Joining and Participating in an AT&T
Connect[®] Mobile Conference for BlackBerry[®]

Version 2.0

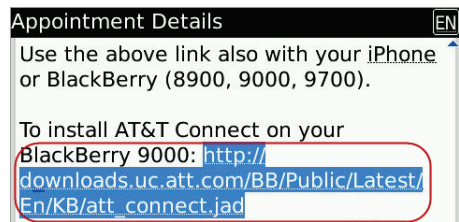

AT&T Connect® Mobile for Blackberry® provides a best-of-breed virtual meeting space that lets you easily share voice and data, using existing Internet and telephone resources.

For Participants and Hosts

Download the Application

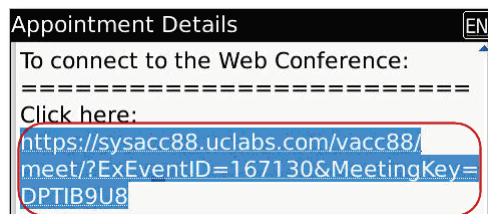

Click the download link in your email or calendar invitation.

You can also download from <http://uc.att.com/support/>.

Join the Conference from Email or Calendar

1. To join the conference from your email or calendar invitation, click the link under To connect to the Web Conference.

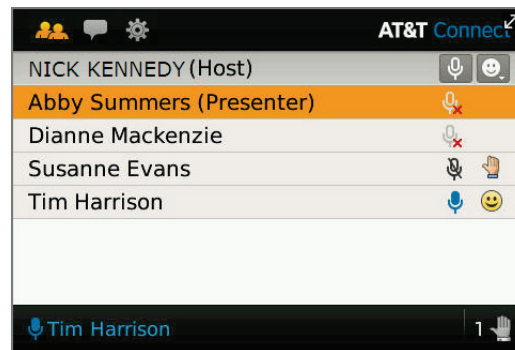

2. If you're running the application for the first time, accept the end user license agreement and then enter your details in the My Profile screen.
3. Click Save to save your details and then continue to enter the conference.

Note As the host you will also be required to provide your username and password. (See instruction for host below.)

Participate in a Conference

When connected, you see the Participants list which displays the names of all the participants who are currently connected to the conference (including you). The participant names are listed alphabetically, and the host and presenter are designated with their titles. Your name is always listed first.

These icons indicate the participants' audio status.

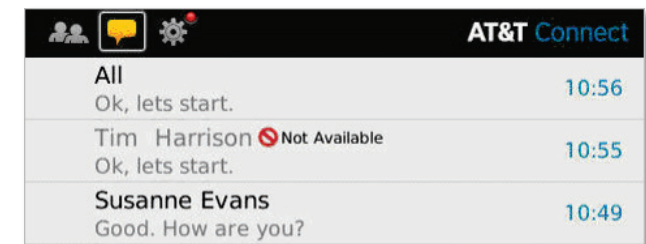

-  Audio not available
- (no icon) Audio available
-  Speaking

The following emoticons give you more information about the participants.

-  Raise hand
-  OK/Agree
-  Disagree
-  Can't hear
-  Confused
-  Clap hands
-  Understand
-  Go faster
-  Go slower
-  Step out
-  Step in
-  Happy
-  Unhappy

In the Participants tab  you can mute/unmute your audio, invite others by email, share emoticons, select a participant and send a note.

In the Notes tab  you can send and receive notes.

For Hosts Only

Set up your Account from Email

Click the activation link in the AT&T Connect registration email.

2. **Activate** the "myAT&T" application. This is your meeting launch pad, a small desktop application that allows you to easily enter your AT&T Connect personal Meeting Room, invite others to your Meeting Room, and more!

Your account details (account address, user name and password) will automatically be set in the application.

Set up your Account Manually

1. From the AT&T Connect application Home screen, click Settings and then click Accounts.
2. From the Accounts screen menu, click Add Account and fill in your account details and click Save from the menu.

Note If you don't remember your username and/or password but know your account address, fill-in the account address and click [Forgot user name and password?](#) An activation link will then be sent to you by email. Click the activation link in the email to

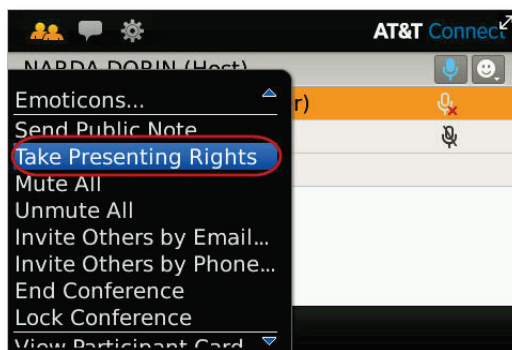

automatically set your account details in the application.

Once your account is set up, as the host you can enter a conference without being asked to enter your username and password again. You can also view and manage your account.
