Re: U.S.A. Vs. Weiss-Mills A.K.A. N.J. AG Case# 200706634

Dear Mr. Richard Mills:

Thank you for taking the time to write to me. I rely on the input of engaged New Jerseyans like you when making decisions, and I appreciate you sharing your thoughts.

I draw inspiration from the people from across our state who take time out of their busy day to contact me. Some tell me about issues that need to be addressed, while others share stories about ways in which the work we do in Washington, DC, affects them. All, though, are going out of their way to give me and my team the information we need to do a better job as we fight for New Jersey's priorities. Thank you for being one of those voices.

I am honored to represent you in the United States Senate, and I hope you will continue to contact me and my staff about the issues that are important to you. There are many challenges before us, but I know that if we work together, we will not only succeed, but make our state and nation stronger.

Good morning, Mr. Mills,

I am sorry to tell you that the Camden County Prosecutor's Office of Victim Witness Advocacy can not assist you with housing. State funding for a victim emergency fund was eliminated due to serious budget constraints. You might want to try the office of Homelessness Prevention. Their phone number is 856-614-3318.

Melissa,

I spoke with Shirley Estreicher earlier today who is working to provide me with the appropriate victim witness assistance. Because of great injustice I am currently essentially homeless. My family recently paid for lodging for me at the Wingate Hotel Voorhees, NJ. The current advertised rate is \$109. Will your office please assist to pay for lodging and incidentals while I await assistance from the U.S. Attorneys office? That would be appreciated. The hotel staff may be reached at 800-228-1000. Address is 1000 Laurel Oak Road Voorhees, NJ 08043 I may be reached at 302-757-9619. Delaware Senator Tom Carper will also be forwarding background and evidence to the F.B.I. Oversight Committee and others. Case # 's and further detail are below. I may need you to help me fill the form out as this is not your normal everyday matter as I am the victim of many crimes per the attached.

NJ Attorney General's office Detective Charles Crescenz may also assist you with additional information. He may be reached at 609-984-5655.

Be advised. I'm reporting NJ Political Corruption, FBI Criminal Acts and other major crimes.

Please also forward this to the U.S. Inspector General's Office. [OIG.HOTLINE@USDOJ.GOV](mailto:OIG.HOTLINE@USDOJ.GOV)

Mr. Richard Mills

New Castle, DE 19720

Dear Mr. Mills:

I am in receipt of the many email and voicemail messages that you have left me over the last two weeks. As you know, I met with you several weeks ago when you came to the U.S. Attorney's office in Camden, New Jersey, at which time you mistakenly asserted that we were the Office of the Inspector General. You demanded to meet with a representative of the Inspector General and advised that you had traveled to Camden for that purpose. Although the U.S. Attorney's office is not the Inspector General's Office, you insisted to our receptionist that you would not leave until someone met with you. Accordingly, I met with you for approximately 30 minutes and listened to your allegations that your former spouse had committed fraud in the course of your divorce proceedings. I advised you that the U.S. Attorney's Office was not an agency that would investigate allegations of fraud by parties involved in divorce proceedings in state court, and that you would have to pursue such matters either civilly or through state or local authorities in New Jersey. You have since advised that you are in fact pursuing these matters with the New Jersey Attorney General and New Jersey Inspector General. To the extent you have questions about those matters, you may contact the New Jersey Attorney General at 609-292-4925. The New Jersey Inspector General may be reached at 609-292-8183, and the hotline number for that office is 866-633-6585.

Understand that the U.S. Attorney's Office will have no further involvement in the matter relating to alleged fraud in your divorce proceedings. **This includes the issuance of subpoenas.** You continue to demand in various voicemails that I issue subpoenas to aid in discovering the alleged fraud that was perpetrated by your former spouse during your divorce proceedings; please be assured that this office will **not** issue such subpoenas (in the final paragraph below, I am providing you with contact information of an agency that **may** be able to provide assistance to you with respect to determining whether

such subpoenas might be issued). This Office also does not address complaints regarding the pace of the investigation being conducted by state authorities.

After I advised you that this Office was not an agency that would pursue allegations of fraud by your former spouse in your divorce proceedings, you claimed that you had evidence concerning a corrupt agent of the Federal Bureau of Investigation. Based on my own review of the materials you showed me in our office, as well as my review of the various materials you have emailed to me, I do not believe there is any evidence of FBI misconduct in your matter. However, I advised you that this office is not an investigating agency and that you were free to present your allegations to the appropriate investigating agency. In fact, I advised you that there was a division of the Justice Department that deals with investigations of potential misconduct of FBI employees, to the extent that they believe that there is potential evidence of such misconduct. I provided you with the contact information for that office. It appears from the emails you have forwarded me that you have made contact with that office, that they are reviewing your allegations and that they have advised that you will receive a response in writing to your allegations. Accordingly, the U.S. Attorney's Office will not take any further action at this time.

