**HELPING  
WORK TEAMS  
HEAR WHAT'S  
IMPORTANT**

# A CUSTOMER-FOCUSED HISTORY OF INNOVATION

At Sonetics, there's nothing more satisfying than helping our customers create safer, more efficient workplaces. Over the past 35 years, we've worked with our customers to deliver innovative products that transform the way teams work.

## EXPERIENCE YOU CAN TRUST

Since 1983 Sonetics, along with its Firecom and Flightcom divisions, has been privileged to help firefighters, construction companies, manufacturers, utilities, commercial aviation and military personnel communicate when they need to hear and be heard.

**Sonetics**

# HELPING WORK TEAMS HEAR WHAT'S IMPORTANT

Sonetics wireless headsets reduce unimportant noise and connect you with the people and the important things you need to hear—completely hands-free.

## GET MORE DONE IN LESS TIME

Communicate more effectively as a team, saving time and avoiding costly mistakes.

## IMPROVE JOBSITE SAFETY

Warn your team in real time of potential hazards and dangerous incidents before they happen.

## HEARING PROTECTION WITHOUT ISOLATION

Mix in outside sound to stay safe and aware without removing your hearing protection.

## REDUCE EQUIPMENT DAMAGE

Avoid expensive equipment damage with instant two-way communication.

# WHAT'S IN A TEAM WIRELESS SYSTEM?

Sonetics DECT7 wireless technology is designed and optimized for team communication in high-noise environments, with excellent range, digital encryption and hands-free collaboration.

Every Sonetics DECT7 Team Wireless System is made up of three key components:

## APEX 3-SERIES WIRELESS HEADSETS

3, 5 or 10 APX377 or APX379 DECT7 wireless headsets combine powerful communication and hearing protection. The convertible headband lets you easily change from overhead to under-helmet wear.

## PORTABLE WIRELESS COMHUB

A battery-powered portable base station that connects Apex 3-Series Wireless Headsets in hands-free, full-duplex team communication.

## SYSTEM CHARGING CASE

Charge and protect your headsets and ComHub in this rugged, waterproof, portable Pelican charging case.

# APEX 3-SERIES DECT7 WIRELESS HEADSETS

**DECT7**  
wireless®

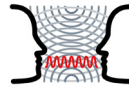

**APX377** DECT7 Wireless Headset in under-helmet configuration.

**APX379** DECT7 Wireless Headset with Bluetooth in overhead configuration.

**DECT7**  
wireless®

## DECT7 WIRELESS TECHNOLOGY

Sonetics' best-in-class innovation delivers full-duplex communication that is crisp and understandable.

## STEREO LISTEN-THROUGH

Hear your surroundings and your coworkers without removing your hearing protection.

## HANDS-FREE OPERATION

Keep your hands on your work while you talk. No buttons to push.

## SITE-COVERING RANGE

Mobility up to 1,600 feet (line-of-sight) lets you go where you need.

## ALL-DAY COMFORT

Designed with ball pivot joints and reduced side force to more easily and comfortably fit you.

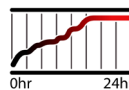

## WIRELESS MEANS 'NO WIRES'

True freedom from cables or wires that tangle or snag.

**24 hrs**

## EXTENDED BATTERY LIFE

Talk up to 24 hours on a 4-hour charge. The headsets are ready to work when your team needs them.

## PERSONAL SOUND DOSIMETER

Monitors noise exposure and adjusts speaker volume in the headset to reduce potential hearing damage.

**RUGGED AND PORTABLE:** The ComHub's nylon carry bag and detachable hanger hook let you move quickly and easily around the job site.

**SHARE AND SHARE ALIKE:** Connecting a two-way radio to the ComHub lets team members key the radio's PTT from their headsets.

## DECT7 WIRELESS COMMUNICATION HUB

Connect up to 10 Apex 3-Series Wireless Headsets for hands-free team communication up to 1,600 feet line-of-sight.

## RUGGED CARRY BAG

The high visibility bag with shoulder strap makes carrying and moving the ComHub simple and easy. Maximize your range with the detachable hanger hook.

## MULTI-CHANNEL SYSTEM

Select from up to five channels for communicating with multiple small work teams.

```
10001110100011
11010101100010
00011101001001
00010101110001
11110000110000
```

## DECT DIGITAL ENCRYPTION

Private conversations stay private with DECT's digital encryption technology.

## TWO-WAY RADIO INTEGRATION

Connect an optional portable two-way radio to talk with offsite crew or supervisors.

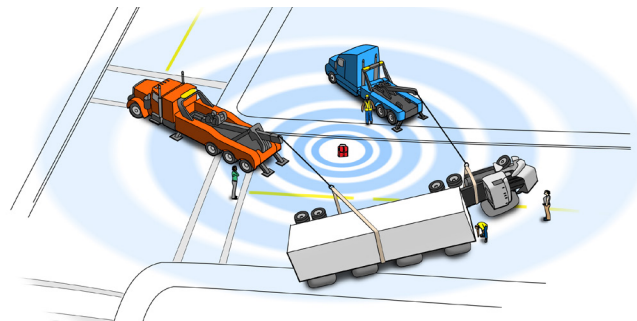

## BROADCAST MODE

Connect up to 100 Apex 3-Series wireless headsets in listen-only mode for training or tours.

