CONNECT. CREATE. COLLABORATE.

FALL/WINTER 2021

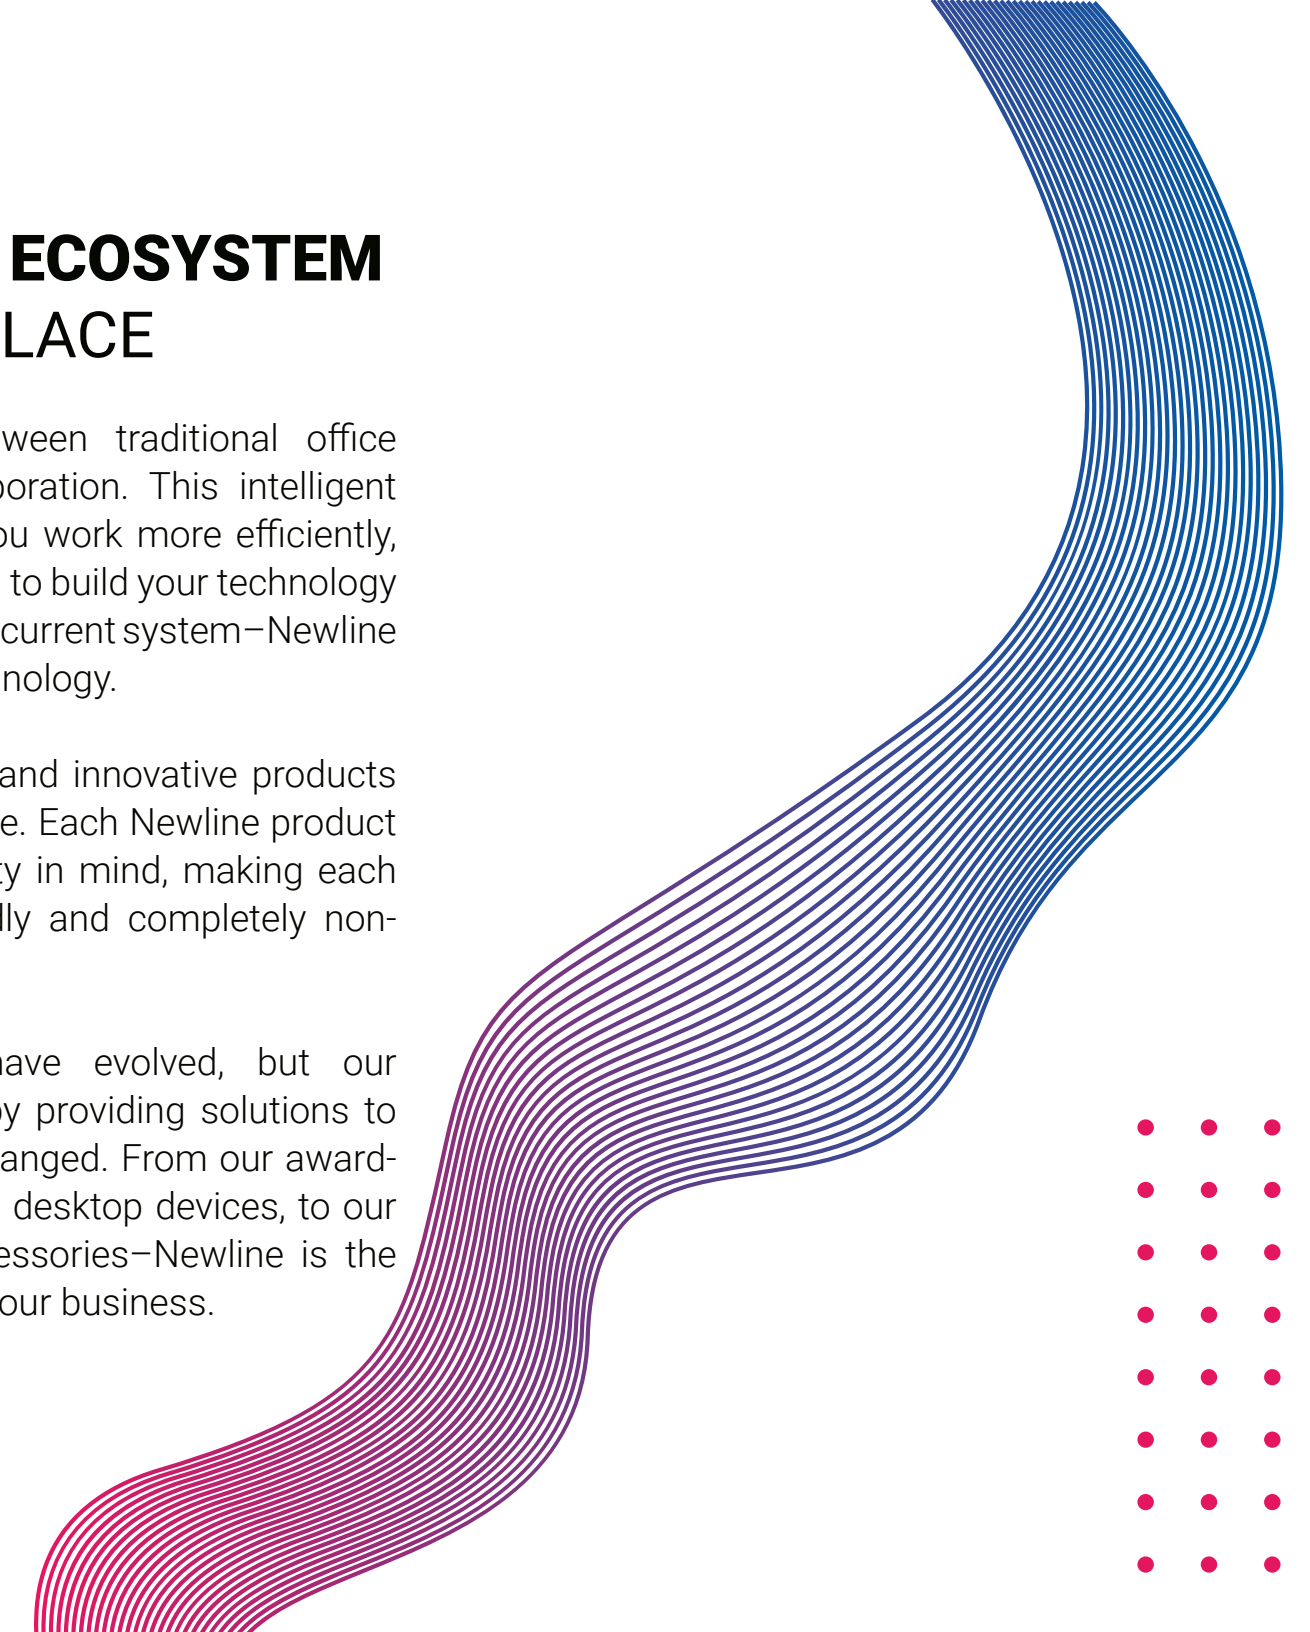

## THE INTERACTIVE **ECOSYSTEM** FOR YOUR WORKPLACE

Newline bridges the gap between traditional office collaboration and virtual collaboration. This intelligent and flexible workspace helps you work more efficiently, faster and better. With the option to build your technology ecosystem or integrate with your current system—Newline streamlines your workplace technology.

We believe that truly impactful and innovative products should be easy for anyone to use. Each Newline product was purpose-built with simplicity in mind, making each interactive flat-panel user-friendly and completely non-proprietary.

The work landscape may have evolved, but our commitment to your success by providing solutions to your everyday needs has not changed. From