¹For new artwork files, contact Customer Service for custom artwork number, lead-times, and cost.

²The Printed card number is placed in the top left-hand corner on the back of the card, HID logo molded into base on back. The majority of part numbers are marked with sales order number, a custom part number is required to omit all marking from the card. Contact your local support representative for details.

³Please note that cards shipped within the Americas are always laser-engraved. Inkjetted option is not available for these cards.
