# YOUR QUICKSTART GUIDE TO LIVING IN THIEF RIVER FALLS

## HISTORY OF THIEF RIVER FALLS

Thief River Falls first developed as a lumber milling town. It also became a major agricultural service area because of the rich soil left by ancient, glacial Lake Agassiz.

The unusual name, “Thief River,” was given to the river by the Ojibwe and Dakota people. “Falls” was added to the name of the new city in 1896 because of a series of rapids. At one point, the river had been converted to a waterfall by the construction of the dam. Until 1904, an Ojibwe village of 40 families was located where the Thief River and Red Lake River meet.

The Great Northern and the Soo Line Railroads brought prosperity when Thief River Falls became a center for shipping wheat. Today, the city continues its entrepreneurial spirit, preserving and respecting the past, yet growing and moving toward the future.

## THE CITY OF THIEF RIVER FALLS MUNICIPAL INFORMATION

### CITY OFFICIALS

# COMMUNITY INFORMATION AND SERVICES

## Grass & Yard Waste

**Grass Clippings:** Residents are encouraged to mulch their grass clippings. There is a disposal site for grass clippings only, located at the Streets/Sanitation Department at 1121 N. Atlantic – this is for UNBAGGED grass clippings only.

**Leaf Pickup:** Leaves are picked up in the spring and fall in an order based on city wards.

**Branch Pickup:** Residents may place bundled branches (maximum 5-foot lengths) at their garbage pickup site for pickup once a week. Customers may also bring branches directly to the disposal site at the Streets/Sanitation Department at 1121 Atlantic Ave. N. and place them in the clearly marked site. This service is for residents only and is not for the use of contractors hired for the removal of trees. Any questions can be addressed to the Streets/Sanitation Department at 681-3640.

## Trash Pickup

Only bags with “TRF” printed on them will be picked up by the Sanitation Dept. Bags must be tied. All large items must have an authorized orange sticker attached to them to be picked up. Stickers are issued during bag handout. Owners receive all their bags in June. Renters will receive ½ of their garbage bags in June and the other ½ in December. Any questions regarding household or yard waste pickup can call the Streets/Sanitation Department at 681-3640.

**Garbage pickup is twice per week:**

*Monday & Thursday – West of the river*

*Tuesday & Friday – East of the river*

## Vehicle Registration and Driver's License

In general, State regulations require that a new resident obtain a Minnesota Driver's License and register their vehicles within 30 days of moving to Minnesota. Vehicle registration is located at the Pennington County Courthouse in Thief River Falls.

## Walking and Multi-Purpose Trails

---

### **Riverwalk**

LB Hartz Park

Thief River Falls

Many miles of walking and biking trails through town along the Red Lake and Thief Rivers. Passes by nine city parks, three forest trails, the dam, and historical sites such as the Soo Line Railroad

### **Greenwood Trails Recreation Park**

Thief River Falls

48.50 acres, including parking, extensive trail system. Also includes a wooded trail system along the Red Lake River and Greenwood Street. These trails are unpaved and provide that country feel while remaining in city limits. Go for a hike all year round, and try snowshoeing or cross-country skiing in the snowy months.

### **Agassiz Dunes – Agassiz Environmental Learning Center**

Fertile, MN

Preserved remnant of the sand dunes that northwest winds pushed up on the eastern beaches of glacial Lake Agassiz. Operated by the Nature Conservancy, hiking trails allow a close view of the area.

### **Agassiz National Wildlife Refuge**

2296 290<sup>th</sup> St. NE

Middle River, MN

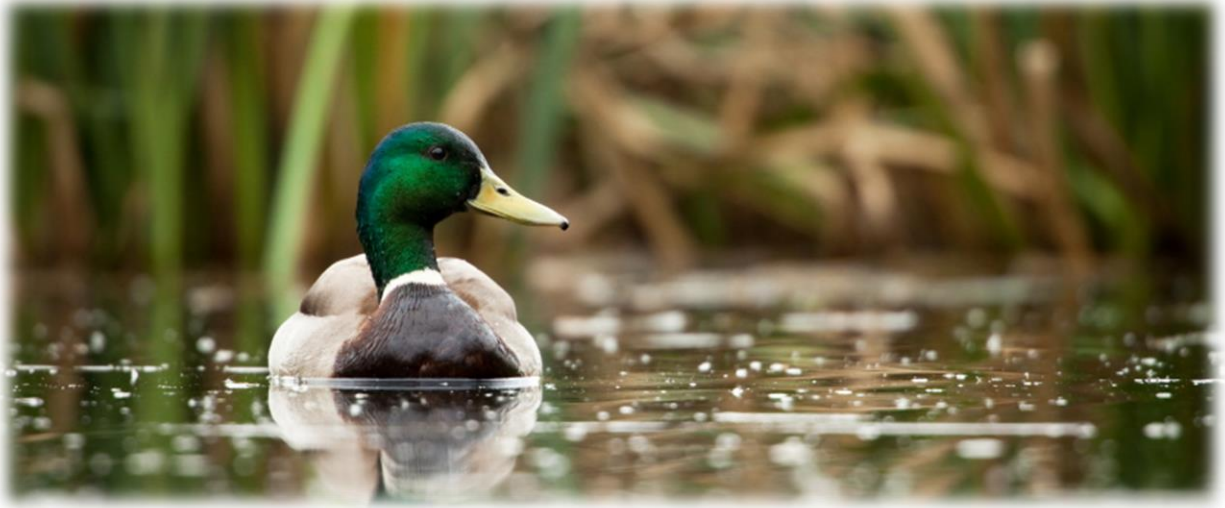

(218) 449-4115

61,500 acres in the Aspen Parkland Area, 38,000 are wetland. A globally Important Bird Area with 298 bird species recorded. Bird-watching best during spring and fall migrations. Moose, wolves, river otter and fisher are unique. One of the 50 best places in U.S. to observe a diversity of birds and mammals and one of 100 best places in N. America to observe birds

## Rydell National Wildlife Refuge

17788 349<sup>th</sup> St SE  
Erskine, MN 56535  
1-800-841-0172

The Refuge is located on the Glacial Lake Agassiz beach ridge transition zone. The habitats consist of northern tallgrass prairie, prairie wetlands, maple-basswood forest, oak savannah, and mixed hardwood re-growth. The Refuge Visitor Center is wheelchair-accessible and an extensive 7-mile paved trail system allow for optimum wildlife observation and photography. There is a diverse combination of mammals, raptors, invertebrates, and over 100 species of migratory waterfowl and songbirds.
