Welcome to:

Dear Customers,

In today's fast paced technological world, we understand that our customer's requirements and expectations are greater than ever. That is why we provide only the highest quality long-life batteries and accessories for virtually every portable and stationary electronic application.

I would like to take this opportunity to thank all of you for making our fall/winter catalog a great success. We have added many new listings to our Spring/Summer catalog, however, if there is an item you are unable to locate, please call us. One of our knowledgeable sales associates is always available to help.

Our ongoing commitment to provide you with quality, technical knowledge, customer satisfaction, extensive on-hand inventory and very competitive prices has kept us a leader in this industry since the beginning. Our mission is to continue to provide you with all of this, and with what we believe to be of utmost importance, **superior service with a smile :)**

We look forward to being of service to you.

Sincerely,

A stylized, handwritten signature in black ink, appearing to read 'Didier J. De Nier'.

President/CEO

We care about the environment. That's why the RBRC logo is on our Ni-Cd batteries and packaging as proof that a license fee was paid to the RBRC. The Rechargeable Battery Recycling Corporation (RBRC) is a non-profit public service corporation that administers a collection and recycling program in the USA and Canada for Ni-Cd batteries.

Fast Shipping

Orders received by 4:00 p.m. PST are generally shipped same day. Unless you request otherwise, all orders are shipped via UPS ground service. Other UPS shipping services available include 3 day select (orange), 2 day air (blue), next day air (red), and Saturday delivery. At your request we can also ship Federal Express and Airborne Express. All shipments are generally F.O.B. shipping point pre-pay and add to invoice.

Special Orders and Rebuild Service

Our goal is to provide you with the exact battery you need. In those rare cases where your battery just is not available we may be able to special order a battery for you or rebuild your existing battery. For assistance, simply call 800-234-2444.

Cross Reference and Price Quotes

When calling in, please provide us with as much information as possible, i.e. make and model of computer, original battery part number, voltage, capacity rating and battery chemistry. If you have supplied us with the above information and we still cannot identify the battery you need, fax us a photocopy of the battery at 805-527-8336.

Back Orders

We will notify you at time of order if an item is not in stock and give you an expected delivery date.

Returns

Should you need to return a product, call our customer service department at 800-234-2444, and request an RMA number. Requests for RMA's must be made within 30 days of original invoice date. Returned product must be in "like new" saleable condition. Returns may be subject to a restocking fee of at least 15%. All returns must be received within 30 days of the RMA date. Returns arriving C.O.D. will be refused. Shipping, handling and C.O.D. fees are non-refundable.
