APPLICATION TO LEASE RESIDENTIAL PROPERTY

The owner of the premises is attempting to locate the most suitable tenant, a tenant who pays rent on time and takes care of the premises.

To enable the owner of the premises to determine in their opinion, who is the most suitable applicant, the managing agent requires some background information regarding previous premises that you have leased, and information on how you will pay the rent.

The following application and information is not the lease. Its purpose is to make you aware of conditions associated with making an application as well as special conditions that will be associated with the prospective lease.

Application must be handed in to the office & completed FULLY prior to processing

If your application is successful and you exercise your option to sign the lease, please note the following:

- When signing the lease we require all amounts payable to be paid in to our account by direct deposit. **Cash rental payments are not accepted at this office.**
Your unique reference code will be issued once your application has been selected.
These details will be matched to your account and must be used at all times.
- All tenants must sign the lease and pay the total ingoings before the keys are handed over.
- **It is the TENANTS responsibility** to ensure the electricity, gas and telephone are connected.
- **It is the TENANTS responsibility** to find out if there is an existing telephone connection to the property. You will be responsible for the telephone connection, and/or line connections if applicable as the outgoing tenant may or may not have had them disconnected.

ALL APPLICATIONS RECEIVED ARE SUBJECT TO LANDLORD'S APPROVAL

(The owner or agent is not obliged to explain in the event that your application is not accepted)
