

EXPERIENCE  THE NEW BUICK

2 0 1 7 B U I C K

VERANO

What's it feel like to drive the 2017 Buick Verano? The answer may shatter your expectations. After all, Verano is **A SEDAN DESIGNED TO SURPRISE** you with its premium features and refined finishes. And with its responsive power and nimble handling, Verano is simply fun to drive.

So what are you waiting for? It's time to experience Verano for yourself.

QUICKSILVER METALLIC
shown with Leather Group and optional equipment.

How do you judge design?

ONE LOOK IS ALL IT TAKES. Just a glimpse of Verano tells you everything you need to know. Bold design cues such as the distinctly sculpted body let you know spirited performance awaits you. Projector-beam headlamps and a signature black chrome waterfall grille showcase the meticulous attention to detail you can expect throughout the rest of Verano.

EBONY TWILIGHT METALLIC
shown with Leather Group and optional equipment.

With Verano, every detail of its aerodynamic design helps create a premium character that elevates your experience above the ordinary. And the amenities inside make Verano a luxury sedan you'll look forward to driving, every time.

GRAPHITE GREY METALLIC
shown with Leather Group and optional equipment.

EBONY TWILIGHT METALLIC
shown with Leather Group and optional equipment.

Verano owners can count on the security of StabiliTrak. This advanced electronic system combines anti-lock brake, traction and stability control systems to help the Verano driver maintain directional control during sudden manoeuvres, such as emergency lane changes.

shown with Leather Group and optional equipment.

REFINED

SMOOTH, QUIET AND CONFIDENT: THAT'S THE RESPONSE YOU'LL GET FROM THE VERANO ENGINE.

Here's what happens when you take Verano's compact power into your own hands. With Verano's standard 2.4L engine, the responsiveness of 180 hp is matched by offering 7.6 L/100 km highway¹ fuel efficiency. And when the road curves or city streets become congested, Verano responds with nimble handling, confident braking and agile parking manoeuvres.

- A 6-speed automatic transmission with Driver Shift Control lets you make the most of the Verano engine's 180 hp.
- Verano's standard 2.4L is smooth and quiet. One reason: An additional layer of lubricant sprayed directly on each piston helps reduce noise.
- Advanced Diagnostics² from OnStar can check your vehicle's key systems and send you a monthly diagnostics report or real-time alerts by email or text.

¹Fuel-consumption estimates based on GM preliminary testing in accordance with Government of Canada approved test methods. Refer to vehicles.nrcan.gc.ca for details. Your actual fuel consumption may vary. ²Availability and capabilities vary by model. Visit onstar.ca for details and system limitations. Message and data rates may apply. Requires an active OnStar service plan, email address on file and enrolment in Advanced Diagnostics. Diagnostic Alerts are designed to help provide the status of key systems based on information collected from the vehicle. Other factors may affect vehicle performance. Not all issues will deliver alerts. In certain scenarios, a dealer service check may be required to confirm the accuracy of the Diagnostic Alerts.

TACTILE

IN VERANO, DRIVING A LUXURY SEDAN IS A SENSORY EXPERIENCE.

Slide behind the steering wheel and feel the refinement. Treat your senses to the luxury of the finest materials. Soft-touch surfaces, available supple leather-appointed seats, ribbon fabrics, warm wood tones and tasteful metallic accents all create an ambiance that's unmistakably premium.

Designed to help reduce noise, Buick's exclusive QuietTuning™ blocks and absorbs sound and dampens vibrations. The Verano cabin's remarkable level of quietness is a function of many refinements, including acoustic laminated windshield and front glass, triple door seals and precisely tuned chassis dynamics. Even Verano's available 18-inch tires are specially designed to help minimize road noise.

- The available leather-appointed seats are soft to the touch with highly supportive cushioning.
- Available features include a heated, leather-wrapped steering wheel, heated eight-way power driver's seat and heated front-passenger seat—all of which offer a warm welcome.
- The available touch-screen-activated IntelliLink¹ with Navigation² provides more than 9.6 million km of North American roads mapped out for you to explore.

¹Full functionality requires compatible Bluetooth® and smartphone, and USB connectivity for some devices. Visit intellilink.buick.ca for more details. ²At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas.

INTELLILINK

AVAILABLE INTELLILINK¹ PUTS A HOST OF COMMUNICATION AND INFOTAINMENT OPTIONS ON A HIGH-RESOLUTION, FULL-COLOUR TOUCH-SCREEN.

The latest edition of voice-recognition and available touch-screen technology is seamlessly integrated into Verano, thanks to the available Buick IntelliLink¹ infotainment system. Accessing your phone book, making calls or playing your favourite music is simple: All you have to do is ask for them.

