Use these transport brackets only to secure an unoccupied wheelchair during transport. As of this date, the Department of Transportation has not approved any tie-down systems for transportation of a user while in a wheelchair, in a moving vehicle of any type. It is Invacare's position that users of wheelchairs should be transferred into appropriate seating in vehicles for transportation and use be made of the restraints made available by the auto industry. Invacare cannot and does not recommend any wheelchair transportation systems.

* Transport Tie Down option is not retrofittable to existing models and is not field serviceable.
