Yesterday, Grand County Public Health (GCPH) was notified of a confirmed positive test result for COVID-19 involving a healthcare professional working and residing in Grand County. The significant other of this individual will be counted by the Colorado Department of Public Health and Environment (CDPHE) as a “probable” case. This brings the total positive cases in Grand County to four. The number of tests performed went down due to two tests that were unable to be run.

What’s new from The Grand County COVID-19 Response Team:

- There was a confirmed positive case of COVID-19 yesterday
- We are working with the county and the towns to address short-term rentals
- As the Board of Health is not in session this week, the commissioners are each meeting separately with the Team in the Emergency Operations Center (EOC)
- Our local media reporters will be touring the EOC this week
- Operations is securing isolation locations and alternative care facilities should they be needed
- Logistics has placed orders for critical supplies and resources to support the Team’s mission
- An electronic sign board is active on Berthoud Pass reminding people of the “Stay-at-Home” Order
- The Team is working with the USFS and Clear Creek County to mitigate the activity on Berthoud Pass
- Our Human Services and Mental Health Branches are working tirelessly to provide necessary services to our community. Visit HealthyGrandCounty.org for resources available
- WorkInGrand.com is committed to assisting local businesses navigate closures and economic impacts

Grand County law enforcement agencies ask that the public please be kind to each other--the strength of this community depends on compassion, empathy and tolerance. **“Everyone you meet is fighting a battle you know nothing about. Be kind. Always.”**