For iPhone[®] owners, there's Siri Eyes Free,[®] Apple's[®] voice-activated digital assistant. This available feature allows hands-free interaction when you need it the most. Simply pair your iPhone[®] with the available Bluetooth-enabled² Buick IntelliLink system, then use the steering-wheel-mounted voice-command button to activate it. You can make calls, compose text or email messages to stored contacts and access other iPhone[®] functions, all without taking your hands off the wheel or your eyes off the road.

TEXT MESSAGE ALERTS Available IntelliLink¹ provides alerts of incoming text messages. You can configure the system to have incoming text messages read out loud. In addition, with select smartphones, you can respond to the text messages with your preprogrammed responses.

HOME PAGE CUSTOMIZATION Customize your available Buick IntelliLink¹ home page using the colour touch-screen to gain quick access to frequently used features and up to six pages of preferred settings.

MUSIC ON DEMAND With the ease of advanced voice recognition (or steering-wheel-mounted controls), you have access to available audio apps on your phone.

¹Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Visit intellilink.buick.ca for more details. ²Not compatible with all devices.

COMMAND

PRESS VERANO'S AVAILABLE PUSH-BUTTON START, AND ALL THAT FOLLOWS IS DESIGNED TO ENHANCE YOUR SENSE OF WELL-BEING.

Verano is what a luxury car should be: not merely a way to get from one place to another, but a destination itself. Consider the climate. With its dual automatic climate-control system, the driver and front passenger can choose separate temperature settings, which the system will automatically maintain. And with the available factory-installed remote-start feature, you can use the myBuick mobile app¹ to activate the climate-control system remotely, so your Verano cabin heats up or cools down to your preset levels before you arrive.

¹Available on select Apple,[®] Android,[™] BlackBerry[®] and Windows[®] devices. Requires an active OnStar service plan. Services vary by device, vehicle, conditions and the type of service plan you have. Data rates may apply. Please visit onstar.ca for vehicle availability, system limitations, geographical and technical restrictions and further details.

HEATED STEERING WHEEL

Grip the steering wheel—available leather-wrapped and heated, if you like—and your thumbs naturally find themselves resting on control switches for the audio, phone and cruise-control systems. It's a degree of control over your environment that makes Verano an extension of you.

DRIVER INFORMATION CENTRE

Located in the centre of the instrument panel cluster, the Driver Information Centre shows the status of many vehicle systems, including the available Forward Collision Alert.

BOSE® AUDIO ENGINEERING

Verano is the perfect setting for music lovers to enjoy their favourite recordings on the road. To create Verano's available seven-channel, nine-speaker Bose premium sound system, Bose engineers recorded system frequencies for each seating position, using 10 different microphone readings for each speaker—collecting hundreds of initial

measurements—so the audio equalization settings are specific to Verano's unique acoustical environment. Music is reproduced with tonal balance and detail, and minimal distortion, even when the system is played loudly. Front and back bass sources are controlled by a proprietary algorithm for performance that captures more of the power and emotion intended by the artist.

PROTECTED

VERANO HAS ITS PRIORITIES IN
THE RIGHT PLACE: EVERYWHERE.

Verano literally surrounds you with available security features. The available Rear Vision Camera helps you see what's behind your Verano, displaying what the camera captures on the centre high-mounted information screen. The available Rear Cross Traffic Alert helps make you aware of oncoming traffic when backing up. And below, you can read about available safety features such as Forward Collision Alert, Lane Departure Warning and Side Blind Zone Alert.¹

These safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for important feature limitations and information.

-
- **FORWARD COLLISION ALERT** When the camera detects that you're approaching a vehicle ahead too quickly, available Forward Collision Alert lets you know with audio and visual warnings. Consider it a high-tech way of reminding you to slow down and enjoy the ride.
 - **REAR CROSS TRAFFIC ALERT** A camera in the rear captures a view behind the car, while radar sensors detect vehicles approaching from the left or right within 20 metres of the sensors. The available system alerts you audibly and by flashing a warning signal on the Rear Vision Camera screen.
 - ◆ **SIDE BLIND ZONE ALERT** Using radar technology to help you avoid a collision, available Side Blind Zone Alert¹ warns you when vehicles entering your blind zone are detected by sensors on either side of your Verano. A warning icon appears in your outside rear-view mirror.
 - **LANE DEPARTURE WARNING** Available Lane Departure Warning provides both an audio and visual alert should your Verano drift out of its lane without you first having activated your turn signal.

