

Admissions Policy for International Students

CRICOS Provider Number 03392K Australian College of the Arts Pty Limited

Purpose

This policy establishes the principles and processes by which Collarts will assess applications to study at Collarts in accordance with the rules of Collarts, the *Higher Education Standards Framework (HESF) 2015*, the *Education Services for Overseas Students (ESOS) Act 2019* and the *National Code 2018*.

Scope

This policy applies to all international students who seek admission to a course of study at Collarts. This policy also applies to College staff when assessing and processing international student enrolment applications.

Principles

International students will only be accepted into a course of study at Collarts if they meet the minimum admission criteria, and enrolment will only be finalised when the student is in possession of a valid student visa.

Refer to the Appendix to this policy *Table A: CRICOS Codes and Visa Sub-Class by course* and the section below titled *Criteria for a Confirmation of Enrolment*.

A. Criteria for Admission

1. An international student applicant must be at least 18 years of age at the time of commencement of study.
2. The academic minimum entry requirement is one of the following:
 - Completion of an Australian Year 12 Senior Secondary Certificate of Education or overseas equivalent
 - International Baccalaureate
 - Completed Australian AQF (Australian Qualifications Framework) Certificate IV
 - Completed Foundation year at any Australian Higher Education Provider
 - Completed one full-time semester at any Australian Higher Education Provider
 - Completed one full-time year at an overseas Higher Education Provider.
3. All applicants are required to complete the Collarts' *International Application Form* and certified copies of academic transcripts should be included with this application.
4. To be accepted to a course of study at Collarts, an international student must meet the minimum English proficiency requirements (see section **English Language Proficiency** below).

Applicants who do not meet the minimum English Proficiency Levels can take an intensive English course to gain the required level of proficiency at one of Collarts' pathway provider partners.

COLLARTS

5. All applicants must participate in a short informal interview to ensure the applicant clearly understands the nature of the program and the commitment they are making, and that any questions are addressed. Where the applicant has not yet arrived in Australia, the interview can take place via video conference or telephone.
6. All applicants must satisfy additional course specific admission requirements where relevant. Refer to *Table E: Additional admission requirements by course*, in the attached Appendix.

English Language Proficiency

An international student whose first language is not English should be able to speak and write English to a level sufficient to cope with the requirements of tertiary study. To be accepted to any course of study at Collarts, an international applicant must provide evidence of English Language Proficiency with no individual band below 6.0.

Collarts recognises the following as having satisfied the normal English Language proficiency requirements:

- Completion of an accepted English Proficiency Assessment as per *Table B: English Language Proficiency equivalency scores*
- Completion of a one year of full-time university study in an English-speaking country or where the language of instruction was English
- Completion of one year of full-time study in a higher education provider program in Australia where the minimum entry requirement was evidenced to be an overall IELTS band score of not less than 5.5 (or equivalent)
- Completion of the final two years of senior high school in an English-speaking country or where the language of instruction was in English
- Completion of a secondary qualification as per *Table C: Acceptable secondary qualification not undertaken in English, subject and grade requirements*
- Completion of a pathway provider course as per *Table D: Acceptable pathways to satisfy English Proficiency requirements*.

Letter of Offer

Successful applicants will receive a *Letter of Offer* and an *International Student Acceptance Agreement*, with references and links to the Student Handbook and International Student Guide, within two weeks of receipt of their application. The Letter of Offer will request return of the signed *International Student Acceptance Agreement*, payment of the Initial Tuition Fee (Tuition Fees for Trimester 1) and evidence of Overseas Student Health Cover (OSHC). For specific countries prospective students will be required to submit a Genuine Temporary Entrant (GTE) form and financial matrix, as well as supporting documents.

Collarts will only issue a *Confirmation of Enrolment* (CoE) once these tasks have been completed (see Criteria 6-9 below). A CoE is required by the Department of Home Affairs (DHA) before they will grant a visa to study in Australia.

COLLARTS

Fees

The Letter of Offer will detail all fees associated with the course; however, a signed *International Student Acceptance Agreement* must be received before Collarts will accept course money. In conjunction with the Letter of Offer, students should read the accompanying *Tuition Fee Refund Policy* for International Students.

For subsequent trimesters, students will receive an invoice prior to each study period detailing the applicable amount payable. Students must meet the liability for tuition fees by the Collarts' due date. Failure to do so may result in the cancellation of enrolment as outlined in the *Deferral, Suspension or Cancellation of Enrolment Policy*.

International Student Fees Overview

International student fees at Collarts are made up of Tuition Fees which cover the cost of providing:

- The course of study
- Access to campus facilities, computer laboratories, the Collarts library and program-specific facilities such as recording studios, rehearsal rooms, audio/visual editing suites and performance spaces.

