#1 **RATED**
BATTERY
PLATFORM

OUTPERFORMS AND OUTPOWERS GAS

It's no wonder EGO is the #1 battery-powered platform in the industry according to leading consumer reports publications. Every tool in our platform delivers or exceeds the power of gas—without the noise, fuss, or fumes. Our patented ARC Lithium[™] technology makes the EGO Power+ platform the most advanced in the industry. You get the power of gas and longer run times no matter which EGO tool you use. In every season, for any outdoor challenge, count on EGO tools to deliver the power, performance, and innovation you need.

All EGO POWER+ products come with a 5-year warranty on tools and a 3-year warranty on batteries. The warranty for commercial users is 2 years. See all the details on our website.

Unprecedented cordless power and performance

Featuring the most advanced battery technology, EGO matches or surpasses the power of gas—running longer and performing better.

Industry leading design

Powered by collaboration and innovation, we create and patent advanced and industry-leading products unlike anything else to provide Power Beyond Belief[™].

Quality materials and construction

Designed to handle the toughest conditions, we use genuine parts to ensure compatibility and quality.

Ease and convenience of design

Designed with the user in mind, all EGO tools offer an ergonomic design for superb balance and ultimate comfort.

ZERO COMPROMISES TO CONVERT TO BATTERY

PLATFORM COMPATIBILITY

56V ARC Lithium™ Batteries power all 50+ EGO tools

CONVENIENT STORAGE

Unlike large, heavy gas equipment, the EGO POWER+ fold-flat design makes storage, cleaning and transportation simple

RELIABLE SET UP AND STARTING

No filling up with fuel; with EGO POWER+ just click in the battery and get to work

LOWER RUNNING COSTS

The cost of running an EGO POWER+ product for a month is the same as using a two-stroke product for a day and has longer life cycles

SAVE TIME

No more trips to the gas station – with the industry's fastest charge times, EGO Arc Lithium™ batteries can be recharged in as little as 25 minutes

LESS NOISE AND VIBRATIONS

EGO Power+ tools operate at lower noise and vibration levels than traditional gas-powered tools

ENVIRONMENTALLY FRIENDLY

With zero emissions during use, EGO ARC Lithium™ batteries provide gas-matching power without the fuss and fumes

THE MOST ADVANCED TECHNOLOGY IN THE INDUSTRY

Innovation. It's not just about the big idea. It's about the work you put in. The details. And pushing forward until you've created something unlike anything that has come before it. That's EGO. That's Power Beyond Belief.™ The technology used in the EGO POWER+ system breaks the mold. It begins with EGO's 56V ARC Lithium™ battery. Unlike other battery packs, which are shaped like bricks and retain heat, ours follows a patented "arc" design. Inside, we developed the most advanced software-management system ever created in a lawn and garden product. And our proprietary Keep Cool™ cell technology works with each battery cell to maintain long-lasting power and unmatched performance. The EGO POWER+ system also boasts a revolutionary charging system. In just 30 minutes, a depleted battery can be fully recharged: another first in the lawn and garden world. Power Beyond Belief starts with better technology. That's what puts EGO's power, performance and durability on a whole new level.

BETTER PERFORMANCE IS BUILT IN

No matter which EGO battery you choose, you'll get:

- Protection from drops and the elements, thanks to our shock-resistant design
- Our patented power management system to maximize power and runtime
- Revolutionary phase-change material that keeps cells running cool
- An integrated fuel gauge that shows you how much power is left
- A three-year limited warranty

ARC LITHIUM 56V™

WHAT MAKES EGO SUPERIOR? INDUSTRY'S MOST ADVANCED TECHNOLOGY

BATTERY EXPERTISE

Over 25 years' experience in developing best in class batteries in-house

SHOCK-RESISTANT DESIGN

EGO's sealed and shock-resistant design protects batteries from drops and the elements—guaranteeing the highest level of performance and durability.

