About Molina

Ever since our founder, Dr. C. David Molina, opened his first clinic in 1980, it has been our mission to provide high-quality health care to those in need. We are committed to you and today, as always, we treat our members like family.

If you don't have health coverage, you might have to pay extra at tax time. In 2016, the penalty is either 2.5% of your income or \$695 per person, whichever is greater. Remember, you may be able to get help paying for health care. So enroll and avoid penalties.

Molina offers a variety of plans to fit your needs

Lower premiums often mean higher deductibles. But this is just an overview.