our award-winning interactive displays and desktop devices, to our cutting-edge software and accessories—Newline is the premier technology partner for your business.

# TRANSFORM YOUR WORKPLACE

Newline is a one-stop shop for business. Our all-in-one solutions and accessories give you all the innovative tools you need.

Newline focuses on creating products that help you work more efficiently. From our award-winning and easy-to-use interactive touch panels, to our innovative desktop solution and wide range of software, Newline has everything you need to bring in-person and remote work success into your business.

## Easy for Anyone to Use

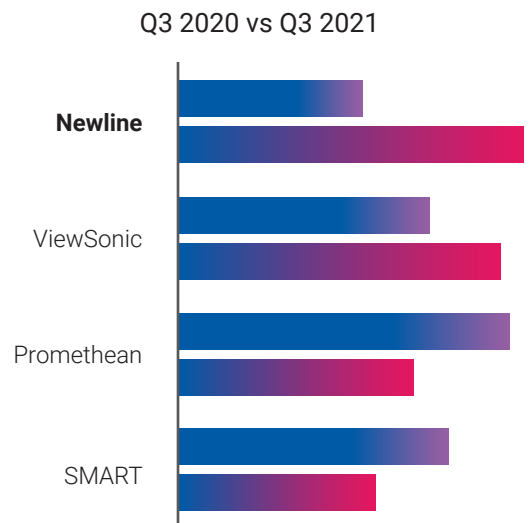

If a solution isn't easy to use, we won't bring it to the market. All of our products are designed with you in mind and it is the key to our success.