24 hrs

## LONG BATTERY LIFE

Operates up to 24 hours on a 4-hour charge. It's ready to use when you need it.

# 3 - 5 - 10 USER SYSTEM CONFIGURATIONS

Getting started is easy with these options for small, mid-size or large teams:

## UP TO 3 USERS

3-User Wireless System includes:

- 3 APX377 or APX379 Wireless DECT7 Headsets
- Battery-powered portable ComHub with DECT7 Wireless Base Station. Configure up to 5 channels.
- Waterproof Portable Pelican Charging Case with 12V or 120/240V charging options.

### FOR USERS IN:

- Hydroexcavation
- Striping
- Milling
- Cone trucks
- Sewer line inspection
- Horizontal drilling

**PRICING STARTS AT \$5,595**

## UP TO 5 USERS

5-User Wireless System includes:

- 5 APX377 or APX379 Wireless DECT7 Headsets
- Battery-powered portable ComHub with DECT7 Wireless Base Station. Configure up to 5 channels.
- Waterproof Portable Pelican Charging Case with 12V or 120/240V charging options.

### FOR USERS IN:

- Heavy recovery towing
- Construction crews
- Video production
- Power distribution
- Workboat operations
- Seeding and planting

**PRICING STARTS AT \$7,595**

## UP TO 10 USERS

10-User Wireless System includes:

- 10 APX377 or APX379 Wireless DECT7 Headsets
- Battery-powered portable ComHub with DECT7 Wireless Base Station. Configure up to 5 channels.
- Waterproof Portable Pelican Charging Case with 12V or 120/240V charging options.

### FOR USERS IN:

- Manufacturing
- Port services
- Equipment maintenance
- Facility tour groups
- Crane operations
- Wind farm support

**PRICING STARTS AT \$12,995**

# ARCHITECTED LARGE TEAM SOLUTIONS

## COMMUNICATION SYSTEMS THAT GROW WITH YOU

Whether you're adding crew members, holding training sessions, or working in a single large group, Sonetics hands-free communication systems adapt to your work environment.

Easily add access points and headsets as you grow. Integrate with your existing communications infrastructure. Connect with multiple teams in the same work area. Stay connected as you move between zones. Expand your network with two-way radio and Bluetooth integration.

## LET US DESIGN AND BUILD A SYSTEM FOR YOU

Our team of experts works with you to architect a system that transforms the way you communicate with your teams and within your organization.

CALL  
877.292.5732

Sonetics team systems offer flexible options for integrating with your two-way radio, increasing the number of connected headsets, or even connecting to a wired system.

## INSTALLED INTERCOMS AND BASE STATIONS

Install Sonetics in a vehicle or facility and easily connect wireless headsets with land mobile radios for an integrated communications solution.

### SON200 SERIES DIGITAL INTERCOMS

Connect up to 10 wireless base stations, 4 mobile radios and 4 auxiliary devices such as cell phones.

#### SON150 DECT7 WIRELESS BASE STATION

Connect up to five wireless headsets with full duplex team communication. Supports up to 100 listen-only users for tour or training applications.

#### SON104 FOUR-POSITION ANALOG INTERCOM

Connect up to four wireless base stations (up to 20 wireless headsets) and integrate an optional two-way radio.

## PORTABLE RADIO CABLE ADAPTERS

Connect your Apex 3-Series Wireless Headset or Portable Wireless ComHub to a portable two-way radio.

Compatible with more than 400 radio models from manufacturers like Motorola, GE, Ericsson, Harris, ICOM, Kenwood, Maxon, Midland, Relm, Standard, Tait, Vertex and many others.

**ONE-TO-MANY:**  
Connect to the ComHub for team communication.

**ONE-TO-ONE:**  
Connect a portable radio directly to a wireless headset.

**PLUG-AND-PLAY:**  
Connect with no additional tools.

# FEATURED ACCESSORIES

## SYSTEM CHARGING CASE

**Simple and Easy Charging** — Charge your entire system inside the case with a single 120V wall adapter.

**Rugged and Robust** — Watertight Pelican Storm case and padded dividers protect your headsets and ComHub.

**Ready to Roll** — Easy mobility with a telescoping pull handle and inset wheels.

## RUGGEDIZERS

**Color Your Team** — Identify different teams and positions with colorful silicone ruggedizers. Custom colors available - call 800.833.4558 for details.

**14 Standard Colors** — Safety Yellow, Safety Orange, Safety Pink, Red, Blue, Green, Forest Green, Purple, Pink, Tan, Grey, White, Black and Glow-in-the-Dark.