■ FORWARD COLLISION ALERT

◆ SIDE BLIND ZONE ALERT

CONNECT

THE ONSTAR 4G LTE WITH WI-FI® HOTSPOT¹
PROVIDES A POWERFUL CONNECTION.

OnStar 4G LTE with Wi-Fi¹ now travels with you. Stay connected and move effortlessly from home to work to just about anywhere without losing touch. Stream movies and TV on the go, using your favourite apps on your Wi-Fi devices.

The built-in OnStar 4G LTE with Wi-Fi hotspot¹ supports up to seven devices,² so everyone can surf, scan, create, post and game their way through any journey.

Our strong signal means you have a fast and reliable connection. And because the built-in Wi-Fi hotspot is powered by your vehicle, you're not adding to the demand on your mobile device battery.

Your first 3 months or 3 GB of data (whichever comes first) is included with your new Buick. After that, select a data plan from OnStar that's right for you.

¹Visit onstar.ca for coverage maps, details and system limitations. Available 4G LTE Wi-Fi requires compatible mobile device, active OnStar service and data plan. Data plans provided by AT&T®. Services vary by model, conditions and geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. ²Devices must be WPA2-compliant with an active OnStar service plan and data plan. Wi-Fi devices manufactured prior to 2006 may not be compatible. Please consult your device manufacturer for information regarding the WPA2 security protocol and Wi-Fi device compatibility. Vehicle must be started or in accessory mode to access Wi-Fi. Visit onstar.ca for system details and limitations.

ONSTAR¹

STANDARD FOR 6 MONTHS, THE ONSTAR GUIDANCE PLAN (TRIAL EXCLUDES HANDS-FREE CALLING MINUTES) LETS YOU CONNECT TO AN ONSTAR ADVISOR JUST BY PUSHING THE BLUE ONSTAR BUTTON IN YOUR VERANO.

EMERGENCY

Automatic Crash Response²

Depending on the severity of the crash, built-in sensors may automatically alert an OnStar Advisor who is immediately connected into your vehicle to see if you need help—even if you can't ask for it.

Emergency Services One push of the red emergency button gives you a priority connection to an OnStar Advisor who can direct emergency services to your exact location and offer critical assistance until help arrives. With OnStar, you're never alone.

Crisis Assist In severe weather conditions or a crisis, Advisors can provide a fast, knowledgeable resource if you need emergency assistance, evacuation routes and other resources. OnStar can also contact family members for you.

Roadside Assistance³ If you're stranded, have a flat tire or need a tow truck, just ask an OnStar Advisor to get help to your exact location to get you back on the road quickly.

SECURITY

Stolen Vehicle Assistance⁴ If your vehicle is stolen, once it's been reported, Advisors can work with authorities and can use GPS technology to help pinpoint its location, slow the vehicle if conditions are safe and even prevent it from being restarted. And with Theft Alarm Notification,⁵ if your vehicle alarm sounds, we'll let you know via text, email and/or a phone call. Once you report your vehicle stolen to the police, one simple call puts a team into action to help recover your vehicle quickly and safely.

NAVIGATION

Turn-by-Turn Navigation⁶ Getting directions is as easy as pushing a button and telling an Advisor where you want to go. Directions are quickly downloaded to your vehicle, and a voice calls out every turn. An Advisor can also help you with a database of more than 1 million points of interest. To plan routes in advance, you can send destinations to your vehicle through an Advisor or the myBuick mobile app.⁷

ATYOURSERVICE⁸ Life just got easier and more affordable with the personalized connection of AtYourService. By simply pressing the blue OnStar button, our trusted Advisors can help you locate hotels and even book your room through Priceline.⁹ AtYourService offers can be accessed from your vehicle's radio touch-screen, through your myBuick mobile app⁷ or an OnStar Advisor.

VEHICLE MANAGER

Advanced Diagnostics⁹ This feature can alert you when something's going on under the hood. After running a check on your vehicle's key systems, it can send you a monthly Diagnostics Report email or real-time alerts available by email or text, detailing its findings.

MYBUICK MOBILE APP⁷ Enjoy the ultimate ownership experience through convenient control and management of your vehicle. You can use your compatible smartphone to remotely start your vehicle from virtually any distance, lock or unlock your doors, honk your horn and flash your lights. The services of the myBuick mobile app are included for 5 years on new vehicles at no additional charge. To download the myBuick mobile app to your smartphone, go to the App Store.

REMOTE ACCESS¹⁰ With Remote Access, an OnStar Advisor can send a remote signal to lock or unlock your doors or honk your horn and flash your lights. You can even use your myBuick mobile app⁷ to remote-start the vehicle from virtually anywhere.

