URGING GOVERNOR CUOMO TO HALT CLOSURE OF GOWANDA CORRECTIONAL FACILITY

Pursuant to Section 153 of the County Law.

WHEREAS, the closure of the Gowanda Correctional Facility will drastically impact more than 500 NYS Correctional Officers and Police Benevolent Association (NYSCOPBA) positions and 140 civilian jobs, and

WHEREAS, the loss of at least \$51 million in payroll for the aforementioned jobs will disrupt the family lives of thousands and devastate communities, and

WHEREAS, multiple FOIL requests have been submitted seeking the analysis behind the State's contention that closing Gowanda, along with two other correctional facilities, will save \$89 million, and

WHEREAS, the Department of Corrections and Community Supervision (DOCCS) and/or the Governor's office have not provided information that demonstrates cost savings or compliance with the Article VII executive authorization used to close Gowanda Corrections despite several FOIL requests, and

WHEREAS, a lack of transparency starting from the very beginning, when the community was closed out of the decision-making process, to the failure of the state to provide cost-benefit analysis, is unacceptable, and

WHEREAS, compounding the issue are the millions of dollars in construction projects, purportedly approved for Gowanda Correctional, that will have to be honored, even though the facility will be empty, which represents a colossal waste of taxpayer money and calls into question the actual savings due to this closure, and

WHEREAS, prison violence is at near record levels and the closure of this correctional facility will only serve to condense the prison population and further jeopardize the safety of NYSCOPBA members and the inmate population as a whole, and

WHEREAS, the NYSCOPBA has urged the Governor and the State Legislature to halt any closure plans and address violence escalation within the prison system, and

WHEREAS, in the absence of the cost-savings data, the closure of Gowanda Correctional should be halted until those documents can be provided and evaluated, and

WHEREAS, the closure of the Gowanda Correctional Facility will have a drastic and devastating economic impact on individuals and communities in Cattaraugus County, at a magnitude that will likely exceed any cost savings, and

WHEREAS, the decision to close Gowanda Correctional is one that requires full public disclosure of the costs and benefits involved and shouldn't be made in haste, now, therefore, be it

RESOLVED, that the Cattaraugus County Legislature hereby strongly urges Governor Cuomo to halt the closure of the Gowanda Correctional Facility and reverse this action and keep our corrections officers, their families and our communities safe by keeping this essential facility open, and be it further

RESOLVED, that the Clerk of the Legislature is hereby directed to forward copies of this resolution to Governor Cuomo; Senate Majority Leader Stewart-Cousins; Assembly Speaker Heastie; Senators Borrello, Gallivan, Ryan, Ortt and Kennedy; Assembly Member Giglio; New York State Association of Counties; and the Western New York Inter-County Association.
