Acrylic Media Displays

- Clear plastic

Maximize your display space with these plastic cubes that fit easily on tabletops or shelving ranges. Choose from cubes in 3 sizes to hold all different types of media including paperbacks, videos, DVDs and CDs. Cubes have 4 compartments for storing media. Starter/Add-on design allows units to be stacked up to 3 units high. Units nest together by fitting the square peg on top of 1 unit into the square hole on the bottom of the other unit. Different size cubes may be nested together to customize your media display and meet your unique needs. Add the optional carousel base and your cube becomes a revolving spinner. Optional Sign Holder (sold separately) draws attention to special collections.
