# 2013 ALTIMA® COUPE

## Nissan. Innovation that excites.™ NISSAN ALTIMA® COUPE

Shouldn't you drive something you love? Absolutely. And that's what inspires our innovation. We look at every part of your drive and ask how can we make this better, smarter and more fun. So when you get in your new Altima, you'll feel how exciting the answers can be:

**Keyless getaway.** The Nissan Intelligent Key® lets you get in and drive off without ever touching your keys.

**Smooth power.** Unique "gearless" CVT transmission provides a seamless wave of power.

**Music savvy.** Connect your iPod® via USB input and play it loud with the available Bose® audio system from any seat in the car.<sup>1,2</sup>

**Easier parking.** Available RearView Monitor helps you see what's directly behind you. Great for tight parking spots.<sup>3</sup>

Looking for more? Visit Altima on Facebook® or Twitter® to see what owners have to say. Find walkarounds, product demos and more on YouTube®.

# TAKE EVERY ROAD IN STYLE.

## THE FEELING OF INNOVATION.

What if a car could get your heart racing before you even got behind the wheel? Or if it could be as powerful as it is beautiful? When creating the Altima® Coupe, we didn't just subtract two doors, we started with a clean sheet. The result is stunning. With a shorter, more agile wheelbase and a lower, sportier ride height, the coupe goes beyond a styling statement. It's pure coupe performance for a drive you'll fall in love with every time you start the engine.

**Nissan. Innovation that excites.™**

Nissan Altima 2.5 S Coupe shown in Pearl White.

THE START OF SOMETHING BEAUTIFUL.

Nissan Altima 2.5 S Coupe shown in Cayenne Red.

## AMPING UP THE EVERYDAY.

Altima Coupe's lower ride height and shorter wheelbase give it a sporty stance and an agile, responsive ride. So you can drive it like what it is – a true coupe.

**Engine.** Go for fun. The high-energy 175 HP 4-cylinder engine gives you friction-reducing technology like molybdenum-coated pistons and microfinished components. What's that all mean? You can have responsive, velvety smooth performance while still achieving an impressive 6.2 L/100 km (46 MPG):

**175** HP | **6.2** L/100 KM  
(46 MPG)<sup>1</sup> HWY

**Continuously Variable Transmission (CVT).** Altima Coupe's virtually gearless CVT transmission is a game-changer. Its super-smooth action creates the sensation of riding a continuous wave of power.

**Z<sup>®</sup>-inspired suspension.** It's nice to have a legend to borrow from. Your Coupe's Z<sup>®</sup>-inspired suspension features a lightweight multi-link design for a quick response that keeps you directly in touch with the road while still providing a level ride through the twisty stuff.

**Vehicle-speed-sensitive steering.** Light when navigating a parking lot, more weighted when tackling the turns. That's a win-win. More boost at low speeds makes manoeuvring easier, and less boost at higher speeds helps give you a secure, confident feel.

**Vehicle Dynamic Control (VDC)/Traction Control System (TCS).** A slick spot in a corner can have you suddenly going in a direction you didn't want. VDC monitors steering and braking in comparison to the vehicle's actual path and reduces engine power and/or applies appropriate brake pressure to specific wheels to help keep you on your steered path.<sup>2</sup> When the Traction Control System senses drive-wheel spin, it responds by reducing throttle or applying brake pressure to help maintain traction.

**Standard Anti-lock Braking System (ABS)/Electronic Brake force Distribution (EBD).** The standard ABS pumps the brakes faster than you possibly can in panic-braking situations. This helps prevent wheel lockup, so you can continue to steer around obstacles while continuing to brake heavily. When you have a car full of passengers, EBD senses the extra weight and sends additional force to the rear brakes for even greater confidence behind the wheel.

**DEALER**  
E-PROCESS

<sup>1</sup>2013 Fuel Consumption Estimate. Actual mileage may vary with driving conditions – use for comparison only. <sup>2</sup>VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. Always drive safely.

Nissan Altima 2.5 S Coupe shown in Navy Blue.

## THE FEELING OF AN INSTANT CONNECTION.

From perfectly placed controls to body-hugging buckets, your Altima Coupe's interior puts you at the centre of everything. While advanced technologies keep you in touch and entertained through every thrilling kilometre.

**RearView Monitor.** Backing up in a crowded parking lot? Get a clearer picture of what's directly behind you with the available RearView Monitor.<sup>1</sup>

**Nissan Intelligent Key® with Push Button Ignition.** Forget fumbling to find your keys. Just leave the keys in your pocket or purse, walk up to your Altima and tap a button on the door to unlock it, then just push a button and go with standard Push Button Ignition.

**iPod®/USB Interface.** How great would it be to connect your iPod® or other portable MP3 player and listen to your own playlists or podcasts? Now you can with this available feature. Even control your iPod® through Altima's stereo controls.<sup>2,3</sup>

**Bose® Audio System.** With the available 9-speaker Bose® audio system at your disposal, you'll actually feel like you're at the concert. The 109 mm (4.3") display shows what song is up next on your MP3 CDs and even lets you browse through your folders at the touch of a button.

