

# Certificate

## Approved Long-Term Stability

The Certifying Body of tekit Consult Bonn GmbH, TÜV Saarland Group, hereby confirms that the company

### Micro-Star-International Co., Ltd.

No. 69, Lide St., Zhonghe Dist., New Taipei City 235, Taiwan

is authorized to use the TÜV test mark „Approved Long-Term Stability“ for the product

### Motherboard, Type B85M ECO

based on a result of a successful examination of the temperature profile. By means of calculations and high temperature examinations we certify an increased Mean Time between Failures (MTBF) from 19 years to 25 years.

This certification is based on the test report no. TR01651.

The certificate applies exclusively to the tested model at the time of the assessment and grants the holder the non-transferrable right to use the certification mark shown for promotional purposes for the period of validity.

**This certificate is valid until 31. July, 2015.**

Certificate no. Z2014/1240

Bonn 10th. July, 2014
