Geek Squad Protection Plan ("GSP Plan")

Geek Squad Protection Replacement Plan ("GSP-R Plan")

1. **The Plan.** These terms and conditions of this service contract ("Terms and Conditions") govern the hardware services we will provide you under the above-mentioned plans (each referred to herein as a "Plan") for the product identified on your purchase receipt as having coverage under a Plan ("Covered Product"). These Terms and Conditions describe the coverage under each type of Plan ("Coverage").
2. **When Your Plan Begins and Ends.** Your Plan begins on the later of (I) the date you purchase the Covered Product, or (II) the date your original Covered Product was delivered to you. The start dates for certain parts of the Coverage will depend upon the manufacturer's warranty as explained in Section 3.

Subject to certain exceptions providing for longer periods of Coverage as stated in Section 6 ("Product Specific Terms"), your Plan and the Coverage it provides will end as described below:

- a. **One-Time-Pay Plans.** If you paid for your Plan in one payment, based upon a specific term, Coverage under your Plan will end one, two, three, four or five years from the date on which it started, depending on the length of the Plan you purchased, unless it is renewed or cancelled, or our obligations under the Plan become fulfilled in their entirety, in accordance with Section 10 hereof.
 - b. **Term Plans Paid on a Monthly Basis.** If you select a Plan for a set period (e.g., 24 months) and pay for it on a monthly basis, then Coverage under your Plan will continue for the set Plan period, unless it is renewed, or is cancelled or our obligations under the Plan become fulfilled in their entirety in accordance with Section 10 hereof. Upon expiration of the set period of your Plan, your Coverage will continue thereafter on a month-to-month basis, but only if you (A) receive a notice from us inviting you to continue your Plan on a monthly basis thereafter and (B) promptly confirm in the manner specified in that notice that you would like to continue your Plan. If your Plan is renewed as set forth in the previous sentence, then your Coverage will continue until it is cancelled or our obligations have otherwise been fulfilled in their entirety in accordance with Section 10 hereof. Until the Plan described in this paragraph is cancelled or our obligations under the Plan become fulfilled in their entirety in accordance with Section 10 hereof, you authorize Best Buy to charge your credit or debit card for (A) the amount specified on your payment receipt, plus tax, for each month of the set Plan period specified on your payment receipt, and (B) for each month of any renewal period(s) at the rates you agree upon when you elect to renew, plus tax. Your account must be current to receive service.
 - c. **Continuous Monthly Plans.** If you select a month-to-month Plan, your Plan will continue indefinitely on a month-to-month basis until it is cancelled or we have fulfilled our obligations under the Plan in accordance with Section 10 hereof. Until the Plan described in this paragraph is cancelled, our obligations under the Plan become fulfilled in their entirety in accordance with Section 10 hereof, or we send you notice of a change in the amount of the monthly charge for this Plan, you authorize Best Buy to charge your credit or debit card for the amount specified on your payment receipt each month. If the amount of the monthly charge for your Plan is changed, we will send you notice of the new monthly charge at least 60 days in advance. If you do not cancel your Plan prior to the effective date for the new monthly charge stated on the notice, you authorize Best Buy to charge your credit or debit card for the amount of the new monthly charge specified on the notice each month thereafter. Your account must be current to receive service.
 - d. **Cancellations/Renewals/Fulfillment.** For information on how your Plan may be cancelled or renewed or how our obligations are fulfilled under your Plan in their entirety, please refer to Section 10, below.
3. **Manufacturer's Warranty.**
 - a. Parts and services covered under the manufacturer's warranty are the manufacturer's responsibility and are not covered by us under this Plan during the manufacturer's warranty period. Therefore, the Coverage for hardware failure under the GSP Plan and GSP-R Plan described in Section 5 will begin when the manufacturer's warranty expires except that if the manufacturer's warranty does not cover one of the listed Coverage items in Section 5, this Plan will provide coverage on the Plan start date.
 - b. Although not covered by this Plan, at our discretion we may offer to help facilitate manufacturer's warranty claims by providing you administrative assistance to process a manufacturer's warranty claim directly with the manufacturer.
 4. **Repair or Replacement of Covered Products.** Any time your Covered Product is to be repaired or replaced in accordance with these Terms and Conditions, at our sole discretion, we have the option of:
 - a. Repairing your Covered Product (unless you have purchased a GSP-R Plan, in which case only options (b) and (c) immediately below will apply). Replacement parts utilized for repair service will be, at our sole discretion, new, refurbished or non-original manufacturer's parts that perform to the factory specifications.
 - b. Reimbursing you for replacement with a voucher or gift card equal to the Covered Product's current market value, as determined by us, not to exceed the original purchase price of your Covered Product.
 - c. Replacing your Covered Product with a product of like kind and quality and of comparable performance. If we replace your Covered Product, the following may apply:
 - i. Technological advances may result in a replacement product with a lower selling price than the original Covered Product;
 - ii. Replacement products and parts may be new or refurbished (at our discretion) which meet the manufacturer's specifications of the Covered Product or parts;
 - iii. Covered Products and parts which are replaced become our property except where prohibited by law.