Since you have advised that you are presently living in Delaware and that you are having trouble filing a bankruptcy petition in that state, I am providing you with contact information for the Legal Services Corporation of Delaware. The Legal Services Corporation is a non-profit organization that offers legal advice and assistance to people who cannot afford a private attorney. Among other things, the Legal Services Corporation assists with bankruptcy petitions and related advice, as well as various family law matters. As you have indicated that you are attempting to file a bankruptcy petition, you may find such advice useful. They might also be able to provide you advice with respect to whether you may issue subpoenas with respect to your divorce proceedings. Their phone number is 302-575-0408, and their toll-free phone number is 800-773-0606. You can also find more information about their services at [www.lscd.com](http://www.lscd.com). I hope this information proves useful to you.

Request description

Dear Director Patricia Gaviria,  
I'm requesting File reviews. Got a troubling response from  
OIG FOIA - (Unsigned also)? While I thanked OIG for sharing  
OIG File information - The Problem is the notes clearly show  
that little was done nor does it Acknowledge Tri-State City,  
State & Fed. Officials Numerous Reports of Federal  
Corruption. Also Missing is the F.B.I. Misconduct Report  
06.03.08 reported to Officials. Fact I have provided  
documentation that I know Factually was sent to USDOJ &  
USDOJ (OIG) by Congress & Senate. OIG notes fails to  
acknowledge any such reporting at all? Who wrote notes?  
Why is some jerk or jerks there allowed to not only insult me  
but admit they would not meet me? Matter became a Federal  
Case in 2009 and was assigned to N.J. Deputy Chief Phillip  
Kwon to be prosecuted. Other Pleadings are or should be on  
file from former U.S. Attys. Colm Connolly, Allen Harberg  
Etc. Also Ex U.S. Senator Frank Lautenberg asked Ex U.S.  
Attorney Paul Fishman to Assist the Mills Family with

Witness Protection in 2010. U.S. Senator Bob Menendez asked DOJ for same in 2009. N.J. State Sen. Jim Beach advised Case Pending 04.13.09. Members of my family Murdered and others still Missing? Again matter needs to be investigated by OIG or OPR. Given the seriousness and Fact a Case is still Covered-Up, Hope your office will duly advise OIG Special Agents and USDOJ Criminal Division that Mills Family seek Assistance. Dear Mr. Mills,

My office has received your correspondence and has taken the following actions.

There is a longstanding tradition in Congress that constituents be referred to their home state Senators. As my staff has advised you previously, you should continue to pursue this matter with Senator Tom Carper, who represents your home state of Delaware. Senator Carper has already taken the liberty of forwarding your materials to the appropriate federal agencies.

However, my office will forward your documents to the U.S. Department of Justice (DOJ) in Washington, DC. Since my role as a federal legislator does not grant judicial or investigative authority, my office will take no further action.