INTELLIGENT POWER MANAGEMENT

EGO's intelligent power management monitors and optimizes each individual battery cell to maximize power, performance, and run time.

56V ARC LITHIUM™

EGO's ARC Lithium™ design keeps the battery from overheating and your equipment running longer at full power.

KEEP-COOL CELL TECHNOLOGY

Each cell of the EGO POWER+ battery is surrounded by revolutionary phase-changing material that pushes heat away.

TURBO CHARGER

- Industry's Fastest Charger
- Connect to app for charging status and notifications

FROM EMPTY TO FULLY CHARGED, IN JUST 30 MIN

With a range of battery sizes available from 2.5Ah to 10Ah, you can choose the power you need to tackle any task. When it's time to recharge, the EGO POWER+ Turbo Charger is the fastest on the market. The intelligent battery control system constantly monitors each cell's charge and temperature to deliver the most efficient and quickest charge.

Plus, the fan-cooling system allows the battery to start charging sooner and finish faster. As a result, the time it takes to refuel the battery is often less than the run time you get from a full charge. In fact with the turbo charger, the 4.0Ah battery takes just 30 minutes. So with two batteries on the go, you'll have all the power you need, all day long.

POWER WHEN YOU WANT IT POWER WHEN YOU NEED IT

A true alternative to compact gas generators

Say goodbye to the gas generator. The EGO Nexus Power Station can harness the power of any EGO battery to deliver clean, quiet power—indoors or out.

The Nexus Power Station is the first portable power station of its kind. Use in a power outage to plug in your refrigerator so the food does not spoil or plug in your microwave to cook the family a quick dinner. Bring the power station anywhere you do not have convenient power, like camping, hiking, boating, tailgating; the possibilities are endless.

Z6

POWER LIKE NO OTHER

The EGO Power+ 42" Z6 Zero Turn Riding Mower is a ZTR like nothing else out there. Featuring Peak Power™+ technology, it can hold up to 6 EGO 56V ARC Lithium™ Batteries – the same battery technology powering all EGO products, making it the World's First Platform Compatible Rider. Delivering 22 horsepower, equivalent to a gas engine, and reaching a top speed of 8 MPH, the Z6 covers up to 2-acres on a single charge with four 10Ah batteries (included). Fully expandable! Add more batteries to cut 3, 4, 5 or as many acres as needed – unlike any other battery-powered ZTR in the market. The Industry's Fastest Charger fully charges 4 x 10Ah in just 2 hours, 4x faster than competitors. The 4 independent brushless motors deliver the power and performance of gas with an adjustable hydraulic seat suspension for a comfortable mowing experience. Customize the ride with a LCD interface featuring 3 driving modes: Control, Standard, and Sport – that can be accessed with the simple touch of a finger. Premium features like LED lights, USB charging port and Bluetooth come standard to make the experience unlike any other ZTR. Experience zero-turn mowing like never before with the all-new EGO Power+ 42" Z6 Zero Turn Riding Mower – Power Like No Other.

INDUSTRY'S #1 RATED CORDLESS LAWN MOWERS

5 YEAR
Warranty

The EGO POWER+ 21" Select Cut™ XP Self-Propelled Mower delivers 8.3 ft-lb of torque that exceeds the power of gas. The Select Cut™ Multi-blade Cutting System is equipped with three, interchangeable lower blades; the Mulching Blade, High Lift Bagging Blade and Extended Runtime Blade.

EGO's Self-Propelled Touch Drive™ Technology comes from years of research and development. Touch Drive™ Technology puts complete control of the self-propelled system in the palm of your hands by using pressure to engage the system.

Easily control the variable speed with a dial positioned at your fingertips for safe and convenient operation.

The Select Cut™ XP harnesses the power of the industry's most advanced 56 Volt 10.0 Ah ARC Lithium™ battery by delivering 75 minutes of cutting time on a single charge.

