox/chargepoints (mode 3) and 10amp mains charge cable (mode 2)

Socket AC type 2

SAFETY AND SECURITY

Alarm with interior protection, with deactivation via infotainment system

Automatic coming/leaving home lighting function

PreCrash preventive occupant protection

INTERIOR

Bag hooks in luggage compartment, x 2

Blue stitching on leather trimmed three-spoke multifunction steering wheel with 'e-Golf' logo and gear knob gaiter

'Brushed Dark Silver' decorative inserts in dash and door panels

Chrome-plated air vent surrounds

Chrome-plated light switch surround

Cover for storage compartment in centre console

Load-through provision

Luggage compartment storage area, left and right

Rear centre armrest, with 2 cup holders, forms a table when folded down

Reading lights, front and rear x 2

Seating

- Upholstery – 'Zoom' cloth

- Front comfort seats with height and lumbar adjustment

- Front seat back storage pockets

Storage compartment in roof console with cover

Unique 'e-Golf' instrument cluster

12V socket in luggage compartment

COMFORT AND CONVENIENCE

Climate control – 2Zone electronic air conditioning with automatic air recirculation and allergy filter

Rain sensor and automatic dimming interior rear-view mirror

Remote electrically foldable door mirrors, door mirror puddle lights and reverse activated kerb-view adjustment on passenger's door mirror

DRIVER'S ASSISTANCE

Adaptive Cruise Control (ACC), including Front Assist, radar sensor controlled distance monitoring system, City emergency braking system, cruise control and speed limiter

Driving Mode Selection (with shortcut button) – Eco, Normal, Sport or Individual modes. Individual mode is to manually set steering, drive, Adaptive Cruise Control (ACC) and air conditioning settings

Driver Personalisation profile – set up to 4 profiles, individually named and assigned to a key to preset the radio stations, phone connectivity and contacts, default address in navigation systems and Car-Net 'Guide and Inform' settings

Dusk sensor, automatic driving lights

To find out more about the benefits of owning an ultra low emission vehicle, including the Government's grants for vehicles and chargepoints, visit www.GoUltraLow.com

DRIVER'S ASSISTANCE (CONTINUED)

Parking sensors, front and rear – ultrasonic, audible with audio volume reduction when activated and optical parking display via vehicle's infotainment system

e-vehicle information displayed via Discover Navigation infotainment system

Heated windscreen, wired

Multifunction colour display

IN-CAR ENTERTAINMENT AND COMMUNICATIONS

Discover Navigation infotainment system (in addition to Composition Media infotainment system)

- 8.0" colour touch-screen
- Branded points of interest
- Dynamic navigation based on TMC+
- Preloaded European navigation data
- Speed Limit Display⁴
- Three route options (Fast, Short, Eco)
- Volkswagen Media Control⁵ – allows remote control of the infotainment system via smartphone or tablet
- 2D/3D map view

Voice activation

Model shown is e-Golf with optional rear tinted windows and Pure White non-metallic paint.

- 1 Only operable in conjunction with compatible smartphones including iPhone 5 and above. Display and operation of certified apps including audio and voice control (if supported by the app). Usage of certified apps only while driving. Please see www.volkswagen.co.uk to check smartphone compatibility.
- 2 Use of Car-Net 'Security & Service' is governed in a separate Contract concluded online with Volkswagen. To use the free Car-Net app you will need a smartphone with iOS or Android operating system and a SIM-card with a data option. Depending on your mobile tariff, sending and receiving data online may incur additional charges (e.g. roaming charges), particularly if you are using Car-Net abroad. For more information on Car-Net Security & Service, go to www.volkswagen.com/car-net or contact your Volkswagen retailer.
- 3 Car-Net 'Guide and Inform' services are accessed via a compatible mobile device. Please see www.volkswagen.co.uk for more information. The use of 'Guide and Inform' services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of 'Guide and Inform' services.
- 4 Speed Limit Display only reflects national speed limits and does not show temporary speed limit restrictions, or where permanent changes to speed limits are made in-between map updates.
- 5 Only operable in conjunction with compatible tablets and smartphones including iPhone 5 and above. Please see www.volkswagen.co.uk to check compatibility.