## Completely Non-Proprietary

We work in your world. No matter what software or hardware you want to use, our solutions give you the freedom to collaborate how you choose.

## Newline is Number 1!

Newline is the largest manufacturer of interactive displays in the United States. Our business model keeps us growing like none other.

\* Data provided by 2021 Futuresource Consulting Ltd

**“We Help Your Business  
Make an Impact”**

## We Own the Factory

Newline has complete control over product improvements and how much is produced. We listen to our clients and their needs to make sure the products we provide help them succeed.

## Well-Stocked Local Warehouses

With warehouses in strategic places across the country, Newline gets displays to their destination faster than ever with same and next day shipping. You'll never have to worry about if Newline can fill an order.

# Q Series

## Modern Connectivity

Avoid adapter mishaps and incompatibility. The Q Series has the latest I/Os such as USB-C (with power), Bluetooth, and WiFi.

## Embedded Whiteboard

Make the best use of virtual/hybrid meetings with a feature-rich whiteboard. Import docs, images, and videos in one app.

## Newline App Store

Don't sacrifice the tools already in use. Download your project management, meeting, and news apps compatible with touch.

**New to the market!** Your team has varying levels of needs, so naturally your office hardware must be equipped to meet that demand. Connectivity that matches your personal devices, displays to rival even the best televisions, and integration that makes for a seamless transition. Leverage the power of the Q Series for today's complex collaboration landscape.

# RS+ Series

Collaboration is important to your team. You desire to build spaces that foster efficient, digital communication. Your checklist consists of dependable connections, the ability to share wirelessly, digital whiteboarding, and a low learning curve. Check all the boxes with the RS+ Series collaborative touch screen. It brings teams together and working sessions to life.

# NT Series

## Advanced Remote Control

Non-touch doesn't mean limited screen control. The provided double-sided remote is equipped with an air mouse and QWERTY keyboard.

## Digital Signage Management

Save time with pushing out OTA updates, mass notifications, and rotating messages through remote display management.

## OPS Computer Enabled

Upgrade your digital screen with an optional OPS on-board computer. Unlock exponentially more functionality when conducting meetings.

Newline also offers a non-touch display solution for your presentation halls and signage. Your office runs non-stop and so can your technology. The commercial-grade design allows the NT Series to run continuously 24/7. Ensure the highest quality visual presentations and digital office signage with Newline's NT Series non-touch display.

# FLEX

Seemingly overnight physical paperwork and in-person meetings became antiquated workplace concepts. Navigate the new workplace environment with ease. The Newline Flex helps you attend meetings, review documents, and collaborate from one device, in office or remote. Don't put your laptop away just yet, thanks to easy connectivity, but you can ditch the charging cable!

27" All-in-One Appliance

Powered USB Type-C w/ 60W

8 Mic Array & Echo Cancellation

Active Pen w/ Palm Rejection

2.1 Channel Speakers

## Product Part Numbers

FLEX

## Plug & Play Design

Plug in your laptop with just one cable and activate touch functionality. No drivers to install\* and connectivity is instant.

## Tilt & Turn 4K Camera

Show up to video meetings with confidence and communicate with less strain. With a versatile 4K camera, remote communication improves.

## Capacitive Touch

What is a touch screen device without superior interactivity? Second nature writing and responsive touch relieves you from the mouse!

\*touch drivers must be installed for Apple products.

# SOFTWARE SOLUTIONS

## SUPERIOR QUALITY

Newline's dedication to providing the complete solution to the workplace needs does not stop with the hardware. Our software solutions round out the ecosystem with tools that provide superior synchronous and asynchronous communication support.

Always evolving and always updating, many of these solutions are pre-installed on the Newline flat panels.

Talk with your Newlines Sale Manager to determine the best software package for your organization's needs.