Tuition fees are reviewed annually and published in the *International Student Fees Schedule* available on the Collarts website, with all units of study within a course.

All fees must be paid in Australian dollars and, it is the student's responsibility to ensure that additional international bank transfer fees or charges are not deducted from the tuition fees being paid.

The Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS) contains information on the time for course completion. You can locate this information by searching for Collarts on the CRICOS website <http://cricos.education.gov.au/>

If a student decides to change their course, they will be sent a new offer letter. The fee for the new course will be in line with the annual fee published for the year they commence the new course.

Information on annual fees for international students can be found in the FAQ > International Students > Fees section on the Collarts' website.

The actual tuition fee charged each trimester can change depending on how many units a student is enrolled in and the credit point value of the units each trimester.

Refer to the Appendix to this policy *Table F: Cost per Trimester for International Students*.

Fees for commencing international students

The Letter of Offer will detail all fees associated with the course; however, a signed *International Student Acceptance Agreement* must be received before Collarts will accept course money. In conjunction with the Letter of Offer, students should read the accompanying *Tuition Fee Refund Policy* for International Students.

COLLARTS

At the time of accepting their offer, commencing students must pay the first trimesters' fees as stated in the offer letter. If the student decides to withdraw prior to the census date, they are eligible for a refund as outlined in the *Tuition Fee Refund Policy for International Students*.

The offer letter will contain indicative tuition fees. International fees are reviewed annually, and fees may change if the student decides to commence in the following year. If that happens, the student will be issued with an updated invoice prior to fee payment being made.

Fees for continuing international students

Students must pay their fees by two weeks before the intake starting date for each trimester. Students will be sent an invoice from the student administration team prior to the start of each trimester. The invoice will outline the units of study that the student is enrolled in for the trimester and the tuition fees for which payment is to be made. The amount can change from one trimester to the next if there are any changes to the study load enrolled by the student.

Non-payment of fees

Non-payment of fees by the due date will result in the suspension of the student's enrolment and, may result in enrolment cancellation.

Students who do not pay their fees cannot attend class, will remain liable for fees and will not be allowed to continue study or re-enrol until any outstanding fee debt has been paid, unless an arrangement has been made between Collarts and the student.

Collarts is required to advise the DHA if enrolment has been cancelled for students who are on a student visa. This can impact the student's ability to stay in Australia.

Criteria for a Confirmation of Enrolment (CoE)

1. A signed International Student Acceptance Agreement, payment of the Initial Tuition Fee and evidence of OSHC must be received by the Registrar before they are able to issue a CoE, which is required for the application of a student visa with the DHA.
2. Payment of the Initial Tuition Fee is required prior to the processing of enrolment. Tuition fees for each subsequent trimester are due two weeks prior to the commencement of the trimester ie. Trimester 2 fees are due two weeks before the Commencement Date for Trimester 2. Information about course fees, is available at <https://www.collarts.edu.au/international-students-2>. The *Tuition Fee Refund Policy* is available in the Student Handbook
3. Australian Government regulations require all international students to have OSHC for their period of time in Australia. A CoE will not be issued by Collarts until evidence is provided that OSHC has been obtained
4. Before Collarts can finalise an enrolment, all international students must be in possession of the appropriate student visa as issued by DHA and have provided a copy to the Office of the Registrar for the student file

Course Credit & Implications on Student Visas

Applications for course credit from International Students should be completed before the issuing of a Confirmation of Enrolment (CoE) as receiving credit for four or more units of study may affect the course duration and therefore the length of their student visa. Collarts is obliged to report any changes in course duration to Department of Education, Skills and Employment (DESE) via PRISMS in accordance with Standard 9 of the National Code 2018 when course credit is granted after admission and the original CoE.

Applicants wishing to apply for admission or course credit in recognition of prior learning should refer to the *Recognition of Prior Learning for Admission or Course Credit Policy* for more information on how to lodge an application, how Collarts will assess an application, and the procedure by which you will be advised of the College decision in relation to your application.

How to Apply

1. Application Form

All course information including course duration and content, fees and terms and conditions, will be issued to the student upon enquiry. International students can complete their application online using the *International Student Application Form* at [About Collarts > International Students](#) section of our website or a copy of the form can be sent by email or post.

2. Review and assessment of completed application form against admission criteria

a) Confirm necessary supporting documentation is attached to the application form

The submitted *International Student Application Form* and any application for RPL or *Recognition of Prior Engagement* (RPE) is checked for completeness by the International Recruitment Coordinator. All sections of the application are required to be completed and any RPL or RPE applications signed. It is the responsibility of the applicant to attach the following documentary evidence which is a compulsory requirement of international students when applying to study at Collarts:

- Certified evidence of English proficiency or enrolment in a recognised ELICOS course
- Certified evidence of previously attained qualifications
- Evidence of experience.