**Bluetooth® Hands-Free Phone System.** Make or receive calls with a touch of a button on the steering wheel with the available Bluetooth® System. All while your phone stays tucked away.<sup>4</sup>

<sup>1</sup>Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. <sup>2</sup>Driving is serious business and requires your full attention. Do not operate any devices connected to the USB or auxiliary audio input jack while driving. <sup>3</sup>Always give your full attention to driving. Avoid operating your iPod® in such a way that you can be distracted during vehicle operation. See dealer for details. iPod is a registered trademark of Apple, Inc. All rights reserved. iPod not included. <sup>4</sup>Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. The Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under licence. Bose® is a registered trademark of The Bose Corporation.

## MOVING FORWARD WITH CONFIDENCE.

We're not just looking out for your safety, we're taking a stand – incorporating Brake Override Technology across our lineup ahead of others in the industry, and offering an industry-first guide to help ensure the correct installation of child safety seats. That, along with features like six standard airbags and a rigorous durability testing program, should help you feel confident whenever you're in your Altima.

**Brake Override Technology.** Like every Nissan since 2005, Altima comes standard with Brake Override Technology. It's designed to help slow down your vehicle and bring it to a safe stop in an emergency by overriding accelerator input and reducing engine power when the accelerator and brake pedals are applied simultaneously.

**Nissan Advanced Airbag System.** Incorporates seat belt sensors and an occupant-classification sensor to inflate the dual-stage supplemental front airbags according to crash severity and seat belt usage. Altima also has front side-impact supplemental airbags built into the seats, so they move with you. In addition, roof-mounted curtain supplemental airbags help protect you in the event of a side impact.<sup>1</sup>

**Front-seat Active Head Restraints.** Designed to move up and forward in certain rear-end collisions to help cushion the blow if one should occur.

**snug4kids.** Nissan safety engineers have dedicated thousands of hours to evaluating hundreds of child restraints in Nissans. The result: An industry first, The Snug Kids Child Safety Seat Fit Guide. This guide lists child seats that fit the rear seats of Nissan vehicles, as well as offers tips on correct installation. Look for the latest Fit Guide at [nissan.ca/owners/en](http://nissan.ca/owners/en)

**LATCH System.** The Altima LATCH System (Lower Anchors and Tethers for CHildren) lets you secure LATCH-compatible child restraints in the rear seats without having to use seat belts or a locking clip.

U.S. model shown.

Information Provided by:

**DEALER**  
E-PROGRESS

<sup>1</sup>Airbags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. Also, in addition to any other requirement of applicable law, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Airbags will only inflate in certain accidents; see your Owner's Manual for more details. Inflated airbags shown for illustration purposes only, actual coverage area may differ. Airbags deflate after deployment.

## FEATURES AND SPECIFICATIONS

Engine	2.5 S
QR25DE – 2.5-litre DOHC 16-valve 4-cylinder engine	■
– Horsepower – 175 HP @ 5600 rpm	
– Torque – 180 lb-ft @ 3900 rpm	
Emissions – ULEV	■
Continuously Variable Valve Timing Control	■
Variable intake system	■
Nissan Direct Ignition System with platinum-tipped spark plugs	■
Electronic drive-by-wire throttle	■
Engine block heater	■

Drivetrain	
Front engine/Front-Wheel Drive	■
Xtronic CVT® (Continuously Variable Transmission) with manual mode	■

Brakes	
11.7" Front vented disc/11.5" rear disc brakes	■
4-wheel Anti-lock Braking System (ABS)	■
Electronic Brake force Distribution (EBD)	■

Suspension/Steering	
Independent strut front suspension	■
Multi-link independent rear suspension	■
Front and rear stabilizer bars	■
Vehicle-speed-sensitive power-assisted rack-and-pinion steering	■

Wheels/Tires	
17" x 7.5" 5-spoke aluminum-alloy wheels	■
P215/55TR17 T-rated all-season tires	■

Exterior Features	
Automatic on/off headlights	■
Dual body-colour power heated outside mirrors	■
Power sliding glass moonroof with tilt feature	■
Dual exhaust with single chrome-tip finishers	■
UV-reducing solar glass	■
Splash guards	■

Comfort/Convenience	2.5 S
Nissan Intelligent Key® with Push Button Ignition	■
Bluetooth® Hands-Free Phone System	P
HomeLink® universal garage-door opener	P
RearView Monitor	P
Air conditioning with in-cabin microfilter	■
Dual Zone Automatic Climate Control (ACC) with in-cabin microfilter	P
Rear passenger floor vents	■
Power windows with driver one-touch auto-up/down	■
Front-passenger window one-touch auto-down/up	■
Power door locks with auto-locking feature	■
Remote keyless entry with trunk release	■
Remote keyless front windows down	■
Key-operated front windows down/up	■
Cruise control with steering wheel-mounted controls	■
Fine Vision gauges and trip computer with multiple displays	■
Tilt and telescoping steering column	■
Speed-sensitive variable intermittent flat-blade wipers	■
Dual illuminated visor vanity mirrors with sun visor extenders	■
Auto-dimming rearview mirror with compass	P
12-volt DC power outlets (two) and retained accessory power	■
Mood lamp in roof console	P
Trunk side net	■