Sincerely,

40 Pgs. SENT VIA EMAIL, FAX 302-573-6351 & CERT.

Dear U.S. Senator Biden,

I today met with Delaware Senator Dori Connor and the Delaware Governors Office in search of justice. I seek to lodge formal FBI misconduct complaints against William "Bill" DiCola of the FBI regarding his knowledge of and the FBI cover up of actions of a NJ municipal court judge, court officials and law enforcement. I also seek an investigation of the recent events that unfolded while I met with the FBI and IRS on May 29th. I also seek assistance concerning my divorce matter given millions of dollars were hidden from me during my divorce NJ Docket #FM0382605W. These matters are all connected as you will learn. A Trust The "Marni Weiss-Trust" as shown on our joint 1999 1040 tax return. The 1999 & 2000 Tax records were removed by my former spouse when she left my prior residence 5 Sherman Lane Sicklerville, NJ 08081 in mid November 2004. Her CPA Murray J. Fox of 1200 Bustleton Pike, Suite 3 Feasterville, PA also would not supply me with a copy of these records. The IRS or someone claiming to be the IRS also sent notices to my residence indicating that there were no Federal Tax filings on record for 1999 & 2000. The IRS later confirmed this was not the case. Our marriage originated in August 22, 1999 ended on January 11, 2006. I moved to Delaware in October 2007 after law enforcement "Did Nothing" but intimidated me in the state of NJ. I tried to bring collusion charges against my former father in-law Stacy Weiss of 713 Bentley Court Moorestown, NJ. My former Spouse Marni Weiss-Mills of 1323 Crofton Court Mt. Laurel, NJ, Attorneys Ron Lieberman of Adinolfi & Spevak out of Haddonfield, NJ and James Vogdes III Esquire of Medford, NJ. (James is also a Muni. Court Judge in Burlington and Camden County, NJ) but was prevented from doing so. Winslow Police Detective Crouse instead held his gun to intimidate me, brought charges against me (Later Dropped). Winslow Police and Camden County Prosecutors office prevented me from having Collusion and N.J. marital fraud investigated at county level. In advance of my attempt to bring these charges I informed my friend of 23 yrs. and former Voorhees, NJ neighbor of Essex Ave William "Bill" DiCola Special Agent with the FBI about the crooked judge (who was also my divorce attorney) and Bill DiCola quickly disappeared completely out of sight? Bill DiCola could have been of great assistance and has failed as a friend, person and law enforcement agent. Note: Agent Bill DiCola is also advised that I almost died after seeking treatment at Virtua Hospital Voorhees, N.J. for sleep deprivation. My visits there May & June 2007 as per my Aetna healthcare records. A Hit-man or employee there removed a lot of blood from me causing me to become extremely weakened. Dr. Julian Maressa of Berlin, N.J. later treated me with B-12 and Steroid injections. Bill left me to fend for myself when he should have reported this serious matter. I'm not sure if Bill was ordered to do so by the FBI as this was greatly out of character for Bill. Bill DiCola was someone my family previously admired and respected. My family in fact gave the FBI a very solid reference when the FBI met my family regarding Mr. DiCola's FBI application for employment. Also my father Ronald G. Mills Sr. (now deceased) previously assisted the FBI in many successful south jersey criminal investigations and had many friends with the FBI while working for Glickman Realty, The Gallery of Homes and Villas Realty all located in Cherry Hill, NJ during the 1970's-1990's. My father's former associate and boss Harry Glickman of Glickman Realty even assisted to bring down members of the Bruno crime family by wearing a wire tap yet I'm treated as a second class citizen by the FBI? Cell phone records and conversations I had with Bill DiCola from October 2006 – October 2007 will clearly substantiate exactly how much Bill DiCola knew regarding collusion, and marital fraud. Bill was

also made aware of the numerous cyber attacks and harassment that took place at my residence and on my home computers and the only advice given by him to me was to document these occurrences of which I did without success. I recently traveled to the Federal building in Philadelphia to bring evidence to the FBI on May 27th & May 29, 2008. The FBI did not take my matter seriously, lied to me, did not give me a contacts name nor assigned a case number concerning my corruption complaints. A rude woman with the IRS or possibly an FBI agent tried to have me arrested on the 7th floor at 600 Arch Street. Security and The Federal Police stepped in on May 29th and believed my side of the story while I was on the phone with Treas. Special Agent Michael Bell. I was escorted then to meet with The IRS Criminal Investigative Unit on the 6th floor who were helpful to a point and then to the office of Special Agent Michael Bell with the U.S. Dept. of the Treasury on the 4th floor. I was told by Treasury Agent on duty agent there at Suite 4218 (He did not give me his name or business card?) to lodge my complaint with the U.S. Dept. of Justice on 615 Chestnut Street 12th floor. I found little assistance nor justice there!

This situation angered me and prompted me to go to the news media. I also previously attempted to bring a theft by deception charge against my former spouse and her father per the advise of the NJ Attorney Generals Office. Mt. Laurel, NJ police assigned a case number but covered-up. Failed to investigate even when I brought substantial evidence to Officer Haines attention. I made visits and sent many certified letters to Burlington County prosecutor Robert Bernardi regarding marital fraud and made numerous calls to his office without being acknowledged to this day by him or a phone call being returned by him? My recently hired divorce attorney Joseph Gemballa Esq. of Philadelphia, PA and my former divorce attorney John Underwood Esq. of Cherry Hill, NJ also failed in their fiduciary responsibilities. I sent a certified letter on April 17, 2008 reporting John Underwood's attorney "Gross Misconduct" and still have not received acknowledgment from Burlington County Superior Court Judge Patricia Roe concerning such? Believe it or not this is really only part of this sad story. I am unlawfully being evicted from my DE residence and my family and friends are concerned and upset. I can't tell you how many times my rights have been violated in the state of NJ and elsewhere! It's disgusting just how little assistance I have received to date from the FBI, IRS and other law enforcement agencies who want this to be a civil matter when this is in fact a very serious criminal matter. N.J. AG did assign a case # for investigation.