WORLD'S FIRST SELF-WINDING STRING TRIMMER GET BACK TO WORK IN SECONDS

With a large cutting swath to cut any task down to size, the EGO POWER+ String Trimmers feature an adjustable handle for optimum balance and control.

The soft-start function and constant-speed control ensure consistent trimming and on a single charge, and the ARC Lithium™ battery gives you all the power you need to tackle the toughest conditions.

Other features include variable speed, easy line replacement and dual-line trimming for faster cutting and lower vibration, while the free-rotating bump head lets you rest the cutting head on the ground without it being worn away.

MORE POWER THAN A HANDHELD GAS BLOWER

Powered by a high-efficiency brushless motor, the EGO POWER+ Blowers feature jet turbine technology and a large diameter tube to give maximum airflow.

The variable-speed function is designed to keep you in control, even in Turbo Boost mode that's capable of pushing air up to 180 MPH, depending on the model. That's more than most hand-held gas blowers on the market and that's enough power to clear up even the biggest windfall.

POWER OF GAS WITHOUT THE NOISE, FUSS AND FUMES

It moves air at a staggering 600 CFM: the EGO POWER+ Backpack Blower is the industry's most powerful. With up to 120 minutes of run time, 50% less weight than gas models and eight times quieter, the EGO backpack blower blows all gas blowers away.

Equipped with a premium brushless motor and turbine fan engineering, the Backpack Blower is one of a kind. Adjust the waist belt and tube for your needs and comfort. Harness industry leading ARC Lithium™ technology to clear your lawn.

POWER TO REACH NEW HEIGHTS, THE NEW EGO POWER⁺ MULTI-HEAD SYSTEM

With a single power unit and many different attachments, it's easy to see why the EGO POWER+ Power Head System is a very handy tool to have around. The simple and secure tool-free coupling makes switching attachments quick, easy and safe. And with our innovative 56V ARC Lithium™ battery supplying all the power you need, you can breeze through a variety of jobs without the fuss or fumes and with less noise than traditional gas-powered tools. Plus the extension pole gives you the reach to tackle any height.

ATTACHMENTS AVAILABLE:

- Extension pole
- Pole saw
- String trimmer
- Hedge trimmer
- Edger
- Cultivator
- Bristle brush
- Rubber broom

TOOL-FREE CHAIN TENSIONING AND DURABLE BAR & CHAIN

WORLD'S FIRST AUTO TENSIONING TECHNOLOGY

5 YEAR
Warranty

The EGO POWER+ Chain Saws are built tough to tackle even the hardest jobs. Trunks, logs, branches—nothing gets in its way.

The tool-free chain tensioning makes set up and adjustment simple. Check the lubrication level through the oil inspection window and you're ready to go.

It really cuts it when it comes to safety, too.

The chain kickback and electric brake protect you while you work. And the auto-lubrication system keeps the chain spinning freely at all times.

Plus, with EGO's 56V ARC Lithium™ battery delivering such impressive run times and incredible power on a single charge, it'll keep you working cut after cut after.

TAKE ON ANYTHING WINTER THROWS AT YOU

5 YEAR
Warranty

Introducing the new EGO POWER PLUS 2-Stage Snow Blower - a heavy-duty workhorse with unmatched power from the number-one-rated brand in cordless outdoor power equipment. Peak Power™ technology combines the power of any two EGO 56V ARC Lithium™ batteries to tackle the toughest snow conditions and what the snowplow leaves behind with ease. Get the job done quickly with the 24 in. clearing width and 20 in. intake height to push through even the heaviest of wet snow. 4 LED lights make it easy for use in early morning or evening. On just a single charge, this self-propelled snowblower can clear up to 8 inches of dense snow from an 18-car driveway before launching it 50 feet in the direction of your liking. And heavy duty, thick-tread tires make commanding your way through a whiteout effortless. The all new EGO POWER PLUS 2-Stage Snow Blower - the power and performance of gas without the noise, fuss or fumes.

