NEW RANGER

Ford

www.ford.co.za

DESIGNED FOR PURPOSE, **NOT JUST TOUGH.** PURPOSE BUILT TOUGH.

The new Ford **RANGER** delivers a bold new front end, new interior trims, and is packed with innovative new features. What hasn't changed is the **RANGER's** safety credentials and range of cab styles to suit every need.

Wildtrak derivative. Accessories shown not endorsed by the FMCSA.

SINGLE CAB

Single Cab available in Base, XL, and XLS derivatives. See specification sheets.

SUPER CAB

Super Cab available in Base, XL, XLS, and XLT derivatives. See specification sheets.

DOUBLE CAB

Double Cab available in Base, XL, XLS, XLT, and Wildtrak derivatives. See specification sheets.

WILDTRAK

Wildtrak derivative. See specification sheets.

COMFORT OUT OF YOUR COMFORT ZONE.

When your bakkie doubles as your office, a smart design makes all the difference. Packed with technology and features to help you work smarter and play harder, the new **RANGER** is Ford's most advanced bakkie.

Built tough. Built safe. 7 airbags¹ including side and curtain airbags, along with a reinforced safety cell help make every journey a safer one.

Leather seats are a combination of leather and high-quality, durable materials.
¹Airbags – features differ per derivative.

PRE-COLLISION ASSIST WITH PEDESTRIAN DETECTION¹

When traffic is crawling along, it can be easy to miss someone suddenly stopping up front. At speeds over 3.6km/h, Pre-Collision Assist with pedestrian detection is designed to detect if the car in front has unexpectedly stopped or a pedestrian stepped out onto the road, it can automatically apply the brakes if you don't.

Active Park Assist with Parallel Parking²

Not everyone loves to parallel park. But what if we designed a truck that not only helps you find the right size parking space, but also automatically steers itself in for a perfect park? The new **RANGER** offers semi-auto Active Park Assist to make city driving even easier.

Smart Keyless Entry and Push-Button Start³

Get in and out without taking your keys out of your pocket, coat, or bag. When the intelligent access system detects your key, you can get going at the push of a button.

Rear-view Camera⁴

Bollards, bicycles, low walls – the rear-view camera shows what's behind you on a screen built into the centre console. As well as revealing objects, you might miss, the system displays virtual lines to help you park into the smallest of spaces. The camera activates automatically when you select reverse gear.

Adaptive Cruise Control⁵

Forget having to turn your cruise control on and off as traffic conditions change. If traffic slows down in front of you, Adaptive Cruise Control can automatically slow down to maintain a preset distance. Once traffic clears, it returns to your cruising speed.

¹Pre-collision Assist with pedestrian detection available on Wildtrak derivatives only. ²Active Park Assist with parallel parking available on Wildtrak derivatives only. ³Smart keyless entry and push-button start available on XLT, and Wildtrak derivatives only.

⁴Rear-view camera available on XLS, XLT, and Wildtrak derivatives only. ⁵Adaptive Cruise Control available on Wildtrak derivatives only. See specification sheets.

STAY CONNECTED ANYWHERE, EVERYWHERE.

WORK SMARTER. PLAY HARDER. STREAMLINE YOUR LIFE.

SYNC®3 is a fully integrated, voice-activation system that lets you use your favourite devices while your hands stay on the wheel and your eyes stay on the road. Sync your phone to call your friends and play your favourite music, and stay on track with the integrated satellite Navigation system. Equipped with a customisable 8" colour LCD capacitive touchscreen; SYNC®3 is quicker and more responsive than ever before.

Note: Features differ per derivative. See specification sheets. Navigation standard on all XLT, and Wildtrak derivatives.

SATELLITE
NAVIGATION

TALK

ENTERTAINMENT

230V/150W Power Converter*

All new **RANGER** features a 230V/150W power inverter in the back of the centre console, powering your electrical equipment wherever the job finds you.

*230V/150W power converter is available on Wildtrak derivatives only.