I appreciate your offices attention and assistance.

Sincerely,

*Richard Mills (S)*

Harrisburg, PA Police I/A (Citizens Complaint)

123 Walnut Street

Harrisburg, PA 17101 Sent To: I/A & [OfficeOfTheChief@HarrisburgPA.gov](mailto:OfficeOfTheChief@HarrisburgPA.gov)

Dear Harrisburg, PA Police I/A,

Numerous Politicians have helped me Report Crime and Plaintiff / Witness intimidation. From July 2017 – February 2018 I was wrongly jailed held against my will in Harrisburg. Evildoers brought Fraudulent Charges Vs. Me and I answered to such in Harrisburg, PA. Messed w/ bad at Dauphin Co. Prison! Via Tel. I reported problems to Prison Oversight. At: Dauphin County Prison I was Tormented by Dr.'s, Staff & Inmates while held in Jail. Public Defender failed to visit nor prepared for hearing. Later fired by me at: PA Courts. PA Judge Scott A. Evans and Co. Judge David O'Leary threw out all the charges vs. me. Lie: PA State Capitol Police said that I was Homeless in Harrisburg, PA. Not True at All. PA State Capitol Police brought me from Phila., PA yet did not attend @ PA State Court. Philly Police Covered-Up 05.02.17 Assault I endured also helped move me to Harrisburg. PA State Capitol Police picked me up at: 9<sup>th</sup> Dist. Failed to read me my rights & refusing to read documentation (Letter) I provided From: U.S. Sen. Bob Menendez Re: DOJ Case. I advised both Judges of Case Fixing & asked both Judges to F/Up w/ DOJ & DOJ (OIG). After my release from Dauphin County Prison I was brought to the UPMC Health Center. After arrival at UPMC I was forced into crisis center then attacked by UPMC employees. I was the recipient of unwanted Haldol injection. Angry & Disoriented but able to speak. I called Harrisburg, PA Police in December 2017 after I was attacked at the crisis center. A concerned UPMC employee there allowed me to use telephone after attack occurred. The Exact Date & Time TBD via UPMC Records and UPMC Hospital Surveillance Videos. Harrisburg, PA Police did respond yet Police Officer (young white male) refused to take nor file my Complaint or Police Incident Report. At the time I was weakened after attack. I was shocked when Police Officer left me to fend for myself without getting my reports. I received additional unwanted Haldol injections and was moved to PA Psychiatric Inst. At: Pennsylvania Psychiatric Institute I was Tormented by Doctors & Others while there. While held against my will there a Pinnacle Health Employee withdrew too much blood. A young white female threatened me & demanded 19 vials of blood over 1 week period. I was left extremely weakened after. Dr.'s Dalke and Martin mocked me & made threats. In fact I was not allowed to leave there until I agreed to a one month injection of Haldol. Afterwards I was left disoriented & weakened yet via MEGA Bus returned To: Phila., PA. I met family in Phila., PA the next day who then cared for me for 1+ Mos. I was not well. After feeling better I returned to Center City Phila., PA at the Sunday Breakfast Mission. With the exception of 1+ Mos. Stay w/ Family I've been left Homeless since: 10.15.2009. Homeless because: my DOJ Case was Covered-Up and wrongful jailing in: New Jersey.

Since March 2018 I've stayed at the Sunday Breakfast Rescue Mission seeking Justice. Presently I wait to be properly assisted by the: PA AG and / or the U.S. Dept. of Justice. U.S.A. Vs. Marni Jill Weiss-Mills Covered-Up since 2009. My brother Ronald G. Mills Jr. Died 07.12.10 Alleged (Murder) at place of employment BMW Turnersville., N.J. Cameras were present. Ronald G. **Subject:** RE: Follow Up To 8.22.08 Investigation Request / Victims Assistance & Case# Needed

ATTN OIG CASE WORKER:

Investigation request is attached and was previously faxed to the OIG along with evidence. Please provide me with a list of Federal, DE and N.J. & PA financial assistance programs given what has occurred. Case #200706634 was assigned by the N.J. Attorney General's office and I am awaiting case #'s to be assigned in by the Attorney General's offices in DE & P.A. Justice has not been swift and I will be living on the streets soon if this matter is not dealt with!

