GEORGE MASON UNIVERSITY KOREA

Global Education
Without Border

Established as
George Mason University in

1972

**Largest State University in
Virginia**

About **George Mason University**

Envisioned by a pioneering spirit of innovation and creativity, George Mason University has become one of the world's premier universities in less than 50 years.

GMU is now one of the most prominent and respected institutions of higher learning. GMU is known for its great contribution to multiple sectors of the society- from individual learners to global economy and the environment.

GEORGE MASON UNIVERSITY IS A WORLD-CLASS RESEARCH UNIVERSITY

- "HIGHEST RESEARCH ACTIVITY" TIER UNIVERSITY (2016, CARNEGIE CLASSIFICATION OF INSTITUTIONS OF HIGHER EDUCATION)
- TOP 10 UP-AND-COMING SCHOOLS IN THE NATIONAL UNIVERSITIES RANKINGS (U.S. NEWS & WORLD REPORT, 2010-2016)
- TOP 100 WORLD UNIVERSITIES UNDER 50 YEARS OLD (TIMES HIGHER EDUCATION, 2014)

2014 Established as **George Mason University Korea**

George Mason University's remarkable legacy of academic excellence and its longstanding commitment to educational access have now extended across the Pacific. Our mission is to provide unsurpassed academic and educational opportunities at one of the world's most dynamic and technologically advanced countries- Korea.

George Mason University Korea is one of the principal and flagship universities in the global education hub, known as Incheon Global Campus, in Songdo.

Future of Education in the Global Econ

Degree Offerings

School of Business

business.gmu.edu

Accounting / B.S.

Finance / B.S.

Management / B.S.

Accredited by the International Business College Development Council (AACSB) and awarded top 15% in the World's Top Business Schools (News & World Reports' 100 Best Business Schools)

Economics / B.A., B.S.

economics.gmu.edu

Economics is about more than money and profits. It is a way of looking at the world through the lens of incentives, choices, and markets to help uncover new solutions to the persistent problems in our society. This economic perspective sheds light on important issues in the areas of production, education, crime, the environment, international trade, immigration, health care, economic growth, poverty, and more.

Global Affairs / B.A.

globalaffairs.gmu.edu

Interdisciplinary major that introduces students to the processes of globalization that affect all societies. Students gain a sophisticated understanding of complex issues such as terrorism, refugee crises, global inequality, and health and environmental challenges.

Conflict Analysis and Resolution / B.A., B.S.

scar.gmu.edu

Applies ability to create and maintain cross-cultural connections, opportunities for collaboration, problem solving, and peacebuilding in local communities and across international barriers.

Computer Game Design / B.F.A.

game.gmu.edu

Enables students to focus on the artistic components of computer game design while providing them with the technical skills prerequisite to the field.

COMPUTER GAME DESIGN

Distinctive Innovative Curriculum

Presently, GMU Korea offers seven degree programs tutelage of eminent professors of the same-level quality as those on the Fairfax campus. Students will be receiving world-class instruction. GMU Korea students spend 6 semesters in Korea and 2 semesters of college life in Fairfax.

An Array of Opportunities

George Mason University Korea graduates have been extremely successful at obtaining further education and employment offers in both the private and public sectors. With an ideal location close to Washington D.C. graduates from GMU, USA are typically offered high-paying jobs. We are committed to achieving these results for GMU Korea graduates, too.

Meet Our Faculty

GMU Korea encourages quality education through student access and interaction with a diverse and proficient faculty. Two faculty members have been honored with the Nobel Prize for their work and achievements in Economics. These accolades are a representation of the distinguished education offered by Mason faculty, an advantage that includes George Mason University Korea.