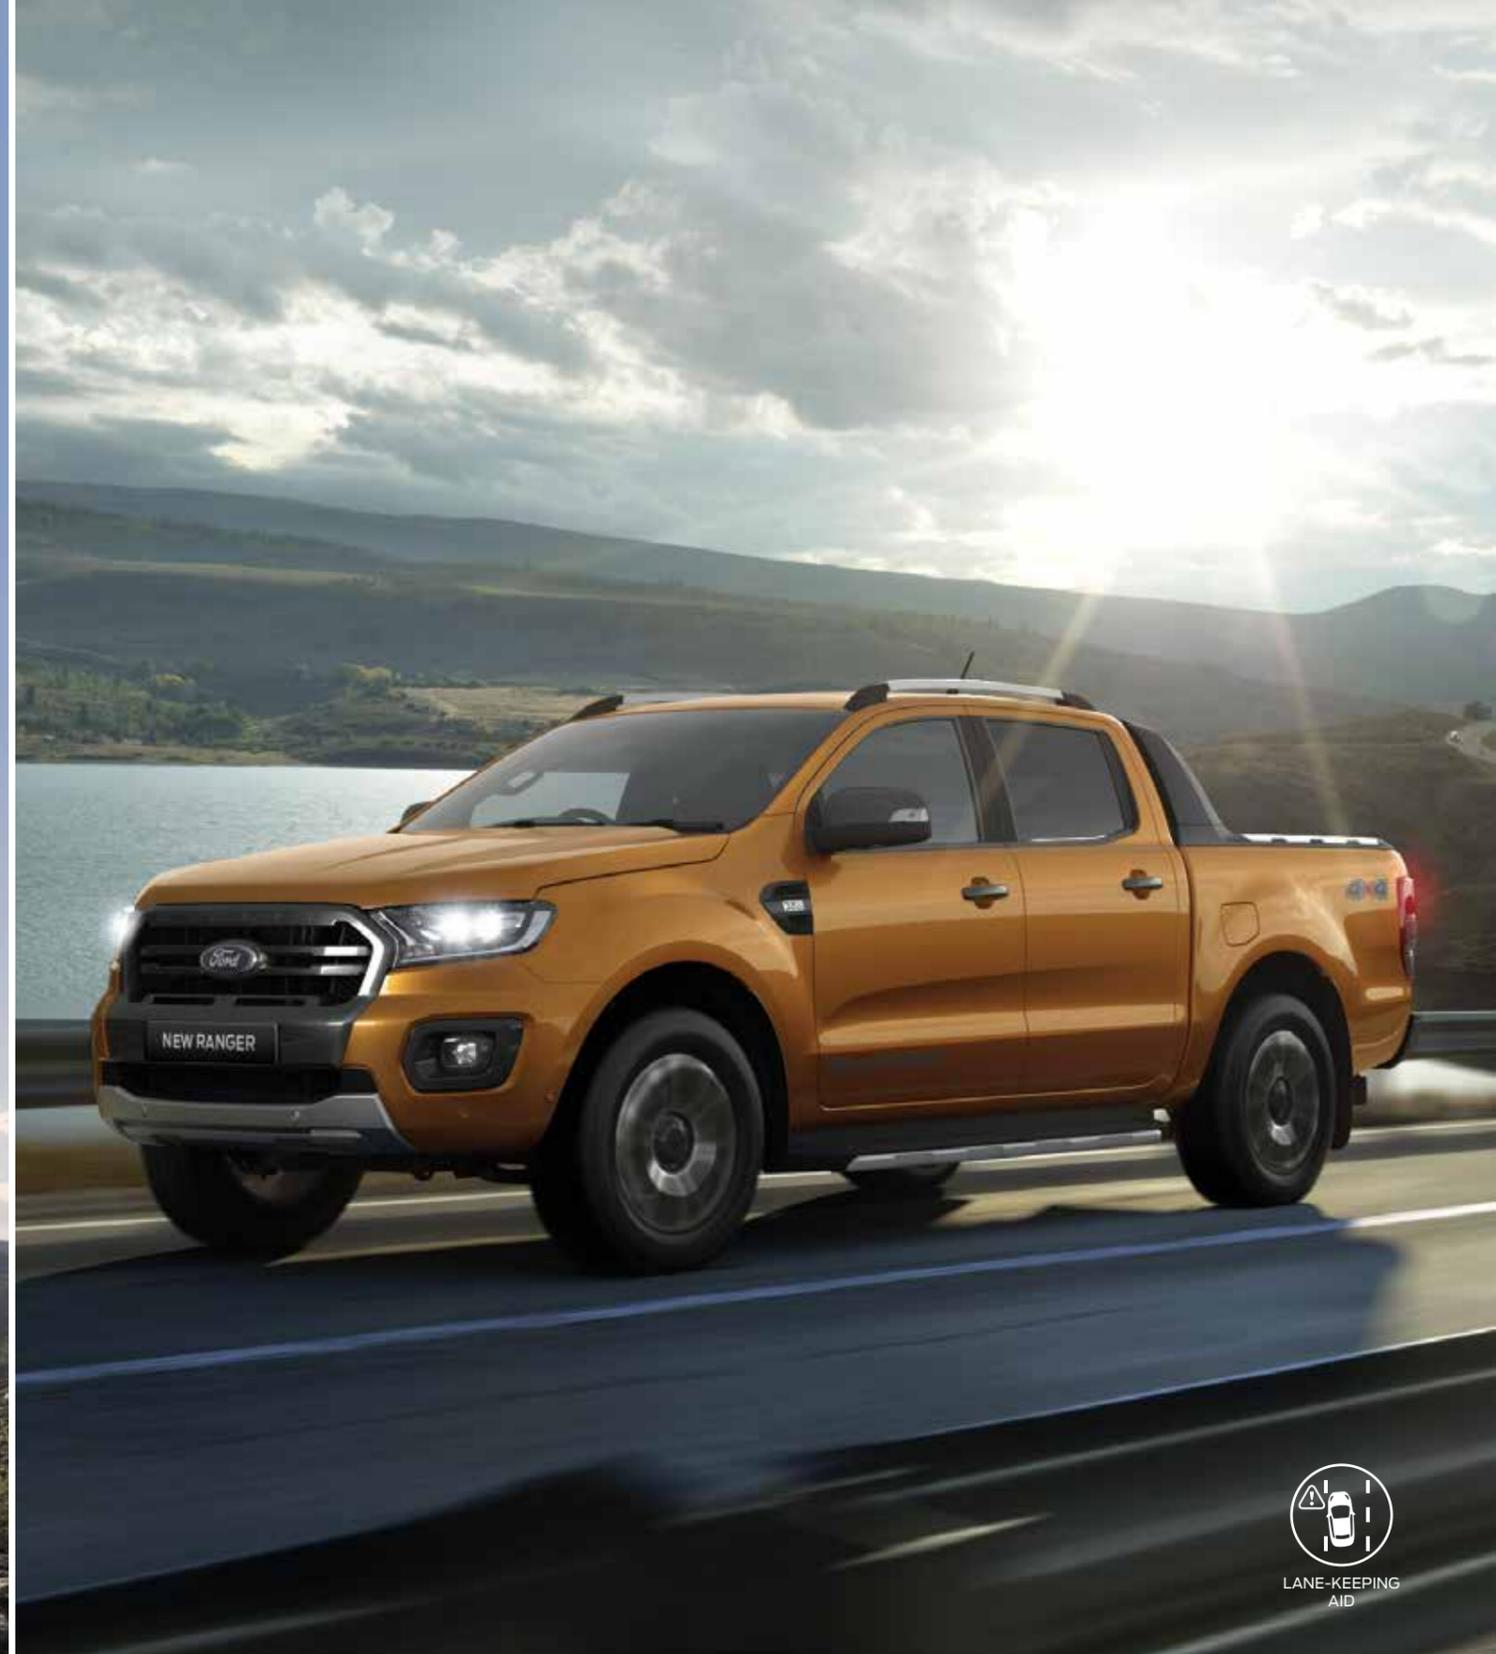

FORM MEETS FUNCTION

EASY LIFT TAILGATE*

You've got enough heavy lifting to do. Load your new **RANGER** with greater ease, thanks to the tailgate with lift assistance that now requires 70% less effort to close.

*Easy lift tailgate with lift assistance is available on XLT, and Wildtrak derivatives only.