**STARTS THE
FIRST TIME,
EVERYTIME,
EVERYWHERE**

5 YEAR
Warranty

Featuring Peak Power™ technology the EGO POWER+ Snow Blower combines the power of any two EGO 56V ARC Lithium™ batteries for superior clearing power, even heavy, wet snow. Built with a high-efficiency brushless motor and a 21-inch-wide intake it can handle it all, even what the city snow plow leaves behind.

Easily adjust the variable-speed auger to control how far the snow is thrown, up to 40 feet, for maximum control. A robust, handle-mounted chute-adjustment lever puts the user in control when re-directing the snow up to 180 degrees from side to side. Two bright LED headlights make it convenient for use early in the morning or at night and the robust steel chassis is built for aggressive use in demanding conditions.

POWER+ COMMERCIAL SERIES

POWER FOR PROS MEET THE COMMERCIAL SERIES

When we created our EGO POWER+ commercial series we set our standards high. Not content with developing a range of tools that redefined what cordless tools can do—we looked to deliver power and performance that exceeds their gas-powered equivalents

Designed to work harder, all day every day, in the most challenging conditions. This series of high-spec tools and backpack battery take gas-free working to a whole new level, ensuring productivity levels remain high.

***SUPER TOUGH.
SUPER POWERFUL.***

Built to last and last

All tools in the commercial series are engineered to last longer, so you can cut maintenance time down to size. And because they are quieter and lighter with no fumes and less vibration, you can work comfortably for longer.

New series, same compatibility

EGO is a name you can rely on. With a history of cordless power innovation, we know the ability to mix and match batteries, backpacks, harnesses and tools is vital. This level of complete flexibility continues with the commercial series.

LESS VIBRATION, LESS NOISE, MORE USER FRIENDLY

Power through any job without the excess physical stresses and strains associated with heavy, noisy and vibrating gas-powered tools

A big benefit of choosing EGO's low-vibration cordless tools is how they help users avoid the risk of Hand-Arm Vibration Syndrome (HAVS). Also known as "Vibration White Finger" it causes painful and disabling disorders of the blood vessels, nerves and joints.

Designed so you can work comfortably all day long

With a smooth brushless motor and fewer moving parts, all EGO POWER+ tools have been designed to operate with low levels of vibration, often under the 2.5m² Exposure Action Value limit (EAV) and well below the Exposure Limit Value (ELV).

This allows you to comfortably work with them all day long without any risk to your health. So, choose EGO POWER+ and protect yourself every working day.

They are much quieter, too

Let's face it. Gas tools are noisy, and daily exposure can lead to hearing loss and also tinnitus, a permanent ringing sensation in the ears. Fortunately, the EGO POWER+ range is much quieter than gas-powered alternatives reducing the risk of potential damage, especially over long-term use.

Operating noisy equipment can also lead to an increase in work-related stress. Many factors are known to contribute to this condition and rarely there is a single cause. However, because EGO POWER+ tools operate at lower sound levels, the working environment is quieter and less stressful for the user.

POWER+ BACKPACK BATTERY

**BACKPACK BATTERIES
THAT WORK AS
HARD AS YOU DO**

Team up your EGO POWER+ tools with one of our lithium-ion backpacks

Balancing exceptional power with user comfort, EGO's lithium-ion BAX1501 backpacks are ergonomically designed to keep you working all day long. The battery pack can be removed from the harness* allowing the battery to be shared among multiple users, each with their own harness.

To ensure optimum performance, efficiency and longevity, these high-energy capacity batteries incorporate intelligent individual cell monitoring and balancing, both when powering a tool and when recharging.

Designed to perform, built to last

Delivering the run times you demand, EGO POWER+ backpack batteries can give you a full day's work** from a single charge. The high-quality cells with both high power rating and high energy density can handle up to 1,000 charge cycles. Plus, with fast recharging you can go from empty to full in just 3.5 hours.