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice. Model shown features optional Pure White paint.

FACTORY-FITTED OPTIONS

At Volkswagen, we work towards making sure that our cars are as close to how you want them as possible, and we understand that every detail needs to be right for you and your needs.

Introducing our exceptional range of factory-fitted options which allow you to express your individuality, help with the practical things in life, and add a touch of luxury at the same time. Whether you're looking for things to help you relax and help take the stress out of driving, feel protected, or simply look fantastic, just take your pick.

From cruise control to a panoramic sunroof, from rear tinted glass to dynamic chassis control, you'll find everything you need on the following pages to make your Golf **your** Golf, and perfect in every detail.

Factory-fitted option prices are the manufacturer's Recommended Retail Prices (RRP), inclusive of 20% VAT, and are charged in addition to recommended 'On the road' retail price paid for the vehicle. Models shown feature optional metallic paint.

1 Not in conjunction with 1.5 ltr TSI EVO 130 PS engines. 2 Not in conjunction with R Performance pack. 3 Not in conjunction with 1.0 ltr TSI 115 PS engines.

4 Dynamic Chassis Control (DCC) on GTE and GTE Advance models have two modes – Sport or Comfort, which is automatically selected dependent on driving mode.

Choosing larger alloy wheels than standard, as an option, may result in increased fuel consumption as well as higher CO₂ emissions and subsequently increased Vehicle Excise Duty (VED) band, and BIK rates paid by company car drivers may increase. This is due to the fact that larger wheels have both more aerodynamic drag and more mechanical drag, resulting in increased rolling resistance and increased wind resistance. As a result, the VED band that the vehicle falls into may increase from its original VED band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may increase as a result of the increased VED rate. Please see page 48 for full details.

● Standard equipment ○ Optional equipment - Not available. Factory-fitted options are subject to availability and extended delivery.

Volkswagen UK may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Volkswagen retailer.

Dynamic LED mirror indicator signals (for GTI, GTD and R)	5G0 052 215	-	215.80				

Choosing larger alloy wheels than standard, may result in increased fuel consumption as well as higher CO₂ emissions and subsequently increased Vehicle Excise Duty (VED) band, and BIK rates paid for company car drivers may increase. As a result, the VED band that the vehicle falls into may increase from its original VED band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may increase as a result of the increased VED rate. Please see page 48 for full details. In addition, larger alloy wheels than standard size will require the purchase of tyres. Prices shown do not include the transfer of tyres. ¹ Price excludes painting. ² Price per wheel excludes tyre.

Accessory prices are the manufacturer's Recommended Retail Prices (RRP), shown exclusive and inclusive of fitting where applicable, inclusive of appropriate VAT, and are charged in addition to recommended 'On the road' retail price paid for the vehicle. For full details, please contact your authorised Volkswagen retailer.

Volkswagen UK may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Volkswagen retailer.

VOLKSWAGEN SERVICE PLAN

AN ADDITIONAL WAY TO KEEP YOUR PERFECT CAR, PERFECT FOR LONGER

Exclusions and terms apply, please see page 54 for more details. For pricing and further details of the Volkswagen Service Plan, please consult your authorised Volkswagen retailer or visit www.volkswagen.co.uk

VOLKSWAGEN SERVICE PLAN – RETAIL SALES ONLY

We offer Volkswagen Service Plans to cover all new models for their first two consecutive services in line with the Fixed Service schedule required on the vehicle. Your car will be in the hands of Volkswagen trained technicians who use specialist Volkswagen tools, technology and Volkswagen original parts, and all parts and labour are guaranteed for two years. What's more, the Volkswagen Service Plan will remain with the vehicle should you decide to sell your car.