I'm a victim of a F.B.I.. Cover Up - "Attempted Murder" "Collusion", "Court Fraud", "Obstruction of Justice" & "Theft By Deception". Anything your organization can do to right this great injustice would be greatly appreciated. Justice has been Obstructed to this point and I am at my wits end. I desperately need financial, housing and legal assistance! Please see attached reports which outlines the great injustices I have been dealing with over the course of several years now!

1. What was the crime that occurred?

Answer: I'm a victim of an F.B.I. Cover Up - (SEE ATTACHED)

2. What type of help are you looking for?

Answer: I seek housing, financial and legal assistance given what has occurred.

3. What city/county do you reside?

Answer: Being Evicted From: 550 S. DuPont PKWY Unit 9D New Castle, DE 19720

4. What state did the crime happen in?

Answer: Most serious crimes committed were in the State of N.J.

Please also see attached FBI Misconduct Report & my report sent to the U.S. Inspector Generals Office & E-mail trail.

Sincerely,

Richard Mills

RE: Requested Investigation - Follow Up In Reference to 6/24/08 Request

To whom it may concern:

I would like the Office of the Inspector General to investigate and I have attached additional supporting e-mail, background and evidence of continued "Obstruction of Justice" and other crimes. I requested investigations per the attached with Attorney Generals Offices in DE, N.J. & PA. Parties are conspiring to prevent me from retrieving my own 1999 & 2000 1040 Tax records since 2006. I am the victim of Attempted Murder, an F.B.I. Cover Up, a victim of police intimidation and other rights violations. As previously reported I believe that F.B.I. agents attempted to kill me in the summer of 2007. I initially thought it was malpractice by Virtua Hospital located in Voorhees, NJ as I reported to Camden County, NJ prosecutor Josh Ottenberg in the fall of 2007. Camden County did not investigate any of my claims? Someone at Virtua Hospital continued to remove a significant amount of blood from me during my overnight stay there leaving me extremely weakened. It took numerous injections of B-12 and steroid shots administered by my doctor Julian Maressa to regain most of my strength. I have attached proof of the injections I received. I've been trying to file an "Obstruction Justice Charge" against my neighbor and former friend Bill Dicola of the F.B.I. , "Theft By Deception" against my former spouse Marni Weiss-Mills and other charges. I believe the F.B.I. has ordered law enforcement and other offices in DE & N.J. not to help me? Initially this tragedy of injustice started as a civil court matter involving my divorce. I tried to handle this as a civil matter but this is a serious criminal matter and needs to be investigated. I was prevented from reopening my divorce and having a motion filed in Burlington County Superior Court to Subpoena the last 10 Yrs. of Trust Fund Tax Returns and 1999, 2000 Full Federal Tax Returns. My Former spouse Marni Mills of 1323 Crofton Court Mt. Laurel, NJ removed Tax records from my former marital residence of 5 Sherman Lane Sicklerville, NJ 08081. My former spouse hid full contents of a Trust - The "Marni-Weiss Trust" from me during my divorce proceedings worth millions. I believe my former wealthy father in-law Stacy Weiss of 713 Bentley Court Moorestown, NJ used his wealth and influence to pay off my attorneys with assistance from the F.B.I. so that they perform poorly. I believe the F.B.I. became involved to specifically to cover for my divorce attorney James Vogdes who is also a municipal court judge in Camden and Burlington county NJ.

Sincerely,

*Richard Mills /s/*

**March 28, 2019**

**Dear Wilmington Police I/A,**

**The Office of Professional Standards said they won't investigate matter? That's per Feb. 28, 2019 letter I received from Cecilia Ashe - Investigator. Wrongful jailing occurred 11 Yrs. ago but a Fed. Case was (Covered-Up). (Obstruction of Justice). Some Mills family members are Dead / Missing. Understand Wilmington PD and others assisted to Cover-Up Fed matter. If your office has not done so already? Again help me advise the USDOJ. In 2008 members of Wilmington PD Jailed me in Gander Hill Prison under phony Social Security # 250-78-0087. That is not my Soc. Security Number. In fact that # belongs to a black male. I am white Soc. Sec. # 150-78-0087. Judge Moser threw out the matter but I shouldn't have been jailed at all. Plaintiff & Witness intimidation was used Vs. me leading me to leave DE. U.S.A. Vs. Marni Jill Weiss-Mills and Others has been covered since 2009. In fact even now I'm still waiting to be assisted by the USDOJ regarding my Federal Case which was covered up by N.J. DOJ. DE Officials advised. I ask I/A to F/Up with U.S. Senator Tom Carper and USDOJ on my behalf. N.J., DE & PA AG's are advised. The USDOJ (OIG) was and is also advised. If Delaware won't handle this complaint properly then the USDOJ must!**

Re: Witness Intimidation \*Temp. Address 3935 Walnut St. Phila, PA 19104\*

Dear Mr. Mills:

We need to make every effort to ensure our national security and the safety of the American people. It is also essential that the executive branch operate with transparency and ensure that our counterterrorism efforts do not infringe on the civil liberties of American citizens.

