Model LS6126-3

Three Handset Cordless Phone System with Digital Answering Device and Caller ID

Interference free

Interference free for crystal clear conversations—won't interfere with wireless networks and other electronic devices.

Digital answering system

With 15 minutes of recording time, the digital answering system answers the call when you can't. No tapes or moving parts.

Handset speakerphone

With the touch of a button, the handset speakerphone makes hands-free conversations easy.

Features

- DECT 6.0 Digital technology provides the best sound quality, security and range in cordless phones
- Interference free for crystal clear conversations—won't interfere with wireless networks and other electronic devices
- Protect yourself from identity theft with digital security—your call is digitized and encrypted, making it nearly impossible for someone to eavesdrop