The completed *International Student Application Form* is reviewed and assessed against the *Criteria for Admission* as outlined in this policy by the International Recruitment Coordinator. Application forms are not accepted without the appropriate supporting documentation.

All attachments should be copies of originals as certified by a Justice of the Peace (JP). Any international documentation should be translated to English. Where original documentation is presented with the application, the International Recruitment Coordinator will take copies of the documentation and witness them as being true copies of originals presented. The original documentation will be returned to the applicant.

Application forms are not accepted without the appropriate supporting documentation.

b) Academic qualifications and credentials are verified

The minimum entry requirement is the completion of the overseas equivalent to an Australian Senior Secondary Certificate, completed at the end of Year 12 in Australian secondary schools. As part of the assessment process, academic qualifications and credentials must be verified using:

- Higher Education Providers - www.teqsa.gov.au/national-register
- RTO & VET Qualifications - www.training.gov.au
- International Baccalaureates - www.ibo.org/country/
- International Qualifications - CEP Online database

c) Establish English Language Proficiency levels

All students must be sufficiently competent in the English language to participate effectively in their course of study and produce a certified copy of their English Language Proficiency scores with their application. The English entry requirements must be met by all students prior to admission to any course of study at Collarts as outlined in the Appendix to this policy *Table B: English Language Proficiency equivalency scores by course*.

If the applicant cannot produce a satisfactory IELTS or equivalent score, or there are doubts about the English language skills to cope in the academic environment, the International Recruitment Coordinator will pass the application to the respective Program Leader. The Program Leader will then assess the application and recommend the applicant to enrol in an English (ELICOS) course to study English in one of the pathway providers to achieve the minimum IELTS requirement.

d) Assessment of any applications for admission by RPL

Evidence for recognition of prior learning or prior work or life experience is reviewed in accordance with the *Recognition of Prior Learning for Admission or Course Credit Policy*, and the procedures contained within. Applications for admission and course credit by RPL must be approved by the Program Leader. Where an application for admission to Collarts is accompanied by an Application for RPL, both applications are to be forwarded to the respective Program Leader for assessment.

Once a decision is made by the Program Leader, both applications will be returned to the International Recruitment Coordinator to continue with the process for admission.

3. Attend an Admissions Interview

A short informal interview is required by all international students to ensure the applicant clearly understands the nature of the program and the commitment they are making, that any questions are addressed, and to provide a check on the applicant's English language proficiency. The International Recruitment Coordinator will contact the applicant to organise a mutually convenient time.

4. Additional course specific requirements

Auditions, written submissions, portfolios or evaluations may also be required as part of the course admissions. Refer to the attached Appendix, *Table E: Additional admission requirements by course* for individual course requirements.

5. Letter of Offer & International Student Acceptance Agreement

After review and assessment of the application form against admission criteria (including English proficiency or enrolment in a recognised ELICOS course) and the successful completion of any course specific requirements, the International Recruitment Coordinator will send a Letter of Offer, International Student Acceptance Agreement, with references and links to the Student Handbook and International Student Guide, within two weeks of receipt of their application.

The Letter of Offer, International Student Acceptance Agreement will request payment of the Initial Tuition Fee and evidence of OSHC (Overseas Student Health Cover). Applicants will receive their CoE once these items have been actioned and witnessed by the Registrar.

6. Confirmation of Enrolment (CoE)

The student will be issued a CoE by the Registrar so that visa applications may commence, once the following actions have been received:

- returned a signed copy of the International Student Acceptance Agreement
- payment of the Initial Tuition Fee has been received by Collarts
- evidence of the possession of OSHC (Overseas Student Health Cover).

They will also be referred to the Student Handbook and an International Student Guide again which includes information on homestay and medical services etc.

7. Course Commencement

Once the student visa is granted, the original visa and English proficiency score(s) should be presented to the Registrar for verification so that enrolment can be finalised. Once finalised, the student will receive confirmation of course commencement including a Student ID Number and timetable.

8. Track Student Progress & Default

In accordance with the *National Code 2018*, the following international student defaults will be reported to the Secretary via PRISMS within five business days:

- Student payments are not forthcoming
- Student fails to arrive for their course.

If Collarts is unable to deliver the nominated program due unforeseen circumstances, the Secretary and the Tuition Protection Service (TPS) Director will be notified via PRISMS within three business days.

Student data such as attendance and assessment results will be tracked and recorded in the Collarts student management system to ensure completion within the expected duration and satisfactory course progression (in accordance with Standard 8 of the *National Code 2018*).

COLLARTS

Conduct of Collarts Staff

Staff must conduct themselves with integrity and honesty. All Collarts communications must comply with Australian Law and all applicable education legislation especially those which regulate the treatment of both domestic and international students.
