A \$100 Deposit will be required to process service request. Service will be processed in order in which it is received with deposit and signed contract. We will schedule your opening as close to your requested date as our schedule and weather permits.

Customers will receive a call from Angie the week prior to confirm services and day of service.

Note regarding swimming pool openings...

Pool owner is responsible to remove all water and debris from the pool cover before day of service. If you request Fun Center Pools to do this for you, arrangements must be made at time of scheduling service. We may be forced to reschedule your opening if the following is not ready the day of service. We need all plugs, baskets, gauges, ladders, handrail, etc. out by the pool on the day of service. If a second trip is required to complete service there will be an additional fee. Pool vacuuming and/or cleaning is **NOT** included in pool opening services.

Have water level raised to operating level (Beat the rush and order your water early).

The water can be raised weeks prior to opening day.
