NOTE:

The offers listed in this brochure may only feature a sample of the qualifying and redeemable products available for each promotion. Visit the offer link to view the full details of each promotion. Promotions are subject to change. Check the New Lab Start-Up website for the most up-to-date list of available promotions.

These promotions are not available to our current or potential healthcare customers. Healthcare customers include any healthcare practitioner, other healthcare provider or any individual or organization authorized to prescribe, dispense, purchase or influence the acquisition or use of medical devices or supplies for clinical use. Healthcare customers include, without limitation, any "Health Care Practitioner" under the Massachusetts Marketing Code of Conduct Law (defined at 105 C.M.R §907.004) or a "Health Care Provider" under the Vermont Prescribed Products Gift Ban and Disclosure Law (defined at Vt. Stat. Ann. tit. 18, §4631a(8)). By participating in any of these promotions, you warrant that you are not a current or potential healthcare customer. Thermo Fisher Scientific reserves the right to determine your status in the event of a dispute.

This Is How It Works

1: Qualify

To qualify for the New Lab Start-Up Program, you must have done one of the following within the last year:

- Built or established a new lab
- Received your first research grant
- Moved to a new location

In the U.S., the New Lab Start-Up Program is restricted from current or potential healthcare customers. Because many institutions have affiliations with healthcare professionals (HCPs), we need to validate that your lab's activity, personnel, and purchasing are not considered HCPs prior to admission into the New Lab Start-Up program.

Visit fishersci.com/newlab or fishersci.ca/newlab to apply.

Once your application is accepted, you'll receive a welcome email with your unique **PIN**. And keep your **PIN handy**. You'll need it every time you redeem a New Lab Start-Up offer.

2: Shop

- Browse more than 60 special offers by category and supplier
- Purchase the qualifying products you need for your new lab

NOTE: Product redemptions are at list price.

Visit fishersci.com/newlab or fishersci.ca/newlab to see full redemption instructions.

3: Save

- Visit the redemption center from the New Lab Start-Up homepage and sign in using your NLSU PIN and email
- Fill out the form and your redeemable product list as applicable and submit

Take advantage of as many New Lab Start-Up promotions as you'd like during your membership in the program. Each offer is limited to one redemption. Qualifying purchases must be made on a single purchase order unless otherwise specified.

You will receive your redeemable product(s) approximately six to eight weeks after your submission.

Visit fishersci.com/newlab or fishersci.ca/newlab for promotion and redemption information.

Build Your Product Checklist

It's easy to create a list of the products you need and share it with your sales rep to get a customized quote for your lab.

Visit fishersci.com/newlab or fishersci.ca/newlab to get started.

Frequently Asked Questions

- Q** Where do I sign up for the New Lab Start-Up Program?
A: Visit **fishersci.com/newlab** or **fishersci.ca/newlab** to sign up.
- Q** How long will it take to get my PIN?
A: It can take 24 to 48 business hours to receive your PIN.
- Q** What do I do if I forget my PIN?
A: Please contact **NewLabStartUp@thermo.com** if you forget your PIN.
- Q** How long will it take for me to receive my products after submitting a redemption form?
A: It can take six to eight weeks from the day you send in the NLSU redemption form. If there are any issues with the redemption or more information is needed, delays may occur. In this case, an NLSU team member will contact you.
- Q** Can I redeem an offer more than once?
A: You can only redeem each of the offers once.
- Q** Am I able to combine multiple purchase orders to meet the qualifications of the offer?
A: All of the qualifying purchases must be made on a single purchase order unless otherwise specified.
- Q** How do I submit a redemption form?
A: Visit **fishersci.com/newlab** or **fishersci.ca/newlab** and click the Log In & Redeem button. Use the email address you signed up with and your PIN to redeem.
- Q** Can my PIN be reactivated?
A: We can't reactivate an NLSU PIN.
- Q** How long do I have to submit my redemption(s)?
A: You have 12 months from the day you were approved for the NLSU program to make qualifying purchases and redeem your items.
- Q** Who can I contact if I have issues with a redemption?
A: Please contact **NewLabStartUp@thermo.com** with any redemption-related issues.
- Q** Can I select redemption items based on my specific pricing?
A: Product redemptions are at list price.
- Q** If the product I would like to redeem exceeds the "up to" dollar amount listed on the offer, may I redeem and pay the difference?
A: No. The list price total for the item(s) redeemed cannot exceed the "up to" dollar amount listed on the offer.
