RE: Proposed Calendar for 2021 Budget

Attached is the calendar of action in connection with the 2021 Budget, based on the statutory deadlines (“Required Date”). We need to set a date for the Budget Workshop. Since this is a Special Meeting and not a regularly scheduled Board Meeting, it does not necessarily have to be on a Monday.

I would like to suggest that this first workshop be scheduled for a date after September 8 (I should have the July sales tax numbers so they may be incorporated into our 2021 projections). We would start at 12:30 (unless the Board would like Staff to provide lunch, in which case a Noon start would be preferable) and go until 4:30, unless we need to work later. Please check your calendars to see which date in September works best.

I am aiming for a public hearing on October 26 and budget adoption by November 9 this year. If there are any conflicts with attendance, please let me know as soon as possible so adjustments may be made. A successful budget adoption requires four affirmative Board member votes.