Flexible performance

With long run times and user-comfort, EGO POWER+ backpack batteries are perfect for all-day use. They're compatible with all EGO POWER+ tools, and as the battery is on the harness and not the tools, they are lighter and even easier to handle.

BAX1501 COMMERCIAL BACKPACK BATTERY

56V 28Ah lithium-ion backpack battery that provides the same power as 80% of gas products, all minus the noise, fumes and vibration, of course

STRING TRIMMER

THE TOUGH ANSWER TO ROUGH GROUND

Perfectly balanced for comfortable use, the EGO Power+ Commercial String Trimmer make short work of even the roughest ground; power comes from EGO's Commercial Backpack Battery and the ready-for-anything 2,000-watt motor

All this is channeled through the light yet amazingly strong carbon fiber shaft. Unlike alloy shafts, it won't bend and lose its shape over time, keeping vibration levels to a minimum.

STX3800 COMMERCIAL STRING TRIMMER

Leave the fuss and fumes of gas behind with this powerful, pro-standard tool. Pair up with our Commercial Backpack Battery BAX1501 for all-day power and comfort.

	STX3800
CUTTING WIDTH	
– Line trimmer head	15"
TOTAL LENGTH	73" / 6'
RUN TIME* WITH BAX1501 BATTERY	With trimmer head Up to 300 mins
SPEED CONTROL	Constant variable speed
NO LOAD SPEEDS	5700 rpm
SOFT-START	Yes
LINE DIAMETER	.095" - 1.0"
LINE FEED	Manual wind bump feed head
DUAL LINE	Yes
ROTATING DIRECTION	Counter-clockwise
AUXILIARY HANDLE	Loop handle
HARNESS	Hip pad (AHP1500)
WEIGHT	14.3 lbs
MOTOR TYPE	Brushless
	With trimmer head
VIBRATION (M/S ²)	1.9/1.5

*Run time may vary and depend on the battery used, charge level of battery, condition of grass and user's operation technique.

POWER+ COMMERCIAL
HEDGE TRIMMER

***STAYS SHARPER
RUNS LONGER.***

**MAKES
CUTTING
HEDGES
SHORT WORK**

Designed for professionals, the Commercial Hedge Trimmer is precision engineered to tackle the toughest hedges with ease

Powered by the gas-matching Commercial Backpack Battery, a single charge delivers impressive run times. The smooth and quiet brushless motor and gearbox give you all the power you need, without the vibration, fumes and noise of a gas engine.

Blades that stay sharper for longer

The high-quality EGO POWER+ blades are made from laser-cut steel with diamond-ground edges, which are laser-hardened to stay sharp longer than conventional blades.

25" BLADE LENGTH
WITH 1" CUTTING CAPACITY

HTX6500 COMMERCIAL HEDGE TRIMMER

Powerful, smooth and perfectly balanced, the dual trigger system provides enhanced user comfort and safety. Making it perfect for any job, big or small.

	HTX6500
BLADE LENGTH	25"
CUTTING CAPACITY	1.3"
BLADE GAP	1.3"
RUN TIME* WITH BAX1501 BATTERY	Up to 420 mins
SPEED CONTROL	One-speed
NO LOAD SPEEDS	3600 spm
BLADE TYPE	Double-sided cutting
CUTTING ACTION	Dual action; double-sided cutting
BLADE TIP PROTECTOR	Yes
ROTATING HANDLE	No
WEIGHT	8.5 lbs
MOTOR TYPE	Brushless
VIBRATION (M/S ²)	3.2/3.9

*Run time may vary and depend on the battery used, charge level of battery, condition of hedge and user's operation technique.

POWER+ COMMERCIAL
TOP HANDLE SAW

INDUSTRY'S MOST POWERFUL TOP-HANDLE CHAINSAW

Introducing EGO's arborist-specialist tool. The top Handle Chainsaw is designed to tackle the challenges of all-day professional use and deliver the power of gas at 37.7CC that lasts up to 265 cuts.