5. **TYPES OF PLANS AND COVERAGE.** There are three types of Plans and Coverage available:

- a. **GSP Plan**
- b. **Accidental Damage from Handling (“ADH Coverage”)**
- c. **GSP-R Plan**

What follows are descriptions of the above Plans and Coverage.

- a. **GSP PLAN.** Your GSP Plan will be identified/described on your receipt in the following manner (see the area on the receipt below that is circled):

```

- I. Except to the extent covered by the manufacturer’s warranty and subject to the conditions stated in these Terms and Conditions, under the GSP Plan, we will repair or replace your Covered Product in the event of a hardware failure resulting from:
 - i. Defects in material or workmanship;
 - ii. Normal wear and tear
 - iii. Dust, internal overheating, internal humidity/condensation;
 - iv. Power surge/fluctuation;
 - v. Defective pixels for those Covered Products that have a pixel-based display. Pixel repair will be based upon three defective pixels throughout the entire display area;
 - vi. Screen image burn-in;
 - vii. **One-Time Battery Replacement.** You are limited to a one-time rechargeable battery replacement for Covered Products when the original battery is defective, as determined by us at our sole discretion. A battery qualifies for replacement if it fails to hold a charge per manufacturer guidelines. You will be required to return the original battery to us. We may require the Covered Product be sent to a service center to replace the battery. Disposable batteries (AA, AAA, C, LR44, DL123A, etc.) do not qualify for this coverage. For mobile phones and tablets, you will be required to pay a service fee, as described in Section 6(b)(i) below, if we elect to fulfill this one-time battery replacement by exchanging your device with a replacement device (new or refurbished) or if we issue you a gift card for the value of your device as explained in Section 4(b).
 - viii. If you purchased an installation or delivery service from Best Buy when you purchased your Covered Product and you receive a replacement product pursuant to these Terms and Conditions, or if it is necessary for us to remove your Covered Product for it to be serviced, we will cover the delivery and/or re-installation costs for your replacement product or serviced product exclusive of parts such as mounting brackets, kits, etc. that may be needed to complete the installation.
- II. **Accessories (e.g., chargers, remote controls, cradle, 3-D glasses) are excluded from the Coverage under this Plan.**
- III. **Service Fee.** With respect to a claim submitted for a mobile phone or a tablet you will be required to pay a service fee, as further described in Section 6(b)(i) below.
- IV. **No-Lemon Benefit.**
 - i. After two qualified service repairs concerning the same defect have been attempted or completed on an individual Covered Product during your Plan and such Covered Product requires a third qualified repair, we will replace it in accordance with the replacement terms of Section 4 above (the “No-Lemon Benefit”), and our obligations under this Plan will have been fulfilled in their entirety. We reserve the right to determine whether a repair is a qualified repair. For clearance, open-box, and other Covered Products originally purchased at a discount, we reserve the right to issue a gift card or voucher for the original discounted purchase price plus tax instead of offering a replacement, which would also fulfill your Plan.
 - ii. You have 90 days from the date of our No-Lemon Benefit authorization to complete your Covered Product replacement transaction.
 - iii. After we have performed a qualified repair, any additional repair requiring functional part(s) replacement or technician-required adjustment made during Best Buy’s 30-day service warranty (“Re-Do’s”) will not be considered a qualified repair towards the No-Lemon Benefit.
 - iv. The original Covered Product and purchase receipts must be returned to Best Buy along with authorized service repair receipts from two separate qualified repairs to qualify towards the No-Lemon Benefit. A service request requiring functional part(s) repair/replacement or technician-required adjustment is the equivalent of one repair.
 - v. **The following services are not ‘qualified repairs’ for purposes of the No-Lemon Benefit:** Preventative maintenance checks; Re-Do’s; consumer-requested alignments; bulb replacements; cleanings; product diagnosis; computer software-related issues; virus and/or spyware damage/removal; a no-fault-found diagnosis;

repairs done outside the U.S.A.; customer education; troubleshooting/telephone diagnosis; and accessory repairs/replacements. In addition, service repairs to accessories (e.g., ice makers, rechargeable batteries, remote controls) are not 'qualified repairs'. In addition, ADH Coverage repairs and parts and service covered under the manufacturer's warranty during the manufacturer's warranty period or due to a manufacturer's recall do not qualify towards the No-Lemon Benefit.

vi. The No-Lemon Benefit expires when your original Plan term expires (i.e., you will not receive No-Lemon Benefit during any renewal term of this Plan).

V. **Product Specific Terms.** In addition to the terms above, please see the additional specific Coverage terms for the Covered Products identified in Section 6.

b. **ADH Coverage:** If you have purchased a GSP Plan with ADH Coverage, it will be identified/described on your receipt in the following manner (see the area on the receipt below that is circled):
