744,000

Health Care Providers

Now your clients will have an all-in-one, self-funded administrative services only (ASO) solution to help them control costs, realize savings, and manage risk. EmblemHealth's new stop-loss coverage rounds out our ASO offerings:

- Integrated with underlying medical plan
- Simplified administration
- Prompt/timely reimbursement of claims exceeding the trigger point for cash flow advantages to employer
- Extensive Large Claimant experience and network arrangements that support high quality at lower costs
- Underwriting knowledge and expertise

Our stop-loss coverage goes with our ASO offerings. You get our robust presence in the tristate area* including 50,000+ primary care doctors**, 81,000+ specialists and 300 hospitals. You also get access to over 744,000 providers and 5,300 hospitals nationwide.***

*Tristate area includes all 62 counties in New York, all 21 counties in New Jersey, and all 8 counties in Connecticut.

**Criteria for primary care doctor status is based on board-certified specialties. Providers are considered primary care doctors if they have a board-certified specialty of Internal Medicine, Family Practice, General Practice or Pediatrics.
