N WARRANTY

EN The product warranty is provided by Endor AG. Refer to the included warranty sheet as well as the terms & conditions of Endor AG on fanatec.com.

DE Dieses Produkt unterliegt der Garantie der Endor AG. Beachten Sie die beiliegenden Garantieblätter sowie die Allgemeinen Geschäftsbedingungen der Endor AG auf fanatec.com.

FR Ce produit est sous la garantie d'Endor AG. Reportez-vous aux fiches de garantie incluses ainsi qu'aux conditions générales d'Endor AG sur fanatec.com.

ES Este producto está bajo garantía de Endor AG. Consulte las hojas de garantía incluidas, así como los términos y condiciones de Endor AG en fanatec.com.

IT Questo prodotto è coperto dalla garanzia di Endor AG. Fare riferimento ai fogli di garanzia inclusi nonché ai termini e condizioni di Endor AG su fanatec.com.

PT Este produto está sob garantia da Endor AG. Consulte as folhas de garantia incluídas, bem como os termos e condições da Endor AG em fanatec.com.

CE UK CA FC EAC REACH

This device complies with part 15 of the FCC rules. The operation of this device is subject to the following two conditions:

- This device may not cause harmful interference, and must accept any interference received, including interference that may cause undesired operation.
- This device was not modified differently than described explicitly in this user manual.

NOTE: This device was tested and approved to the limitations for class B of digital devices according to part 15 of the FCC rules. This limitation should ensure an adequate protection against harmful interferences in residential areas. However, a warranty for the non-recurring of interferences is not assumed.

Do not modify the device differently than explicitly described in the product-related user manual. Nevertheless, if you do modify the device differently than explicitly described in the product-related manual, you can be determined to stop the operation of the device.
