

CUSTOMER SATISFACTION NOTIFICATION

S60

This notice applies to your vehicle (VIN: xxxxxxxxxxxxxxxxxxxx).

Dear: (Name)

At FCA US LLC, we recognize that the success of our business depends on the satisfaction of our customers. We are constantly monitoring the quality of our products and looking for opportunities to improve our vehicles even after they are sold. Because your long-term satisfaction is important to us, we are contacting you on important improvements we would like to make to your vehicle. This will be done at no charge to you.

We are recommending the following improvements be performed on certain **2015 through 2016 model year Jeep® Wrangler vehicles equipped with a manual transmission.**

The problem is... **The manual transmission shift lever on your vehicle may have a rubber insert which is not properly adhered to the outer metal shift lever housing. This may cause looseness and noise in the shift lever handle. A shift lever handle that is loose may require additional effort to move the shift lever into and out of gear, which may also contribute to the loss of shift lever gear selection control for one or more gears.**

What your dealer will do... **FCA will repair your vehicle free of charge.** To do this, your dealer will replace the manual transmission shift lever. The work will take about 1 hour to complete. However, additional time may be necessary depending on service schedules.

What you should do... Simply **contact your Chrysler, Jeep®, Dodge or RAM dealer** right away to schedule a service appointment. Ask the dealer to hold the part for your vehicle or to order it before your appointment. **Please bring this letter with you to your dealer.**

If you need help... If you have questions or concerns which your dealer is unable to resolve, please contact the FCA Group Recall Assistance Center at either **fcarecalls.com** or 1-800-853-1403.

Please help us update our records by filling out the attached prepaid postcard, if any of the conditions listed on the card apply to your vehicle. If you have further questions go to **fcarecalls.com**.

If you have already experienced this specific condition and have paid to have it repaired, you may visit **www.fcarecallreimbursement.com** to submit your reimbursement request online or you can mail your original receipts and proof of payment to the following address for reimbursement consideration: **FCA Customer Assistance, P.O. Box 21-8004, Auburn Hills, MI 48321-8007, Attention: Recall Reimbursement.** Once we receive and verify the required documents, reimbursement will be sent to you within 60 days. If you've had previous repairs and/or reimbursement you may still need to have the recall repair performed on your vehicle.

We apologize for any inconvenience this service may cause to your schedule. FCA is committed to providing our customers with world class quality products, ensuring that you have a positive dealership experience and following up on any issues and concerns that you may have in a timely manner through our Customer Assistance Center. Thank you for being our customer.

Sincerely,
Customer Service / Field Operations