LANE-KEEPING AID

LANE-DEPARTURE WARNING*

By monitoring road markings, it detects if you appear to unintentionally move out of your lane. If you do, your steering wheel will vibrate to warn you. If lane-departure warning continues it will also direct you back into your lane by applying steering torque, unless your indicator is on.

*Lane-departure warning available on Wildtrak derivatives only.

LOADBOX LIGHTING*

A light installed in the back of the new **RANGER** pick-up gives you all the light you need to get on with the job, no matter what time of the day or night.

*Loadbox lighting available on XLS, XLT, and Wildtrak derivatives only.

TYRE PRESSURE MONITORING SYSTEM*

When your tyre pressure isn't right it can compromise safety and fuel economy. The Tyre Pressure Monitoring System (TPMS) alerts you when one or more of your tyres has lost pressure.

*Tyre Pressure Monitoring System available on Wildtrak derivatives only.

MAKE LIGHT WORK OF BIG CHALLENGES.

TOTAL CAPABILITY

Raging river? No problem. Steep, sandy incline? Exciting. The new **RANGER** 4x4's 800mm water wading, Electronic/e-Locking Rear Differential, and driver assist features like Hill Descent Control make light work of any challenge.

800mm Water-Wading Capability*

It's not only on dry land that the new **RANGER** proves that it can take you just about anywhere you need to go. A river-taming 800mm makes sure there's very little that can come between you and getting the job done.

*800mm water-wading capability standard on all new **RANGER** hi-rider derivatives when maintaining a steady speed of 7km/h.

Towing capacity

With up to 3 500kg* towing capacity, you can confidently take on the biggest jobs. Trailer Sway Control[®] provides stability and greater control when towing a trailer.

*Towing capacity figures will vary according to specific derivative. See specification sheets. [®]Only available on Ford **APPROVED** towbar.

Electronic Diff-Lock

Take back control on steep inclines and loose surfaces with electronic locking rear differential. This helps you gain the best possible control over challenging and uneven terrains where it can be difficult to keep both rear wheels on the ground.

*Electronic locking rear differential not available on Base derivatives.

Hill Descent Control*

The new **RANGER** 4x4's Hill Descent Control is designed to automatically apply braking, as needed, to slow the vehicle to a set speed in off-road downhill conditions. Speed can be adjusted through the accelerator and the cruise control buttons.

*Hill Descent Control available on 4x4 derivatives only.

Electronic Shift-on-the-Fly 4x4*

Choose 4x2 for regular driving, 4x4 High Range for poor road surfaces and dirt tracks and 4x4 Low Range for exceptionally challenging terrain. Using Electronic Shift-on-the-Fly you can also switch between 4x2 and 4x4 High Range, whilst on the move.

*Electronic Shift-on-the-Fly available on 4x4 derivatives only.

NEW IMPROVED DIESEL ENGINES. **BIG POWER, SMALL APPETITES.**

The heart of the new **RANGER's** superior durability and strength just got an upgrade. The new **RANGER's** diesel engines deliver more than just big power numbers – they're more fuel-efficient than ever. So you can spend more time on the move and less time at the fuel pump.

BI-TURBO DIESEL

157kW / 500Nm

4-Cylinder Diesel Engine

The innovative Bi-Turbo diesel engine's two turbos work sequentially to deliver huge power and torque, combined with a state-of-the-art 10-speed auto transmission.

SINGLE-TURBO

132kW / 420Nm

4-Cylinder Diesel Engine

Not only does the Single-Turbo diesel engine deliver strong performance lower down the rev range, the 10-speed automatic transmission also helps improve fuel efficiency.

3.2L TDCI

147kW / 470Nm

5-Cylinder Diesel Engine

The tried, tested and trusty workhorse that has capably delivered seamless torque to thousands of **RANGERS**.

2.2L TDCI

118kW / 385Nm

4-Cylinder Diesel Engine

The economic choice, this engine will provide thrifty service for years.

MAKE IT YOURS.

Complementing the new **RANGER's** stylish design, and satisfying your personal taste, is a range of attractive colours.