## LAUNCH CONTROL

### All-In-One Meeting Solution

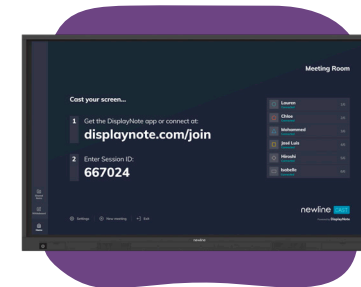

- ✓ Walk up and start your meetings with a one-touch solution that keeps your computer and network secure.
- ✓ Easily access approved apps, view the room's calendar, and start a videoconferencing call - all with one button!

Launch Control supports:

## CAST

### Wireless Screen Sharing

- ✓ Easily share your screen from any device.
- ✓ Newline Cast is simple to use, with one click you can present wirelessly from any network.
- ✓ Control and annotate from the Newline display or from your own device all with the freedom to walk around the room.
- ✓ Present up to 4 screens simultaneously.

## BROADCAST

### Content Sharing

- ✓ Tap one button and share your display screen with team members who may not be able to see the display clearly.
- ✓ They can follow along on their own personal screen, reducing eyestrain and making sure everyone gets the most out of the meeting and presentation.

## DISPLAY MANAGEMENT PLUS

### Remote Management

- ✓ Centrally manage your Newline interactive displays from any location through a secure and dedicated web portal.
- ✓ Easily manage and deploy apps and configure Newline display settings.
- ✓ Use the digital signage features or broadcast messages to all displays.

CAMERAS

Connect Your Team to the World

Complete your Newline ecosystem with the perfect camera and mic set. An easy-to-install camera instantly prepares you for your important video meetings, virtual presentations, or hybrid meetings. Save yourself from countless hours of research on “the best camera”. The best options for your Newline display are right here! Discover the perfect fit for your team.

ON-BOARD COMPUTERS

Plug & Play Computers for Your Display

Upgrade your operating system to a dedicated Intel-powered computer. Bypass connecting or casting a laptop with the integrated OPS. Fill your display's OPS slot with an on-board computer that brings you all the power of a desktop computer right to your display. As your organization continues to grow and demands more power, the OPS is easily swappable for a more powerful version.

T1V provides a hardware wireless casting solution, along with other multi-touch applications that work with Newline displays.

# FROM OUR CUSTOMERS

**John O'Hara**  
*Director of Technology*  
*National Flight Academy*

"The 28 Newline touchscreens have been instrumental in setting the immersive tone at the National Flight Academy. Our students depend on these touchscreens as they plan, brief and coordinate each of their missions. The National Flight Academy has been extremely pleased with their performance."

**Tom Eifler, Jr.**  
*President*  
*Eifler Advisory Group*

"With the whiteboard feature, to be able to actually talk about ideas and concepts, I feel like people are very visual, so if you can draw it out and show it to them, it really settles in and helps them understand."

**Eric Matthews**  
*Director of Information Technology*  
*City of Allen*

"Newline panels provide a consistent, high-quality conference room and video conference experience for our employees that is simple to use."

**Jay Arbetter**  
*Senior Vice President*  
*UBS Financial*

"Newline has significantly improved communication with our clients. The more clear our communication, the stronger relationships we build to grow our business."

## A FEW OF THE GREAT COMPANIES WE WORK WITH:

# OUR AWARDS

Each year, Newline shatters it's goals and gets recognized for it. Trust a brand that consistently receives accolades from industry experts on innovatie design, relevant product features, and company growth.

