

BearCom Rentals

Who We Are

Headquartered in Dallas, Texas, with 29 branches across the United States, BearCom is America's only nationwide wireless equipment dealer and integrator. We are well equipped to handle all your wireless communications requirements, including sales, rentals, and service.

What Rental Services We Offer

Whether you're shopping for two-way radios or push-to-talk phones to empower your mobile workforce, or you're seeking a wireless networking and surveillance solution to monitor your entire campus or facility for an upcoming event, BearCom can help. Our knowledgeable, experienced rental staff are ready to meet your wireless equipment needs.

BearCom's customer list includes some of the best-known companies and organizations in the country. Not only do we provide two-way radio rentals, we provide solutions and service to our customers including:

- Short-term rentals for events
- Long-term leasing
- Equipment management
- Service and repair
- Custom systems design

How Our Rental Solutions Are Different

At BearCom, we realize that wireless communications can play an integral role in the success of your event. Therefore, reliability and dependability of the equipment and the proposed solution are paramount. BearCom will deliver your equipment on time and in working order, and we will be there to support you throughout your event.

BearCom offers monthly, weekly, and daily rates for rentals, as well as 24/7 customer service, staffing, and technical support. Our dedicated professionals are also available to ensure your rental application is set up and fully supported for optimal performance.

BEARCOM'S

Customized Rental Programs

Some of the more common applications for our wireless rental equipment include events and organizations such as:

- Trade shows and associations
- Fairs and festivals
- Sporting events and concerts
- Petrochemical plant turnarounds
- Corporate meetings and events
- Security operations
- Transportation companies
- Facilities and venues

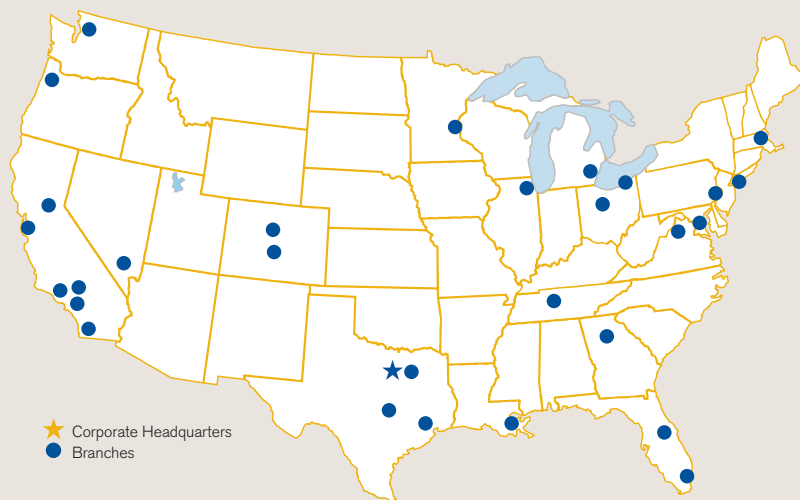

Our extensive rental and leasing inventory includes a number of industry-leading devices, including:

- Analog and digital two-way radios and repeaters from BearCom, Motorola Solutions
- Push-to-talk phones
- IP video surveillance cameras from Panasonic and Sony