ONSTAR HANDS-FREE CALLING¹¹

This available feature is a wireless service built into your vehicle so you can purchase calling minutes to easily make and receive calls from the road.

¹Visit onstar.ca for coverage maps, details and system limitations. Available 4G LTE Wi-Fi requires compatible mobile device, active OnStar service and data plan. Data plans provided by AT&T. Service varies by model, conditions and geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. ²OnStar acts as a link to existing emergency service providers. Not all vehicles can transmit all crash data. ³Roadside service provided by Allstate Roadside Services. Restrictions apply. ⁴Services vary by model, conditions and geographical and technical restrictions. Visit onstar.ca for details and system limitations. Stolen Vehicle Slowdown and Remote Ignition Block are only available on select 2009 and newer GM vehicles. ⁵Requires an active factory-installed theft-deterrent system, the Security or Guidance Plan and selected notification preference[s]. Capability varies by model. Message and data rates may apply. Your vehicle's electrical systems and your smartphone (or other device) must be operative and sending/receiving data via wireless services and GPS satellite signals for the Theft Alarm Notification service to function properly. Vehicles must be locked electronically to arm the factory-installed theft-deterrent system. Theft Alarm Notifications are sent only to you. OnStar does not notify police of a Theft Alarm Notification. The Theft Alarm Notification service may alert you to a theft in progress. Always use caution and good judgment. Do not approach the vehicle unless you are certain the situation is safe. OnStar is not responsible for the acts of third parties. See OnStar User Terms and onstar.ca for system limitations. ⁶Requires ABS and Guidance Plan. Visit onstar.ca for coverage maps. Services vary by model. ⁷Available on select Apple, Android, BlackBerry and Windows devices. Requires an active OnStar service plan. Services vary by device, vehicle, conditions and the type of service plan you have. Data rates may apply. Please visit onstar.ca for vehicle availability, system limitations, geographical and technical restrictions and further details. ⁸PRICELINE is a service mark of priceline.com LLC. ⁹Availability and capabilities vary by model. Visit onstar.ca for details and system limitations. Message and data rates may apply. Requires an active OnStar service plan, email address on file and enrolment in Advanced Diagnostics. Diagnostic Alerts are designed to help provide the status of key systems based on information collected from the vehicle. Other factors may affect vehicle performance. Not all issues will deliver alerts. In certain scenarios, a dealer service check may be required to confirm the accuracy of the Diagnostic Alerts. ¹⁰Visit onstar.ca for coverage map, details and system limitations. Services vary by model and conditions. Unlock feature requires automatic locks. Remote start requires factory-installed and enabled remote-start system. ¹¹OnStar Hands-Free Calling requires an existing OnStar service plan and available prepaid minutes. Not available in certain markets. Calls may be made to the U.S. and Canada only. Minutes good for the specified term or until service plan is terminated, whichever comes first. Visit onstar.ca for coverage maps, details and system limitations (including geographic and technical restrictions).

¹Not compatible with all devices. ²Visit onstar.ca for coverage maps, details and system limitations. Available 4G LTE Wi-Fi requires compatible mobile device, active OnStar service and data plan. Data plans provided by AT&T. ³Service varies by model, conditions and geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. ⁴Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger airbag. See the Owner's Manual and child safety seat instructions for more safety information. ⁵The OnStar Basic Plan is available for 5 years from the date of delivery of the eligible new 2015 model year and newer vehicles and is transferable to subsequent owners for the remaining term. The Basic Plan includes access to: (1) monthly Diagnostics Report emails (capabilities vary by model); (2) Dealer Maintenance Notification; and (3) limited myBuick mobile app services which include remote start (requires factory-installed and enabled remote-start system), remote lock/unlock doors (requires automatic locks) and remote horn and lights activation. The myBuick mobile app is available on select Apple, ⁶Android, ⁷BlackBerry and Windows ⁸devices. Visit onstar.ca for vehicle availability, coverage map, details and system limitations. The OnStar Basic Plan does not include any Emergency Services, Automatic Crash Response, Stolen Vehicle Assistance, live Advisor service or Hands-Free Calling. These and other services are available under a paid plan. If you sell your vehicle or wish to cancel use of Basic Plan services, you must contact OnStar at 1-888-4-ONSTAR (1-888-466-7827). ⁹Available on select Apple, ⁶Android, BlackBerry and Windows devices. Requires an active OnStar service plan. Services vary by device, vehicle, conditions and the type of service plan you have. Data rates may apply. Please visit onstar.ca for vehicle availability, system limitations, geographical and technical restrictions and further details. ¹⁰Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Visit intellilink.buick.ca for more details. ¹¹Data rates apply. ¹²Available in 10 Canadian provinces, three territories and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-877-209-0079 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See SiriusXM "Terms & Conditions" and complete details at siriusxm.ca. ¹³At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. ¹⁴Fuel-consumption estimates based on GM preliminary testing in accordance with Government of Canada approved test methods. Refer to vehicles.nrcan.gc.ca for details. Your actual fuel consumption may vary. ¹⁵Cargo and load capacity limited by weight and distribution.

