LINCOLN CPO — BENEFITS

Warranty – Enjoy the confidence of our comprehensive warranty, which gives you coverage on more than 1,000 components, included with every Lincoln Certified Pre-Owned vehicle. Ask your dealer for warranty details.

200-Point Inspection – In order to qualify as a Lincoln Certified Pre-Owned vehicle, each vehicle must pass a stringent 200-point inspection. Factory-trained technicians recondition or replace any component that does not meet program standards. Ask your dealer for a copy of the vehicle inspection checklist.

Vehicle History Report – As part of our 200-point inspection, a vehicle history report is run to identify any vehicle that doesn't meet our standards.

Roadside Assistance – Enjoy the open road without distraction with our complimentary roadside assistance that is available 24 hours a day, 7 days a week, 365 days a year.

Services include:

- Travel expense reimbursement of up to \$500 for up to three days of lodging, meals and rental vehicle for travel expenses accrued when the breakdown occurs more than 100 miles from home
- Destination expense assistance of up to \$75 for emergency transportation to the immediate destination
- Rental car reimbursement of up to \$45 per day for up to five days

*COVERAGE THAT
INSPIRES CONFIDENCE*

Every Certified Pre-Owned Lincoln includes six-year comprehensive warranty coverage. This coverage includes repair or replacement of covered components for six years from the original Lincoln New-Vehicle Limited Warranty start date or up to 100,000 miles on the odometer, whichever comes first. This coverage includes parts and labor, but excludes wear-and-tear items. Each Lincoln CPO vehicle has a standard deductible of only \$100, so should repairs be necessary, your costs will be minimal.

Please see your dealer for warranty coverage details or refer to your plan provisions.

This brochure is intended to provide general information about Lincoln Certified Pre-Owned Limited Warranty Coverage. Please see your dealer for details or refer to your plan provisions. Valid only in the 50 states and Canada. Lincoln Certified Pre-Owned Limited Warranty Coverage is in addition to any remaining Lincoln New-Vehicle Limited Warranty Coverage. Repairs needed to any engine, transmission and final drive components caused by or resulting from a defect in a non-Lincoln component, such as an aftermarket installed turbocharger, are not covered. In some cases, the use of Lincoln authorized remanufactured parts is required after the expiration of the original Lincoln New-Vehicle Limited Warranty Coverage and the Lincoln Certified Pre-Owned Limited Warranty Coverage. See your dealer for complete details on the original Lincoln New-Vehicle Limited Warranty. Illustrations used in this brochure are for graphic representation only.