Volkswagen Service Plan – retail sales only

For vehicles under 1 year old set to the Fixed Service regime that has not had its first service, comprising first two manufacturer's scheduled services:

- 'Oil service' including oil filter change
- 'Oil service' including oil filter change and 'Inspection service' plus a pollen filter replacement (if required)

Excludes electric vehicles. Service plan covers first two consecutive services, limited to 1x 'Oil service' and 1x 'Oil and Inspection service'. T&Cs apply: All vehicles must be set to the Fixed Service regime by the retailer. Maximum age of car is 12 months (Service plan must be taken out before first service is due). Additional work, including wear and tear is excluded. Servicing must be carried out in line with the requirement of the Service Schedule. All work must be carried out by an Authorised Volkswagen Repairer. Offers may be varied or withdrawn at any time. Plan validity is dependent on required payments received. Administered by Volkswagen Financial Services. Retail sales only. For pricing and further details, please consult your authorised Volkswagen retailer or visit www.volkswagen.co.uk

VED AND ADDITIONAL 'ON THE ROAD' COSTS

Diesel vehicles that do not meet the RDE2 standard will be charged a supplement on their 'First year rate' to the effect of moving up by one VED (Vehicle Excise Duty) band. The following tables give the rates of vehicle tax on cars registered on or after 1 April 2019. Please refer to the Model Prices pages to confirm which models are RDE2 compliant.

'FIRST YEAR RATE' VED – CARS REGISTERED ON OR AFTER 1.4.2019 BASED ON CO₂ EMISSIONS AND FUEL TYPE

Petrol/Diesel[†] – 'First year rate' VED

CO ₂ emissions (g/km)	Petrol/Diesel [†] VED £	Petrol total 'On the road' costs £
0	0.00	690.00
1-50	10.00	700.00

111-130	210.00	900.00
131-150	530.00	1,220.00
151-170	855.00	1,545.00
171-190	1,280.00	1,970.00
191-225	1,815.00	2,505.00
226-255	2,135.00	2,825.00
Over 255	2,135.00	2,825.00

Alternative fuel – 'First year rate' VED

CO ₂ emissions (g/km)	Alternative fuel VED £	Alternative fuel total 'On the road' costs £
0	0.00	690.00
1-50	0.00	690.00
51-75	15.00	705.00
76-90	100.00	790.00
91-100	120.00	810.00
101-110	140.00	830.00
111-130	160.00	850.00
131-150	200.00	890.00
151-170	520.00	1,210.00
171-190	845.00	1,535.00
191-225	1,270.00	1,960.00
226-255	1,805.00	2,495.00
Over 255	2,125.00	2,815.00

[†] Diesel cars that are tested to RDE2 standards. [†] Diesel cars, including those tested to RDE standards.

'STANDARD RATE' VED

'Standard rate' VED based on fuel type

Fuel type	CO ₂ emissions (g/km)	'Standard rate' 12 months VED £
Electric/Other	0	0.00
Petrol/Diesel	1 - Over 255	145.00
Alternative	1 - Over 255	135.00

After the 'First year rate', all vehicles with zero emissions will be exempt from the 'Standard rate' of vehicle tax. All petrol and diesel vehicles will pay a standard rate of £145 a year, and alternative fuel vehicles will pay a standard rate of £135 a year.

'STANDARD RATE' – OVER £40,000 RRP

'Standard rate' VED for vehicles over £40,000 list price – five year annual rate

Fuel type	'Standard rate' 12 months VED £	Additional rate £	Total annual payment £
Electric	0.00	320.00	320.00
Petrol/Diesel	145.00	320.00	465.00
Alternative	135.00	320.00	455.00

Petrol or diesel vehicles with a list price over £40,000 at first registration pay £465 a year after the 'First year rate' for a period of five years. Alternative fuel vehicles over £40,000 at first registration – hybrids, bi-ethanol or LPG, pay £455 a year after the 'First year rate' for a period of five years. Electric or vehicles producing zero emissions over £40,000 at first registration pay £320 a year after the 'First year rate' for a period of five years. After five years, vehicles will revert to their 'Standard rate' tax depending on fuel type.