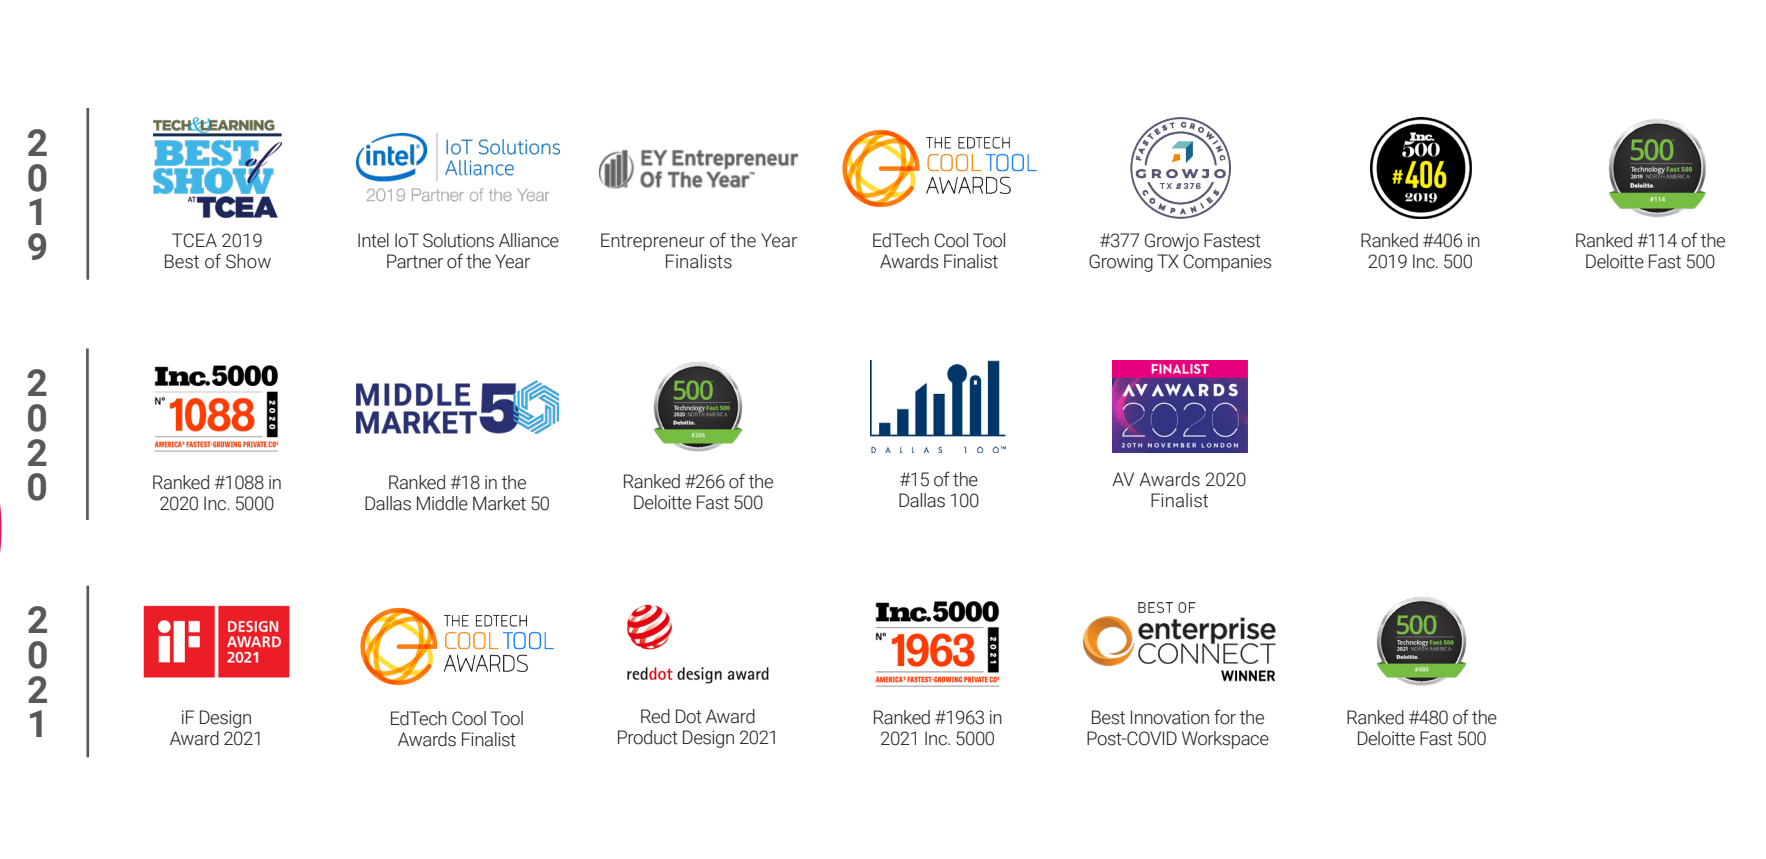

## Stability

With steady three-year financial revenue growth, you don't have to worry that the company you're working with will go out of business anytime soon. They'll be able to continue honoring warranties and providing you service for years to come.

## Security

A proven track record of success means you don't have to worry about receiving anything less than the best. An Inc. 500 ranked company will make sure you are taken care of and satisfied.