With industry-leading ARC Lithium™ battery technology at its heart, the Top Handle Chainsaw provides unrivalled power, torque and chain speed, while benefiting from longer run times and fast recharge. And with no pull-chord, no need to run the tool in idle and no hot exhaust, switching to EGO ARC Lithium™ power makes more sense than ever.

A unique Chain-Brake Safety System is a cutting-edge combination of mechanical and electronic technology reducing the risk of injury, stopping the tool's motor faster if kickback occurs.

CSX3000/CSX3003 COMMERCIAL TOP HANDLE CHAIN SAW

Designed to deliver best-in-class power, torque and chain speed for the professional arborist

	CSX3000
BAR LENGTH	12"
CHAIN SPECS	3/8" Pitch / .043 Gauge / 45 Links
AMP HOURS	5.0 Ah
CHAIN SPEED	20m/s
WEATHER RESISTANCE	IPX4
TOTAL BATTERY CAPACITY	280Wh
CUTTING CAPACITY	Up to 265 Cuts (with 5.0Ah Battery)
AUTO-TENSIONING	No
AUTOMATIC OILING	Yes
CHAIN KICK BACK BRAKE	Yes
WEIGHT	7.7 lbs
MOTOR TYPE	Brushless
BUCKING SPIKES	Metal
LED'S	Yes

*Number of cuts may vary and depend on the battery used, charge level of battery and user's operation technique.

POWER+ COMMERCIAL
BLOWER

OUT POWERS GAS-POWERED BLOWERS

Setting a new standard for blowers, the LBX6000 is the most powerful handheld blower on the market; delivering more blowing time, more comfort and more power than gas

With the ability to blow over 600 CFM of air per hour on Turbo Boost mode, the leaves and the competition don't stand a chance.

LBX6000 COMMERCIAL BLOWER

Designed to be used with the Commercial Backpack Battery BAX1501, this powerful blower is light and easy to handle. Plus, the smooth brushless motor reduces vibration and noise compared to its gas-powered equivalents

	LBX6000				
CONSTANT SPEED	Yes				
RUN TIME* WITH BAX1501 BATTERY	Level 1	Level 2	Level 3	Level 4	Boost
	Up to 350 mins	Up to 210 mins	Up to 140 mins	Up to 100 mins	Up to 70 mins
AIR VOLUME	Max = 600 CFM				
AIR SPEED	130 MPH				
FORCE (MAX)	20N				
SPEED SETTING	4 level settings and boost				
WEIGHT	5.9 lbs				
MOTOR TYPE	Brushless				
VIBRATION (M/S ²)	1.167				

*Run time may vary and depend on the battery used, charge level of the battery and user's operation technique.

WARRANTIES YOU CAN RELY ON

At EGO we pride ourselves on manufacturing products that are not only innovative and easy to use, but reliable and robust, too. And however unlikely our products are to go wrong, it's good to know that all our products are covered by a warranty* you can rely on. All EGO POWER+ tools come with a 2-year warranty and batteries come with a commercial user 2-year warranty.

The support of our service dealer network

With a nationwide network of EGO approved service dealers, you're never too far from the support you need. From selecting the most suitable tools for your needs to providing an outstanding after sales service, get great face-to-face advice whenever you need it.

Original spare parts

We're here to keep your tools running for years to come. We can provide the spare parts to extend the life of the tool.

Committed to quality

We're one of the biggest power tool manufacturers in the world with over 5,500 employees and over 10 million units manufactured each year. To make sure our tools combine gas-matching power with the ease of use and reliability you need, we've invested heavily into research and development to become one of the world leaders in battery technology.

Our advanced manufacturing process is highly digitalized and automated to ensure the consistent high quality and performance of our tools.

*For defects caused by material or manufacturing fault. This does not cover wear and tear.