ADDITIONAL 'OTR' COSTS

Additional 'On the road' costs

Delivery to retailer	509.17
Number plates	20.00
VAT	105.83
Vehicle first registration fee	55.00
Total	690.00

The total 'On the road' costs above for petrol, diesel, electric and alternative fuel vehicles include the applicable 'First year rate' VED charge plus the 'On the road' costs as detailed above:

The way VED (Vehicle Excise Duty) vehicle tax is calculated will change for vehicles that are first registered with the DVLA on, or after, 1 April 2018. All new diesel vehicles registered after 1 April 2018 that do not meet the RDE2 standard will be charged a supplement on their 'First year rate' to the effect of moving up by one VED (Vehicle Excise Duty) band.

If a new vehicle is registered on or after 1 April 2018, after the 'First year rate' VED the majority of vehicles move to the 'Standard rate' of vehicle tax which is £145 a year.

The 'First year rate' will be based on the CO₂ emissions, fuel type and the list price of the vehicle supplied by the Manufacturer or Retailer as applicable on the day before the vehicle is first registered and taxed.

After the 'First year rate', all vehicles with zero emissions will be exempt from the 'Standard rate' of vehicle tax. All petrol and diesel vehicles will pay a standard rate of £145 a year, and alternative fuel vehicles will pay a standard rate of £135 a year.

Petrol or diesel vehicles with a list price over £40,000 at first registration will pay £465 a year, after the first 'First year rate' vehicle tax, for a period of five years. This comprises the £145 'Standard rate' and £320 additional rate. After five years the vehicle tax will revert to the 'Standard rate' of £145 per year.

Alternative fuel vehicles – hybrids, bi-ethanol or LPG, with a list price over £40,000 at first registration will pay £455 a year after the 'First year rate' vehicle tax for a period of five years. This comprises the £135 'Standard rate' and £320 additional rate which reverts to £135 'Standard rate' after five years.

Vehicles with a list price exceeding £40,000 with zero emissions (including electric) will pay the additional rate of £320 a year for a further five year period, after the 'First year rate' tax. After the five year period these vehicles will pay zero VED tax.

There is no provision for 6 month's 'First year rate' VED.

EFFECTIVE FROM 19 SEPTEMBER 2019.

Interior shown is Golf GT Edition with optional Discover Navigation Pro touch-screen navigation/DVD infotainment system.

¹ Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. There is a new test used for fuel consumption and CO₂ figures (known as WLTP). The CO₂ figures shown however, are based on a calculation designed to be equivalent to the outgoing (NEDC) test cycle and will be used to calculate vehicle tax on first registration. For more information, please see volkswagen.co.uk/owners/wltp or consult your authorised Volkswagen retailer. For fuel consumption data based on the outgoing test cycle (NEDC equivalent data), which is the 'official' UK fuel consumption data until 31.12.18, please consult your authorised Volkswagen retailer. Data correct at 5.8.19. Figures quoted are for a range of configurations (including non-UK) and are subject to change due to ongoing approvals/changes.

‡ These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at www.volkswagen.co.uk/owners/wltp.

† Please note these models may no longer be available to order, or only available from stock and not available to factory order.

ENVIRONMENTAL INFORMATION – 2020 MODEL YEAR‡

ALL-ELECTRIC MOTOR	RDE2 Compliant	Output, PS	CO ₂ emission, g/km [*]	Trim level	Consumption, kWh/62 miles ¹ (100km), Combined	Range, miles (WLTP) ¹	Efficiency class ²
Electric motor [‡]	No	136	0*	e-Golf	15.4	144	A+

1 These figures were obtained after the battery had been fully charged. The e-Golf is a battery electric vehicle requiring mains electricity for charging. There is a new test for fuel consumption, CO₂ and electric range figures (known as WLTP). The electric range shown was achieved using the new test procedure. Figures shown are for comparability purposes. Only compare fuel consumption, CO₂ and electric range figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the starting charge of the battery, accessories fitted (post-registration), variations in weather, driving styles and vehicle load.

