

COVID-19 VACCINE *Timeline*

ADDITIONAL DETAILS:

- The vaccine distribution process is subject to availability and controlled by the state government. Information is constantly changing, and we will attempt to provide the most current and up-to-date information as soon as it becomes available.
- This timeline is based on information as of 12/10/20. These details may change as new information becomes available.
- In order to receive the vaccine at one of our Arbor Company community clinics, residents must have financial possession and be present at the scheduled time of the vaccine. Vaccines will only be distributed during these pre-scheduled clinics.