17" Silver Alloy wheel
(Standard on XLT derivatives)
(Optional on XLS derivatives)
Available in black as an option at an additional cost for XLS, XLT, and XL (Super and Double Cab only)

18" Alloy wheel
(Available on Wildtrak derivatives only)

FORD WILDLIFE FOUNDATION
POWERED BY THE FORD RANGER

The Ford Wildlife Foundation (FWF) supports environmental education, research and conservation projects around Sub-Saharan Africa. The Ford **RANGER** is used to enable the projects to go further, and make a real impact in the environment in which they operate. For further information on the FWF, visit ford.co.za or email wildlife@ford.com.

FORD CREDIT

As part of the Ford family, Ford **CREDIT** can offer a number of unique finance options to make owning a new or used vehicle affordable and simple. For more information regarding Ford **CREDIT**, speak to your Ford Dealer or go to www.ford.co.za/buying/ford-credit/home.

FORD PROTECT

Genuine parts. Genuine service.

Enjoy years of trouble-free motoring and preserve the value of your new Ford by fitting only genuine Ford parts and accessories. Servicing your new Ford at a Ford Dealer will also protect you and your vehicle warranty.

Business and Commercial Fleet Customers.

The Ford portfolio of products is growing rapidly to meet your business needs.

Please contact your local Ford Dealer for more information
or visit our website at www.ford.co.za/fleet
or alternatively email us at fleetsa@ford.com.

Ford PROTECT

Ford **PROTECT** offers a holistic suite of service, maintenance, warranty and roadside-assistance products aimed at keeping your new **RANGER** in perfect working condition.

New Vehicle Warranty – Every new **RANGER** comes with a 4-yr/120 000km Comprehensive Warranty.

Service Plan¹ – Every new **RANGER** comes standard with a 6-yr/90 000km Service Plan, which covers all scheduled servicing except friction materials, i.e. brake pads and wiper blades.

Corrosion Warranty – Cover lasts for 5-yr/unlimited km.

Roadside Assistance – Cover lasts for 3-yr/unlimited km for mechanical, electrical, flat tyres, batteries, medical emergencies and towing, if needed, to the nearest Ford dealership.

New Vehicle Extended Warranty – An Extended Warranty may be purchased prior to the expiry of the 4-yr/120 000km New Vehicle Warranty, please contact your dealerships for additional options on the extended warranty.

Consult the vehicle handbook, www.ford.co.za or your nearest Ford Dealer for more information regarding Ford **PROTECT** plans and products.

¹All new **RANGER** derivatives purchased after 1 April 2018 will have service intervals as 12 months/15 000km, whichever comes first. **RANGER** derivatives purchased prior will have service intervals of 12 months/ 20 000km, whichever comes first.

The declared fuel consumption and CO₂ emissions figures were achieved during technical laboratory testing in accordance with the legislated technical specifications (SANS 20101: 2006/ECE R101: 2005 as last amended) and validated and approved by the UK Vehicle Certification Authority (VCA). Fuel consumption and CO₂ emissions figures are used to compare different vehicle types under uniform conditions, and are not necessarily indicative of real-life driving conditions. Note that the actual fuel consumption and emissions levels will depend on many factors and are directly affected by the length of the journey; number of passengers and the amount of luggage carried; individual driving style; road conditions; weather conditions; vehicle age, mileage, condition and standard of maintenance; use of vehicle features such as air conditioning; and any modifications to the vehicle. Your fuel economy will vary based on these and other factors and, for these reasons, many drivers may not achieve the EU fuel economy figures in day-to-day driving, although the vehicle is technically capable of doing so.

Quality

We design and build your Ford to feel as good after many years of service as it did the day you picked it up. And to drive just as beautifully too.

Green

Using advanced Ford technology, we're committed to creating vehicles with improved fuel economy, reduced CO₂ emissions and a lower overall cost of ownership.

Safe

Ford's Intelligent Protection System uses sophisticated technology designed to help prevent an accident and, if one should happen, to protect you.

Smart

Vehicles with smart intuitive technologies designed to connect your world, and many clever solutions from Ford that make life a little easier.

Ford reserves the right, subject to all applicable laws, to discontinue or change features and other specifications either temporarily or permanently, which will be communicated to the Ford Dealer Network. Printed January 2020.
