

Solar Roof Order Agreement

1. Solar Roof Order

Thank you for placing a Solar Roof Order. Your Order will become effective when we receive your Order Payment.

2. Purchase Agreement

You will receive a purchase and installation agreement indicating the final specifications of your Solar Roof and the final purchase price, including installation cost. Depending on your installation location, the entity that signs your purchase and installation agreement may be Tesla, one of our affiliates, or one of our approved third party installers.

3. Your Order Payment; Cancellation

The Tesla entity that holds your Order Payment may vary depending on your location. We will not hold your Order Payment in a separate account or in an escrow or trust fund, or pay any interest on your Order Payment. Until you enter into a purchase and installation agreement, your Order may be cancelled at any time by you or by Tesla, in which case you will receive a full refund of your Order Payment. If you enter into a purchase and installation agreement, your Order Payment will be applied towards the final purchase price of your Solar Roof.

4. Non-Transferable

Your Order is not transferable or assignable to another party without the prior written approval of Tesla.

5. Your Details

From time to time we will ask you to provide information so that we can perform our obligations under this Solar Roof Order Agreement. We will maintain your personal information in accordance with our Customer Privacy Policy, which is available at <https://www.tesla.com/about/legal>.

6. Status of your Order

While this Order secures approximate delivery priority within your region, it does not constitute the purchase of a Solar Roof or guarantee that Tesla will sell you a Solar Roof. The timing for delivery and installation of your Solar Roof will depend on your queue position and when the Solar Roof is ready for your region.
