December 2016

This notice applies to your vehicle:

RE: 2015 Fit
NHTSA Recall 15V-559

IMPORTANT

- **Your vehicle is included in a safety recall and should have the recall service done as soon as possible.**
- **Any authorized Honda dealer will perform the recall service at no charge to you.**

Dear

What is the reason for this notice?

Our records indicate that a SAFETY RECALL has not been completed on this vehicle; refer to the address card for the affected VIN. The wires inside the plug top ignition coil may overheat and melt, causing the check engine light to illuminate, the engine or fuel injection system to malfunction, or the engine may stall.

What should you do?

Call any authorized Honda dealer and make an appointment to have your vehicle's ignition coil(s) replaced with new ignition coil(s) of different design. This work will be done *free of charge*.

California Owners Only:

The DMV will not renew your registration until this emissions recall has been completed. After completing the repair procedure, your dealer will give you a Vehicle Emission Recall - Proof of Correction certificate. Please make sure the dealer completes and gives you the certificate. Keep the certificate for your records as proof that the emissions recall was completed. Submit the certificate to the DMV only if the DMV requests it.

If you have questions

If you have any questions about this notice, or you need assistance locating a dealer, contact Honda Automobile Customer Service at 1-888-234-2138. You may also find this information at www.Hondacars.com.

We apologize for any inconvenience this safety recall may cause you.

Sincerely,

American Honda Motor Co., Inc.
