

# Restricted product

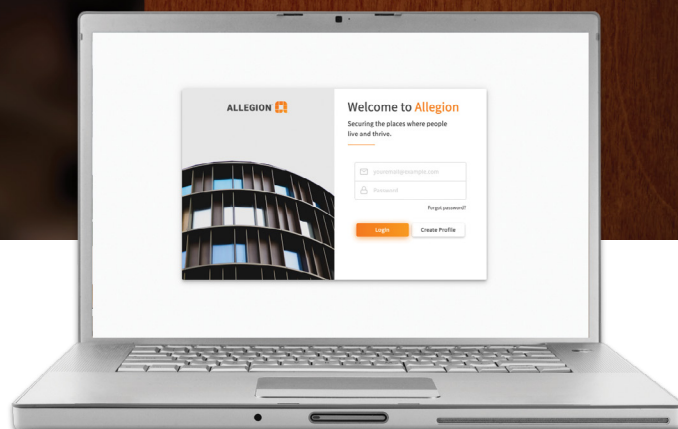

For Schlage® Primus and Everest key systems

At Schlage we take key control as seriously as you do. Visit our secure web portal that takes all the hassle out of ordering keys and cylinders for restricted key systems.

## BENEFITS:

- Manage who can generate restricted product authorizations for your key system
- Get validations completed quicker, rather than waiting on them through the mail
- Ability to review order authorization history
- Eliminate the current paperwork intensive process
- All restricted product authorizations are securely generated by Schlage

Users can now manage all authorizations on [restrictedproduct.allegion.com](https://restrictedproduct.allegion.com), a one stop shop for all validation orders.

## How to register

1. Go to [restrictedproduct.allegion.com](https://restrictedproduct.allegion.com)
2. Fill in the user information that will be used to create your profile.

3. Click "Create profile"
4. Company information should be for the parent organization of the restricted key system installed (i.e. County School Corporation versus County High School).
5. Login name will be your company/ corporate e-mail address.
6. Clicking submit will send your request for an account to Allegion for approval. You will receive an authentication e-mail that will require action. Check your e-mail inbox.

### Review restricted product authorization history

Through your Restricted Product account you can review your history of Restricted Product Authorizations (RPA).

- RPA number
- Who created
- Ability to "Repeat" a previous RPA
- When created
- Addresses used

## How to create a restricted product authorization

1. Login to [restrictedproduct.allegion.com](https://restrictedproduct.allegion.com)
2. Select the appropriate restricted product account if you have more than one account for your organization.

3. Use the Manage Address and Manage Contacts buttons under Account info to input to whom and where your restricted product will ship.

4. Select Create Authorization.

5. Confirm addresses and contacts are correct. Select create authorization.

6. The authorization is now created and sent to the email address on file. It is also accessible from the Authorizations tab.
