## LIFELINE

Lifeline is a government assistance program that offers qualified customers a discount on their monthly bill.

### How much can I save?

Qualifying customers will save <sup>\$</sup>9<sup>25</sup> per month off of the monthly access for Lifeline service.

### How do I qualify for Lifeline?

Requirements vary by state. In North Carolina, you may qualify for Lifeline assistance if your total household income is at or below 135% of the Federal Poverty Guidelines or if you, or your dependant(s), or a member of your household is currently eligible to receive benefits from any of the following public assistance programs:

- Food Stamps/Supplemental Nutrition Assistance Program (SNAP)
- Medicaid (not Medicare)
- Federal Public Housing Assistance (including Section 8)
- National School Lunch Program's free lunch program (must qualify for free lunch)
- Low Income Home Energy Assistance (LIHEAP)
- Temporary Assistance for Needy Families (TANF)
- Supplemental Security Income (SSI)

If you qualify based on participation in one of the public assistance programs listed above, you must provide a copy of documentation demonstrating your participation in the program.

If you qualify based on total household income, you must provide copies of one of the documents below:

- Prior year's State, Federal or Tribal Tax Return
- Social Security Benefits Statements
- Veterans Administration Benefits Statements
- Current Income Statements from Employer or Paycheck Stubs
- Retirement/Pension Benefit Statements
- Divorce Decree or Child Support Documents
- Unemployment/Workers Compensation Benefits Statements

If you provide documentation that does not cover a full year (such as current paycheck stubs), you must submit three (3) consecutive months' worth of the same type of document from the previous twelve months.

### Are there any restrictions?

**Yes, the Lifeline discount is limited to a single line of service and limited to one per household. You may not apply for multiple Lifeline discounts and must choose to apply your Lifeline discount to either a landline or wireless number, but not both. Please note that other service providers may use terms other than "Lifeline" to describe the Lifeline program. You will be required to certify under penalty of perjury that you will comply with this requirement.** Lifeline is only available to a subscriber whose residential address is located within Verizon Wireless' Lifeline service area. Lifeline may not be applied retroactively.

Lifeline is a federal benefit and willfully making false statements to obtain Lifeline can result in fines, imprisonment, de-enrollment or being barred from the program. Lifeline is non-transferable and you may not transfer this discount to any other person. **For more information call 1.800.924.0585.**

### How do I apply for Lifeline?

You must complete a Lifeline Application and certify, under penalty of perjury, to Verizon Wireless that you are currently eligible to receive benefits from a qualifying government program.