Seating/Appointments	
8-way power adjustable driver's seat	■
Manual driver's seat lumbar support	■
Heated front seats	■
Cloth seats	■
Leather seating surfaces	P
Leather-wrapped steering wheel	■
Leather-wrapped shift knob	P
Metallic-tone trim	■
Textured metallic-tone trim (Charcoal Leather interior)	P
60/40 Split fold-down rear seatbacks	■

Audio/Entertainment	
AM/FM/CD audio system with six speakers	■
Bose® audio system with AM/FM/CD with 109 mm (4.3") colour display, nine speakers, Radio Data System (RDS), and MP3/WMA CD playback capability	P
SiriusXM Satellite Radio¹	P
USB connection port for iPod® interface and other compatible devices	P
Illuminated steering wheel-mounted audio controls	■
Speed-sensitive volume control	P
Auxiliary audio input jack	■

Safety/Security	2.5 S
Nissan Advanced Airbag System with dual-stage supplemental front airbags with seat belt sensors	■
Driver and front-passenger seat-mounted supplemental side-impact airbags	■
Roof-mounted curtain side-impact supplemental airbags for front and rear-seat outboard occupant head protection	■
Vehicle Dynamic Control (VDC) with Traction Control System (TCS)	■
Front seat belts with pretensioners and load limiters	■
Front-seat Active Head Restraints	■
3-point ALR/ELR passenger seat belts (ELR for driver)	■
LATCH System (Lower Anchors and Tethers for CHildren)	■
Energy-absorbing steering column; pipe-style steel side-door guard beams	■
Zone Body construction with front and rear crumple zones	■
Hood-buckling creases	■
Tire Pressure Monitoring System (TPMS)	■
Immobilizer Key System	■
Anti-theft system	■

■ Standard  
 P Part of Premium Package

## PACKAGE

### P Premium Package

- Leather seating surfaces
- Bose® audio system with 109 mm (4.3") colour display
- SiriusXM Satellite Radio¹
- USB connection port for iPod® interface
- Speed-sensitive volume control
- Bluetooth® Hands-Free Phone System
- Leather-wrapped shift knob
- Dual-zone Automatic Climate Control (ACC)
- Auto-dimming rearview mirror with compass
- RearView Monitor
- HomeLink® universal garage-door opener
- Textured metallic-tone trim (Charcoal interior)
- Mood lamp in roof console

## DIMENSIONS/CAPACITIES/WEIGHTS/FUEL

Dimensions – mm (inches)	
<b>Exterior</b>	
Wheelbase	2675 (105.3)
Overall length	4595 (180.9)
Overall width	1795 (70.7)
Overall height	1421 (55.9)
Track width (front/rear)	1550 (61.0)/1555 (61.2)

Interior (front/rear)	
Head room	946/903 (37.2/35.6)
Leg room	1081/874 (42.5/34.4)
Hip room	1376/1210 (54.2/47.6)
Shoulder room	1368/1332 (53.9/52.4)

Capacities	
Seating capacity	5
Interior passenger volume – L (cu. ft.)	2529 (89.3)
Cargo volume – L (cu. ft.)	232 (8.2)
Fuel tank – L (Imp gal)	76 (16.7)

Curb Weights – kg (lbs.)	
Xtronic CVT® base total	1424 (3140)

2013 Fuel Consumption Estimates – L/100 km (MPG)	
City	8.9 (32)
Highway	6.2 (46)

– Actual mileage may vary with driving conditions – use for comparison only.

COMMITMENT

Buying and owning a Nissan is like driving one: quick, convenient, confidence-inspiring.

**Finance Options** Through Nissan Canada Finance, we offer many attractive purchase and lease programs, all with competitive rates and terms. With our flexible finance options, driving home a new Nissan has never been easier. Consult your local Nissan Dealership for complete details.

**No-Nonsense Warranty** Every 2013 Nissan is covered by a 3 year/60,000 km<sup>3</sup> Comprehensive New Vehicle Warranty, a 5 year/100,000 km<sup>3</sup> Powertrain Warranty, an 8 year/130,000 km<sup>3</sup> Emission Control Warranty on selected components, and a 5 year/unlimited km Corrosion Perforation Warranty. As a Nissan owner, you'll also receive a 3 year Roadside Assistance program available to you 24 hours a day. Terms, conditions and exclusions apply. See Warranty Information Booklet for complete details.

**Added Security Plan (ASP)** For ultimate peace of mind, consider the Nissan Added Security Plan. It's our commitment to be there for you, and to help you leave your worries behind. Different plans, available for both purchased and leased vehicles, let you tailor the coverage to your driving habits.

Nissan's philosophy toward the environment, "Seeking a symbiosis of people, vehicles and nature," describes our ideal for a sustainable mobile society, now and in the future. We launched the Nissan Green Program with specific objectives to realize this goal, and we are pursuing it energetically.

<sup>2</sup>See your Nissan Dealership and read the actual limited warranty. <sup>3</sup>Whichever comes first.
