INTRODUCTION

[INDIA VEDIC STORE](#) has received many requests for Pujas which can be performed by competent professional priests, but which the person desiring the Puja may not be able to physically attend. We are now glad to announce that this service is available for a few select Pujas. Once the specific Puja has been ordered, our priest will determine the most auspicious date or dates it can be performed upon. Our Brahmin priest will be your representative for the Puja. All Pujas will be overseen and officiated by our panel expert **Shri VEDMURTHY MAKARAND GARGE** Pictures of the Puja performed as per your order will be sent to you by email. We regret that because of increased security restrictions concerning organic items and powders, both used in Puja, we cannot send any Prasad to our customers but all those who place an order for a Puja will get a complementary, customized, fully energized Yantra from " **INDIA VEDIC STORE**" in lieu of the Prasad. This Yantra will actually be placed at the Puja site while the Puja is being performed.

The costs of the Pujas are calculated taking into account many factors like the duration, the materials and the amount of it used for the Puja, as well as the fees for the priest or priests where appropriate. Hence Pujas of shorter duration may seem to be more expensive than longer ones but that would be an erroneous conclusion. All time estimates for the Pujas are reasonably accurate, but they may vary a little bit on the actual day.

Most Pujas will be performed in temples which are both of long standing as well as possessing power. The two temples we prefer to use are the **BHAVBHAVESWAR (GUJRATH)** Temple and the **Someshwar Mahadev Temple (NASIK, MAHARASHTRA)** the latter being a thousand year old temple with an unbroken continuity of worship to this day. However, these two sites are sometimes subject to availability. Most Pujas will be performed here or in a sacred space of equal sanctity.

Pujas are normally done within 30 days of your booking, unless there are no auspicious days available, in which case the first available day is utilized. It is a good idea to book your Pujas well in advance.,

In case you are unsure as to the best Puja suitable for your purposes, please [E-mail us](#) giving details of your situation and we will recommend the best Puja for you after consulting with our expert priests and advisors.
