REACH | SERVE | TEACH

In 1958, five men embarked on a mission to serve the financial needs of approximately 500 ministers within the state of California. In the 60 years since then, America's Christian Credit Union has been blessed with the opportunity to serve members across the nation as they live out their God-given calling, both individually and corporately. We are honored to see the impact of our mission playing out in transformed lives and thriving communities coast to coast.

America's Christian Credit Union is committed to partnering with organizations to fulfill their God-sized visions by offering financial solutions aligning with Kingdom values. Our award-winning approach to service, coupled with our dedication to excellence has brought us to ever advancing capabilities. We operate wherever our members need us and find innovative solutions to the pressing problems of today, while keeping our eyes fixed on the future ahead.

BETTER INNOVATION

DIGITAL SERVICES & CASH MANAGEMENT

ACH PAYMENTS

Making payments on time is important to you, and we want to help ensure you are set up to do just that. ACH Payments connect you directly to a loan or credit card so that you can enjoy the security of:

- Disburse payments, typically used for direct deposit for employees' payroll, etc.
- Collect payments: i.e. tuition, donations, offerings
- Reduce costs and streamline payments and collections
- Apply multi-layer security controls

FINANCIAL OUTLOOK TOOL

Our innovative Financial Outlook Tool provides annual feedback on an organization's financial reports, allowing a robust view on areas of financial strength and improvement.

- Examine historical trends of key financial ratios in order to align the annual budget
- Utilize the net income goals to help improve cash flow and build reserves
- Identify specific areas where financial strength can be improved

REMOTE DEPOSIT CAPTURE

Streamline your check deposit handling process by using Remote Deposit Capture to process batches of deposits at one time. When you use Remote Deposit Capture, you enjoy the comforts of:

- Same day credit for deposits
- Scanning checks directly to your account
- Deposit reporting tools and analytics

Our host of cash management products operates with the highest standards of security to provide you efficiencies in daily processes. Our services allow you to streamline your check deposit handling process by using Remote Deposit Capture, accept all major credit and debit cards and facilitate mobile giving with merchant services or electronically collect and disburse funds anywhere in the U.S. with ACH origination services. We take care of the little things, so you can focus on the big things.

"The impact of your **INNOVATIVE INVESTMENT** continues to serve as a positive reflection of the credit union industry."

– B. Dan Berger, President & CEO
National Association of Federal-
Insured Credit Union (NAFCU)

MERCHANT SERVICES

Accepting all major credit and debit cards is essential to the growth of your organization. We are pleased to partner with a payment processing solution so you can enjoy the advantages of:

- Convenient point-of-sale terminal processing