2 Efficiency classes assess vehicles according to CO₂ emissions, taking into account the vehicle's unladen weight. Vehicles conforming to that are graded D. Vehicles that are better than today's average are graded A+, A, B or C. Vehicles that are worse than the average are graded E, F or G.

‡ This vehicle is a WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicle. More information is available at www.volkswagen.co.uk/owners/wltp.

* Zero emissions while driving.

CO₂ EMISSIONS, BIK% AND VED BANDS WITH OPTIONAL WHEELS – 2020 MODEL YEAR †

EFFECT OF WHEEL SIZE ON CO₂ EMISSIONS, BIK% AND VED BANDS

Choosing larger alloy wheels than standard as an option, may result in increased fuel consumption as well as higher CO₂ emissions and subsequently increased Vehicle Excise Duty (VED) band and BIK rates paid by company car drivers may increase. This is due to the fact that larger wheels have both more aerodynamic drag and more mechanical drag, resulting in increased rolling resistance and increased wind resistance. As a result, the VED band that the vehicle falls into may increase from its original VED band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may increase as a result of the increased VED rate. The chart below shows CO₂ emissions and the related VED bands for vehicles with both standard-fit wheels and larger optional alloy wheels, as well as the increased cost payable due to a change in VED band.

			RDE2 Compliant	Output, PS	Standard wheel size	CO ₂ emission, g/km ¹ , standard wheels	First year VED £, standard wheels	BIK % with standard wheel size ²	Optional alloy wheel and size	CO ₂ emission, g/km ¹ , optional alloy wheels	First year VED £, optional wheels	BIK % with optional wheel size ²

1 Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. There is a new test used for fuel consumption and CO₂ figures (known as WLTP). The CO₂ figures shown however, are based on a calculation designed to be equivalent to the outgoing (NEDC) test cycle and will be used to calculate vehicle tax on first registration. For more information, please see volkswagen.co.uk/owners/wltp or consult your authorised Volkswagen retailer.

2 The BIK % figure quoted includes the 4% diesel supplement, where applicable. Please note: the increase in VED and BIK rate that is payable is in addition to the cost of the optional alloy wheels. Please consult your Volkswagen retailer for full details.

3 These figures were obtained after the battery had been fully charged. The e-Golf is a battery electric vehicle requiring mains electricity for charging. There is a new test for fuel consumption, CO₂ and electric range figures (known as WLTP). The electric range shown was achieved using the new test procedure. Figures shown are for comparability purposes. Only compare fuel consumption, CO₂ and electric range figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the starting charge of the battery, accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Zero emissions while driving.

‡ These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at www.volkswagen.co.uk/owners/wltp.

† Please note these models may no longer be available to order, or only available from stock and not available to factory order.

COMPANY CAR TAXATION CHART – TAX YEAR 2019/20

HOW TO CALCULATE YOUR COMPANY CAR INCOME TAX LIABILITY – EFFECTIVE 6.4.2019

The government is retaining the diesel supplement in company car tax until 2021, when EU-wide testing procedures will ensure new diesel cars meet air quality standards even under strict 'real world' driving conditions. From 6 April 2018 drivers must add 4% to their appropriate percentage if the car is propelled solely by diesel (up to a maximum of 37%).

From 2020/21, the BIK percentages for zero emission cars will reduce from 16% to 2%, whilst BEV/PHEV cars with CO₂ emissions between 1-50g/km will vary between 2% and 14%, depending on the electric range (miles).

For further details of company car tax, please consult your authorised Volkswagen retailer, or visit www.volkswagen.co.uk/fleet/company-tax

1 P11D values given in this price list are based on standard specification models with no factory-fitted options or other accessories. If your car includes factory-fitted options or other accessories, you may need to adjust the P11D value to take this into account.