I have some concerns about how the administration has interpreted Section 215 of the Patriot Act, which makes it easier to obtain business records deemed relevant to a national security investigation. On June 13, I attended a classified briefing with administration officials to discuss these issues and Section 215 of the Patriot Act. I look forward to continued examination of this issue in the current session of Congress to ensure that we are not sacrificing our fundamental values and ideals in the face of critical threats.

Again, thank you for sharing your thoughts with me. Please do not hesitate to contact me in the future about this or any other matter of importance to you.

### Complaint Information & Complaint Summary

January 29, 2019

Dear PA AG,

Please forward complaint and F/Up w/ PA AG & USDOJ Criminal Division.

PA AG Agent Mike Carroll sent report and documentation to AG Crim. Div.

E. PA USDOJ has failed to respond and I Alerted W. Dist. PA U.S. Attorney.

I am asking the PA AG and PA State Police Internal Affairs for assistance contacting the USDOJ. Several times I tried to F/Up w/ the PA State Police Internal Affairs (717) 657-4200. Someone redirected my calls to a Fraudulent V-Mail Box. (Stingray Tech.). Cover-up of Fed Case and attempts on my life have been reported to PA AG. I met with PA AG Staff previously in person here in Phila, PA requesting assistance. I Filed Philadelphia, PA I/A Complaints vs. 9th Dist. which went unanswered. I was attacked by 9 Thugs then mistreated by Police Officer Horn who covered up an assault I endured at 3 Ben Franklin PKWY. Phila, PA 19102 on 05.02.2017. Others assisted the cover up. I was wrongly jailed in July 2017 and my reports of a cover up of a Federal case went unanswered many times. I provided legal documentation to Police but Police did not make contact w/ USDOJ on my behalf nor assisted me. In fact I've reported a Federal Cover-Up to F.B.I., State Police (K), Ctr. City, 1st Dist. and 3rd Dist. also since 2009. Drexel, Penn & Temple University Police are also duly advised. I reported the N.J. USDOJ's failure to prosecute my Fed Case. Case Pending per N.J. State Senator James Beach April 13, 2009 letter to me a Federal Plaintiff. I've sent reports which were shared w/ USDOJ by Rep. Brendan Boyle and Rep. Dwight Evans. PA State Senator Sharif Street and PA Rep. Brian K. Sims and others are also advised. I and my family have suffered greatly and in fact many officials wrote the USDOJ on our behalf. U.S.A. Vs. Marni Jill Weiss-Mills Oversight Case of Burlington County N.J. Family Court Docket# FM0382605W must be handled. Please F/Up W/ USDOJ. I met with Mayor James Kenney in October 2018. He is also advised of this serious matter. Previously U.S. Sen. Tom Carper - DE advised the USDOJ (OIG) of F.B.I. wrongdoing involving former Agent Bill DiCola and others. U.S.A. Vs. Marni Jill Weiss-Mills & Others Covered Up since 2009. My brother Ronald G. Mills Jr. Died 07.12.10 Alleged (Murder) at his place of employment BMW Turnersville., N.J. Cameras were present. Ronald G. Mills Jr. a (Navy Veteran) was going to testify in Fed court against the Weiss Family. Following death, Ron's entire family is now missing? His wife Gretchen Mills, Both Daughters Stephanie Mills, Jessica Mills and his only son Ronald G. Mills III residing in East Greenwich, New Jersey. Mills Family tried to work with F.B.I. and other area Police Departments. Matter covered up. Fyi. Ex U.S. Senator Frank Lautenberg attempted to assist Mills family with Witness Protection in 2010. Due to many instances (Obstruction Of Justice) I have been left

homeless since Oct. 15, 2009. I'm being treated for anxiety and stress at JFK Health Ctr. 112 N. Broad St. Phila, PA 19102. I have survived numerous attempts on my life and was wrongly jailed in N.J., DE and in PA also. I can be reached at JFK Tel: 215-568-0860 I check in M-Friday.
