EMERSON IZSI CONDENSING UNITS SET UP FOR MEDIUM TEMP COOLROOM

Stareast Part No.	Voltage	Nominal HP rating	Capacity in KW@ -5 SST	Trade Price (ex GST)
SEI/IZSI06AE	240V	2HP	4.11	\$1,777.00
SEI/IZSI08AE	240V	2.5HP	4.71	\$1,912.00
SEI/IZSI09BE	415V	3HP	5.42	\$2,078.00
SEI/IZSI11BE	415V	3.5HP	6.72	\$2,254.00
SEI/IZSI14CE	415V	4HP	8.39	\$2,950.00

EMERSON IZSI CONDENSING UNITS SET UP FOR LOW TEMP FREEZER ROOM

LT version includes STD unit with CoreSense, Oil Sep + Accumulator, Service Valve + Contactor, CC Heater, Filter Drier, Sight Glass, Dual Pressure Switch, Receiver with Valve, Fan Motor, Heat Exchanger. NOTE: Failsafe & timeclock as optional components. Conditions at 38°C ambient.

MT Standard unit (STD) with CoreSense, Electrical Box, CC heater, Filter Drier, Sight Glass, Contactor, Dual Pressure Switch, Receiver with Valve, Fan Motor, Heat Exchanger, Scroll Compressor. NOTE: Failsafe & timeclock as optional components. Conditions at 38°C ambient.

Wide operating envelope for various applications
 • Robust and efficient operation from -30°C to 5°C evaporating temperature
 • Suitable for application ranging from Low Temperature and Medium Temperature cool rooms
 to Medium Temperature showcases

Efficient and quiet - key scroll attributes
 • COP improvement leads to higher annual electrical savings of up to 15% as compared to systems with reciprocating compressors
 • Low sound and vibration leading to quieter operation
 • No complex internal suction and discharge valves for higher reliability

Low applied cost - completely factory built
 • IZSI comes with factory installed accessories (e.g. liquid line filter, sight glass/moisture indicator, liquid line solenoid valve, electrical contactor) thus simplifying component sourcing

Simple and reliable - powered by Copeland Scroll with CoreSense™
 • Liquid Injection Technology - controlled by CoreSense - manages discharge temperature for maximum performance and reliability
 • CoreSense can detect and display sensor failure through its LEDs enabling easier troubleshooting

Stareast Part No.	Voltage	Nominal HP rating	Capacity in KW @ -25 SST	Trade Price (ex GST)
SEI/IZSI06AE-LT	240V	2HP	2.04	\$2,097.00
SEI/IZSI08AE-LT	240V	2.5HP	2.35	\$2,218.00
SEI/IZSI09BE-LT	415V	3HP	2.69	\$2,358.00
SEI/IZSI11BE-LT	415V	3.5HP	3.38	\$3,040.00
SEI/IZSI14CE-LT	415V	4HP	4.19	\$3,264.00
SEI/IZSI15CE-LT	415V	5HP	4.8	\$3,349.00
SEI/IZSI18DE-LT	415V	6HP	6.1	\$3,704.00

• Copeland Scroll compressors have fewer moving parts than reciprocating compressors, thus making it more reliable
 • Consistent quality achieved through factory built Condensing Unit