2 From 6 April 2018, new income tax rates have been introduced for Scottish Taxpayers, these figures reflect the new Scottish rates. For full details of Scottish BIK tax liability, please refer to the Benefit In Kind for Scottish Residents section on page 55.

3 Subject to UK Government announcements.

THE VOLKSWAGEN SERVICE, FOR YOUR PEACE OF MIND

THE VOLKSWAGEN WARRANTY

Exclusions and terms and conditions apply to all warranties and plans listed. For pricing and further details of Volkswagen Warranties and Service Plans, please consult your authorised Volkswagen retailer or repairer, or visit www.volkswagen.co.uk

THREE-YEAR WARRANTY

All Volkswagen passenger cars come with a three-year/60,000 miles warranty, which protects your car against the failure of most technical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 miles (whichever is soonest) Retailer Warranty*. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. Full details of the three-year warranty are available from your authorised Volkswagen retailer or repairer.

BODY PROTECTION WARRANTY

The internal body sections and panels of the Golf are covered against rusting through from the inside for 12 years. Naturally, the vehicle must be cared for in compliance with the manufacturer's operating instructions. Please consult your authorised Volkswagen retailer or repairer for full warranty details.

THREE-YEAR PAINTWORK WARRANTY

This latest paintwork warranty, pioneered by Volkswagen, provides you with cover on a new car. Naturally, during the warranty period the car must be cared for in compliance with the manufacturer's operating instructions. Any paintwork defects, as a result of the manufacturing process, will be rectified without charge.

APPROVED ACCESSORIES

A comprehensive range of accessories from alloy wheels to carpet mats is available to complement the factory-fitted option list. Volkswagen approved accessories purchased from and fitted by your authorised Volkswagen retailer at the point of vehicle sale will also benefit from the three-year vehicle warranty.

VOLKSWAGEN E-GOLF AND GTE EIGHT-YEAR BATTERY WARRANTY

1. A guarantee for eight years or 99,360 miles/160,000km (whichever is soonest), on all material or manufacturing defects.
2. Gradual reduction in battery capacity over time is integral to the nature of the component, and does not represent a defect under the terms of this guarantee, as long as the reduction in capacity is not in excess of the value specified for this vehicle in the owner's manual.
3. With the exception of the warranty term, all warranty conditions stipulated by the Volkswagen retailer selling the vehicle (prerequisites, criteria for freedom from defects, exclusions, settlement of claims, entry into force and start of extended warranty term, scope of application etc.) also apply to the high voltage battery.

EV AND PHEV VEHICLE HOME CHARGING

Home charging using a domestic socket will depend on the condition and suitability of the wiring in your home. Always consult a qualified electrician before charging when using a domestic socket for the first time, or, if the socket is to be used as the primary source of charging. Domestic sockets on the same circuit as other appliances, particularly those in frequent use, will draw additional amperage which may result in a breaker switch being 'tripped'. Establishing a separate circuit for home charging will help ensure your electric vehicle is supplied with a consistent, uninterrupted current. For optimum charging, we recommend installing an electric vehicle charging point at home.

SPECIALIST RETAILER NETWORK

e-Golf is only available for sale through an authorised electric specialist Volkswagen retailer. These retailers have the ability to provide the highest levels of service when purchasing your e-Golf. For details of your nearest authorised electric specialist Volkswagen retailer, please visit www.volkswagen.co.uk for more details.

SERVICE INTERVALS

Volkswagen is pleased to offer you a choice on how your Volkswagen is serviced. The appropriate selection is entirely dependent on how the car is likely to be driven and its general use. To help you identify which type of service would be most suitable, please refer to the following guide.

The Fixed Service is recommended for vehicles that will cover less than 10,000 miles in 12 months and if the vehicle is likely to be used in the following way:

- Predominantly urban driving, short journeys with frequent cold starts.
- Activities regularly producing high engine loading, e.g. frequent hill climbs, driving with vehicle fully loaded and towing.
- Uneconomical driving style using high rpms with heavy acceleration and heavy braking.