IMPORTANT WORDS

VERANO
INFORMATION.

BUICK OWNERSHIP: IT'S A GOOD FEELING.

Our commitment to you includes:

- 2-year/48,000 km Lube-Oil-Filter Maintenance¹
- 4-year/80,000 km New-Vehicle Limited Warranty²
- 6-year/110,000 km Powertrain Limited Warranty² with \$0 deductible on repairs; warranty is fully transferable at no charge
- 6-year/110,000 km Courtesy Transportation²
- 6-year/110,000 km 24/7 Roadside Assistance²
- 6-year/unlimited km rust-through perforation coverage²
- 8-year/130,000 km coverage on catalytic converters and Powertrain Control Modules (PCMs)²

¹Whichever comes first. Limit of four complimentary Lube-Oil-Filter services in total. Fluid top-offs, inspections, tire rotations, wheel alignments and balancing, etc., are not covered. Conditions and limitations apply. See your dealer for details. ²Whichever comes first. Conditions and limitations apply. See your dealer for details.

OTHER OWNERSHIP PRIVILEGES AND PROGRAMS:³

- GM PROTECTION PLAN (GMPP) – The only extended service plan backed by the resources and commitment of General Motors; GMPP may be purchased at the time of sale or subsequently during the New-Vehicle Limited Warranty period.
- BUICK CERTIFIED SERVICE – With Buick-certified technicians and Buick-approved parts, nobody knows your Buick vehicle better.
- CERTIFIED SERVICE MAINTENANCE PLAN – The only maintenance plan designed specifically for buyers of Buick vehicles and backed by the resources and commitment of General Motors. Buick Maintenance Plans may be purchased at the time of sale or on vehicles up to 3 model years old with 60,000 km or less on the odometer.
- BUICK OWNER CENTRE – As an owner, take advantage of the Buick Owner Centre. This online owner's destination gives you access to contests, current offers and helpful resources such as Owner's Manuals. Find out more at buickowner.ca.

³Conditions and limitations apply.

TO HELP YOU PURCHASE OR LEASE YOUR NEW BUICK:

- PURCHASE FINANCING AND LEASING – On-the-spot financing, see dealer for full details.⁴
- GM STUDENT BONUS PROGRAM – Students or recent graduates of high school, college or university⁵ may be entitled to receive a Student Bonus vehicle redemption allowance of \$500 or \$750⁶ (tax inclusive) (purchased vehicle dependent) to use toward the purchase, lease or finance of one eligible new Buick vehicle.
- GM CARD – Cardholders may redeem Earnings toward the total purchase price or lease down payment of an eligible new Chevrolet, Buick, GMC or Cadillac. Restrictions and limitations apply.⁶ For full program details, please visit gmcad.ca.

⁴Subject to eligibility. ⁵Conditions and limitations apply. ⁶Program subject to change.

INFORMATION RESOURCES:

You can find more information about these programs from your GM dealer, or at these information centres:

- The Buick website at buick.ca.
- The GM Customer Care Centre at 1-800-GM-DRIVE (1-800-463-7483 or 1-800-263-3830 for TDD users).

A WORD ABOUT THIS BROCHURE

Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximate based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been adapted since the time of printing, please check with your GM dealer for complete details. General Motors of Canada Company reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times.

A WORD ABOUT ASSEMBLY

GM vehicles are equipped with engines and components produced and assembled by different operating units of General Motors, its subsidiaries and suppliers, and these engines and components may change or be obtained from different sources from time to time. All such engines and components are approved for use in GM vehicles. Certain equipment ordered may be unavailable at the time of assembly and we suggest that you verify that your vehicle includes the equipment you ordered, or if there are changes, that they are acceptable to you.

TRADEMARKS

The marks appearing in this brochure, including, but not limited to: General Motors, GM, Buick, the Buick logo, Verano and their respective logos, emblems, slogans and vehicle model names and body designs; and other marks such as StabiliTrak, myBuick mobile app and IntelliLink, are trademarks of General Motors and/or General Motors of Canada Company, its subsidiaries, affiliates or licensors.
