

SPORTSCOACH SRS

THE DRIVE IS IN THE DETAILS

THE COACHMEN ADVANTAGE

What is the Coachmen advantage? It's the collection of unique features offered in a Coachmen motorhome to ensure a smoother ride, a better camping experience, and a motorhome that will last for years.

1. NOBLE SELECT™

Protected by a three-year warranty, these sidewalls have a high-gloss gelcoat finish to prevent fading. They are also 20% lighter than wood substrate sidewalls, provide more occupant cargo carrying capacity, and offer three times the insulation against extreme climates.

2. AZDEL™ COMPOSITE

Most manufacturers use wood sidewalls that can expand, swell, and eventually mold. We use Azdel. It's impervious to water, won't rot or mold, and, with less than a 1% chance of delaminating, it ensures the long-term integrity of the sidewalls.

3. REINFORCED LAMINATION

We vacuum bond and pinch roll every sidewall and roof, then perform a pull adhesion test. Most manufacturers just do one process or the other, but by doing both we improve the strength and longevity of the sidewalls.

4. FOREFRONT OF TECHNOLOGY

We offer the latest in technology by pairing electronics with smart phones. A safer and larger viewing area is achieved when dual-mirroring your smart phone GPS to the 10" *Axxera* dash radio and backup system. And the *MyRV OneControl* app allows you to control electronics—including master lights, slide room, and awning—right from your phone.

5. SIGHT RITE DASH™

Our dashes are angled 20 degrees forward. This increases the line of sight for the driver, and offers the best road visibility on the market.

6. EVEN COOL DUCT™

Our patented duct system evenly disperses air through the whole coach. And we use Amaco ducting instead of Styrofoam because it's antimicrobial, preventing the growth of bacteria and ensuring a cool, clean coach in even scorching heat.

7. DIGITAL OWNER'S MANUAL

Our owner's manuals are easy to access through the Coachmen website or our free app. Supplemented with videos, PowerPoints, and more, it's got all you need to know about your coach.

NOW THIS IS UPWARD MOBILITY.

THIS HANDSOME DIESEL HAS IT ALL: POWERFUL DRIVING, SMOOTH HANDLING, SPACIOUS FLOORPLANS, BEAUTIFUL INTERIORS, AND AMAZING FIXTURES. THE ONLY THING MISSING? YOU.

With solid-surface countertops featuring a waterfall edge, stainless steel fixtures and appliances, and a stylish subway tile backsplash, the reimagined kitchen will bring out the gourmet chef in you.

A dashboard monitor with rear and side color cameras makes backing up and navigating tight spaces a breeze.

Storage is plentiful in Sportscoach SRS, including a pass-through full basement that's ideal for stowing oversized gear without compromising living space.

An exterior entertainment center, complete with a 32" LED TV and DVD Blu-ray player, brings home entertainment to the great outdoors.

The super durable Tread Lite™ Double Power Step makes it easy to board and exit safely.

Photography features the Sportscoach SRS 360DL floorplan with Almond decor and Slate Cherry cabinets.

Upgraded fabric-leatherette cushions and a panoramic window allow you to enjoy your meals in comfort—and with a view.

After a day exploring the great outdoors, relax with a movie on your 40" or 48" LED TV (depending on floorplan). The electric fireplace adds comfort and mood lighting.

Built with stainless steel and porcelain touches, the bathroom is both appealingly designed and easy to clean.

The stylish bedroom in Sportscoach SRS will have you looking forward to bedtime. A comfortable Serta mattress and modern decor create the perfect environment for rest and restoration.

Sportscoach SRS boasts plenty of storage, including a full wardrobe with washer/dryer prep, a pantry, and plenty of cabinet space. It's a long-distance traveler's dream come true.

GVWR (Gross Vehicle Weight Rating): The maximum permissible weight of the unit, including the unloaded vehicle weight (UVW) plus all fluids, cargo, optional equipment, and accessories. For safety and product performance, do not exceed the GVWR.

GCWR (Gross Combined Weight Rating): The maximum total weight of the loaded unit, plus a tow vehicle. This includes the weight of both the unit and tow vehicle, fuel for each, all other fluids, cargo, occupants, optional equipment, and accessories.

Important Note: All capacities are approximate, and all dimensions are nominal. Sportscoach motorhomes are designed to allow for a wide variety of uses, extended trips with two people, or short trips with multiple people. Accordingly, each unit allows ample room for sleeping, seating, fluids, and cargo. While the customer is the beneficiary of this design, the customer also bears the responsibility to select the proper combination of passengers, cargo, load, and tow vehicle without exceeding the chassis weight capabilities. Consumer may need additional braking capacity to tow loads greater than 1,000 pounds.

Seat belts should always be worn for passenger safety. Seat belts are provided at most locations to allow convenience in selecting which seat to occupy. However, it is not

intended that all seating positions equipped with a seat belt may be occupied while the vehicle is in motion, without regard to other weight factors.

All Sportscoach motorhomes are designed to ensure that the number of passengers allowed while the vehicle is in motion will always at least equal the stated sleeping capacity. Though extra seat belts may be provided, for your safety and the proper operation of your vehicle, limit your passengers to the number allowed by the Net Carrying Capacity of your vehicle.

All information contained in this brochure is believed to be accurate at the time of publication. However, during the model year, it may be necessary to make revisions and Sportscoach reserves the right to make all such changes without notice, including prices, colors, materials, equipment, and specifications as well as the addition of new models and the discontinuance of models shown in this brochure. Therefore, please consult with your Sportscoach dealer and confirm the existence of any materials, design, or specifications that are material to your purchase decision.

FREE One-Year Membership - Coachmen Owners Association!

Sportscoach is proud to sponsor the largest manufacturer-sponsored camping club in North America ... Coachmen Owners Association (COA). COA provides you a world of ways to enjoy your RV. This is **FUN ON OVERDRIVE** and provides: Free Trip Routing, Exciting Tours and Rallies, Free Campground Directory, Local/State Club Activities, Easy RVing Magazine Free, Theme Park Discounts, Fuel Discounts, Free onebigplanet® Memberships with discounts at 180,000 merchants, and Much More!

Every new Sportscoach RV buyer is eligible for a 1-Year FREE membership in the Coachmen Owners Association. It all adds up to an easy ownership experience!

Travel Easy™ Roadside Assistance!

RVing is easier with Sportcoach's Travel Easy™ Roadside Assistance provided FREE the first year of ownership to those who purchase a New Sportscoach RV. Administered by Coach-Net, this service provides you with 24/7

operational, technical and emergency road service coverage. Also included is towing, fuel delivery, jump starts, lockout service, tire changes, mobile mechanic, and unlimited technical assistance. Anywhere. Anytime. Travel Easy™ is the security of knowing that help is an easy phone call away.

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible because of the following reasons:

1. Forest River, Inc. dealers are independently owned and operated businesses, so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
2. Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
3. Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian dealer is a professional at meeting these requirements.
4. Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!