The service intervals for the Fixed Service are as follows:

- Oil change service – After 1 year or 10,000 miles (15,000km), whichever is soonest.
- Inspection service² – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

The Flexible Service is recommended for vehicles with daily mileage of more than 25 miles where the vehicle is driven regularly mainly on longer distance journeys. The vehicle is driven mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner. With the Flexible Service the vehicle can cover anywhere between 10,000³ and a maximum of 20,000³ miles or 24 months (whichever is soonest) between oil changes.

SERVICE INTERVALS (CONTINUED)

The service intervals for the Flexible Service are as follows:

- Oil change service – According to flexible service interval display (after 2 years at the latest).
- Inspection service² – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

The up! model is only available with the Fixed Service schedule. Please consult your authorised Volkswagen retailer or repairer for advice and full details.

Electric vehicles: Vehicles powered only by an electric motor require a Fixed Service as follows:

- Inspection service – First service after 20,000 miles (30,000km)/2 years, whichever is soonest.
- Subsequent services every 20,000 miles (30,000km)/1 year, whichever is soonest.

Please note: If you purchase a Volkswagen Fixed Price Service Plan your vehicle will follow the Fixed Service schedule.

FUEL CONSUMPTION AND CO₂ EMISSIONS

Fuel consumption and CO₂ emission figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. There is a new test used for fuel consumption and CO₂ figures (known as WLTP). The CO₂ figures shown however, are based on a calculation designed to be equivalent to the outgoing (NEDC) test cycle and will be used to calculate vehicle tax on first registration. For more information, please see volkswagen.co.uk/owners/wltp or consult your authorised Volkswagen retailer.

VOLKSWAGEN INSURANCE⁴

We want you to start enjoying your new car from day one, and thanks to our 5 day complimentary Volkswagen Drive Away Insurance you can. Call 0345 300 6119 (lines are open Monday to Friday 8am-8pm and Saturday 9am-5pm). If eligible, we will also give you a quotation for our annual insurance, designed specifically for Volkswagen drivers.

VOLKSWAGEN ENSURANCE⁵

Get three years' Volkswagen Insurance cover for free.

Another great benefit of being a Volkswagen driver. If your Volkswagen was damaged in an accident, wouldn't you want it fixed by a Volkswagen trained technician using only genuine Volkswagen parts? Insurance is Volkswagen's accident and repair cover which does exactly that. It works alongside your main comprehensive motor insurance policy no matter who you are insured with, to make sure you get the quality repair and service you would want. If you're involved in an accident or your car is stolen, just one call to us and we'll look after your claim from start to finish ensuring your Volkswagen is restored to the highest standard.

Activate your cover and benefit from:

- A guarantee that your Volkswagen will be repaired by a Volkswagen approved repairer and Volkswagen trained technicians, using only genuine Volkswagen parts and paints.
- A dedicated Claims Manager who will manage your claim from start to finish, liaising with your insurer and the repairer so you don't have to.
- Help to recover any uninsured losses using our Legal Expenses Cover.
- Online claims tracking so you can keep up to date with the status of any claim.

Volkswagen Insurance is free to all Volkswagen customers for three years and it only takes a minute to get cover.

To find out more and to activate your cover, visit www.volkswagen-ensurance.co.uk

VOLKSWAGEN FINANCE⁶

Volkswagen Finance specialises in providing funding solutions for Volkswagen drivers. Whether your Volkswagen is for private or business use, you can choose from a range of funding options.

- Solutions – a Personal Contract Plan
- Hire purchase
- Lease purchase
- Finance lease
- Contract hire

With all Volkswagen Finance products you can choose a fixed-cost maintenance plan to help you budget for your servicing and maintenance costs. No matter what finance product you choose, your local Volkswagen retailer will be able to provide you with a personalised quote that could meet your budget and vehicle needs.

