

REALIZE YOUR VISION FOR A WORLD-CLASS GUEST EXPERIENCE.

Why top developers choose Lutron.

Achieve your business goals with solutions that:

- enhance top-line revenues – light that works as an amenity
- differentiate your property
- enhance asset value
- increase building performance
- reduce operating costs

Deliver your project on time and on budget with a trusted partner:

- 60 years of best-in-class innovation
- Expertly made products that work exactly as you expect, every time
- Multiple service and warranty options (8-year international warranty)
- Start-to-finish project support (design, budgeting, project management, install and commissioning, maintenance and upgrade)
- 24/7 Technical Support

Global portfolio and service:

- Best-in-class solutions to meet any performance and budget requirements
- The only global provider with lighting and shading solutions for every space type – plus integrated HVAC for guestrooms and residences
- More than 40,000 guestrooms around the world with our myRoom solution installed

Trusted by major *brands* and small *boutiques*.
