We're gradually making our way to the end of this interesting year that most of us would care never to repeat. We're still doing fairly well and I think that all will be well over the upcoming winter. I appreciate everyone's support and concern for me and other small business during this challenging time.

EVENTS

I am starting up a limited selection of classes. I will be limiting the number of attendees to 3 and attendees must wear masks while in the shop even during class. Each attendee will have an iron and ironing board for their use which will be disinfected before and after class. I will also be offering those same classes online via the Zoom application for those that wish to participate but prefer to do so from the safety of their home. After the start of the new year, I will increasing the number of classes, but unless the situation changes, not the number of participants. Thank you to everyone who took time to answer my survey. It helps to know what type of classes you're interested in.

I am participating in the annual Oktoberfest which is our Quilt Run 101's fall version. I will have a free fall theme pattern available to pick up plus you can enter to win a \$50 gift certificate from the shop. Limited to one entry per shop but you can enter in just one or every single one, if you wish to. Each store will be hosting their normal business hours, so you may wish to call ahead to confirm when they will be open. Oktoberfest runs the entire month of October.

I will be running one other promotion this year (sorry, Christmas cookies and cider has to be a no go this year). I will be giving away 3 merchandise baskets. You will receive one entry for every \$30 spent on merchandise (includes sale items, but does not include classes, gift cards or ready made items). The first basket will be for entries from November 1st through 21st. The second basket will be for entries from November 24th through December 12th. And the third basket will be for entries from December 15th through 31st. Entries will be removed after the drawing for each basket and we will start with new entries.

Other Important Items

Shop hours are Tuesday through Saturday 10 am to 5 pm. The online store is open 24 hours a day. We are offering free shipping on orders over \$50. I am still doing curbside pick up and free delivery within the Bandon zipcode.

I will be closed Thursday, November 26th to celebrate Thanksgiving with my family.

Sew this cheerful jack-o-lantern in time for fall gatherings. Embellish with wool leaves or double sided cotton leaves. This pumpkinhead wall hanging is sure to brighten any hallway or family room decor. Pattern included.

Easy Striped Runner

Friday, October 30th 1 pm to 4 pm

Taught by Michelle. \$15

Border stripes have uses other than for bordering a quilt. Learn how to use a border stripe to create a table runner. You can take the same fabric and have completely different looks depending on how you cut it. The finished product looks complex, but the cutting and piecing are surprisingly easy. Pattern required.

Beginning Quilting

Saturdays, October 31st & November 7th 10 am to 4 pm

Taught by Michelle. \$40

This two day course will take you through most of the basics necessary to get started in quilting. We will be making a table runner which will take you through the process of choosing fabric, basic rotary cutting skills, piecing, and finishing your project. Paper Piecing Support Club

Friday, November 6th 1 pm to 4 pm.

Jelly Roll Rug 2

Saturday, November 21st 10 am to 4 pm

Jelly roll rugs have been all the rage for the last couple of years. The round and oval rugs can be a bit challenging to get them to lay flat. This class will focus on the rectangular rugs which are simpler in construction. Start with a jelly roll or cut your own 2 1/2" strips, either way, you'll end up with something beautiful to rest your feet on. Pattern required.

Beginning Paper Piecing

Saturday, December 5th 10:30 am to 3 pm

Taught by Diane. \$25 (includes pattern)

This is a short technique course in how to do traditional paper piecing (not the English paper piecing which involves basting & hand stitching on card stock). We will make up a cute kimono block. Pattern included.

Ultimate Delight

Saturday, January 16th 10:30 am to 3 pm

Taught by Diane. \$30 (includes pattern)

The latest bold prints are perfect for the focus fabric in this pattern. Add fat-quarters as accents and you've got a contemporary quilt that is sure to please! Skills emphasized: accurate seam allowances and block placement.