VOLKSWAGEN ROADSIDE ASSISTANCE

Every new car is registered for Volkswagen Roadside Assistance for one year except the Touareg which is registered for three years. This provides vehicle roadside and home recovery in the unlikely event of a breakdown in the UK and Europe (subject to conditions). Volkswagen Roadside Assistance can also be purchased for subsequent years.

Exclusions and terms and conditions apply. For pricing and further details of Volkswagen Roadside Assistance, please consult your authorised Volkswagen retailer, or visit www.volkswagen.co.uk

TAX FREE SALES

For full details, please contact your authorised Volkswagen retailer.

PRICES AND SPECIFICATIONS

The prices and specifications contained in this price list are for information purposes only as our products are continually updated and changes may be made to the prices and specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Prices and specifications are subject to change without notice.

Following the announcement of a price increase, any vehicle order which can be accepted into the factory production system before the effective date of the price increase will be supplied at the current price, even if built and delivered after the date on which the increase became effective.

Note: We would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. All our monitoring and recording processes meet Ofcom regulations.

- 1 All warranty work must be completed by an authorised Volkswagen retailer or repairer.
- 2 The inspection service first at 3 years (or 40,000 miles) and then every second year (or 40,000 miles) has additional workscope.
- 3 The quoted mileage is based on a conversion from kilometres and is therefore unlikely to exceed circa 18,000 miles between oil changes.
- 4 Volkswagen Car Insurance is underwritten by U K Insurance Limited. Registered Office: The Wharf, Neville Street, Leeds LS1 4AZ. Registered in England and Wales number: 1179980. U K Insurance Limited is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority (FCA) and the Prudential Regulation Authority. Calls may be recorded. Volkswagen Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ('VWFS UK'), registered in England and Wales number: 2835230 (Registered Office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR). Volkswagen Insurance Service (Great Britain) Ltd. is an appointed representative of VWFS UK. VWFS UK is authorised and regulated by the FCA, registration number: 311988. Authorisation details for both organisations can be checked on the Financial Services Register by visiting www.fca.org.uk. VWFS UK and U K Insurance Limited are not part of the same corporate group.
- 5 Insurance from Volkswagen Financial Services is sold and administered by Lawshield UK Limited, registered in England number: 3360532. Registered office: Lawshield House, 850 Ibis Court, Lakeside Drive, Centre Park, Warrington, Cheshire, WA1 1RL and underwritten by UK General Insurance Limited on behalf of Great Lakes Insurance SE. Great Lakes Insurance SE is a German insurance company with its headquarters at Königstrasse 107, 80802 Munich. UK Branch office: Plantation Place, 30 Fenchurch Street, London, EC3M 3AJ. Lawshield UK Limited is authorised and regulated by the Financial Conduct Authority (FCA). Authorisation details can be checked on the FCA's register at www.fca.org.uk. Great Lakes Insurance SE, UK Branch, is authorised by Bundesanstalt für Finanzdienstleistungsaufsicht and subject to limited regulation by the Financial Conduct Authority and Prudential Regulation Authority. Details about the extent of their regulation by the Financial Conduct Authority and Prudential Regulation Authority are available on request.
- 6 Finance is available to 18s and over, subject to status. Terms and conditions apply. Volkswagen Finance.

BENEFIT IN KIND (BIK) FOR SCOTTISH RESIDENTS

Effective as of April 6 2018, the Scottish Government introduced their own BIK taxation structure. This is only applicable to Company Car Drivers that are resident Scottish taxpayers. HMRC will continue to be responsible for the collection and management of taxes and will determine whether or not an individual is a Scottish taxpayer based on where their primary place of residence is.

Scottish Income Tax rates and Bands 2018/19

Starter rate 19% – over £11,850 – £13,850

Basic rate of 20% – over £13,850 – £24,000

Intermediate rate 21% – over £24,000 – £44,273

Higher rate 41% – over £44,273 – £150,000

Top rate 46% – above £150,000
