Pleasure-Way

35 YEARS IN THE MAKING

Pleasure-Way Industries Ltd. is pleased to be celebrating its 35th year as a leader in the RV manufacturing industry. A family-owned and-operated business since its inception in 1986, Pleasure-Way is committed to building the highest-quality luxury motorhomes.

Pleasure-Way’s unwavering commitment to quality, safety, and customer satisfaction is evident in the fact that we do not mass produce our motorhomes on assembly lines; rather each motorhome is hand-crafted and custom-fitted to exacting standards and rigorous quality inspections. Due to our meticulous, labour-intensive construction process, we are proud to have one of the lowest warranty claim rates in the entire RV industry. In fact, we are so confident in the quality of our motorhomes that we back each new Pleasure-Way with our Five Year Freedom Coach Warranty—one of the best and longest warranties in the industry.

We would never be where we are today without our team of dedicated and skilled employees, or without the enthusiastic support from our owners. We are deeply grateful for everyone that has been involved with Pleasure-Way over the past 35 years and we look forward to continuing to deliver a first-class RV experience.

Towing Capacity:	2,240 lbs / 1,016 kg

NEW FOR 2021.5

To celebrate 35 years in the RV industry, we are introducing groundbreaking new features for our mid-year (2021.5) model lineup. The most significant enhancement is the new 10-inch touchscreen control panel. The new 10-inch panel builds off the advances made from the previous 7-inch version and further reimagines what's possible in a motorhome electrical system. All models are equipped with two 10-inch panels that make managing key functions of the coach effortless.

10-INCH TOUCHSCREEN CONTROL PANEL

CLIMATE CONTROL

The responsive touchscreen includes centralized control of the furnace, air conditioner and power roof vent. Simply set your climate mode and desired temperature and the control panel will automatically maintain from there.

Remaining Runtime for DC Power

You can now view the estimated time remaining on your coach battery charge with the current DC power draw of your motorhome. This feature pairs well with boondocking, as you now have an easy to understand read-out that will determine and even extend how long you can remain off-the-grid!

AC POWER

At a glance you can view what AC power source you are currently drawing from to power your coach with clear-cut, uncomplicated visuals. The 2000-Watt inverter control has been integrated into the new touchscreen to simplify the electrical system even further.

BATTERY MONITORING

To enhance the already powerful 200Ah Eco-Ion lithium coach batteries, we have incorporated dynamic new features for smart, convenient and painless energy management.

Battery Temperature Gauge

Located on the battery state-of-charge meter, the new gauge removes all guesswork to ensure the batteries are above freezing temperatures for safe charging.

AUTOMATIC GENERATOR START (AGS)

AGS is an innovative feature that allows you to set, start and stop parameters for generator control when not plugged into shore power.

State-of-Charge Meter

View your current battery state-of-charge as a percentage in real-time.

GO POWER!® SOLAR INTEGRATION

Monitoring your solar panel charge volts and amps is now neatly included on the touchscreen. Additionally, inside the settings section of the solar charger module you can view the overall history of your solar panel amperage draw. This will give you an accurate picture of the average amount of amps the solar panels add to the coach batteries.

Low Coach Battery Voltage

When the batteries are low on voltage, the generator will automatically run to charge the batteries at your pre-defined voltage, and then shut off.

Automatic Climate Control

If the temperature exceeds your AC thermostat setting, the generator will automatically run the AC until the desired temperature has been reached. This is a great feature if you are traveling with pets.

STANDARD FEATURES

REAR DOOR ROLL-UP SCREEN

If you're the type who loves fresh air and a cool breeze, you'll love our integrated screen doors. The heavy-duty nylon canvas screen precisely fits the rear opening and features a super-fine mesh, keeping insects out and only letting fresh air in. The screen door also features a double zipper system that allows for easy access to the under sofa storage space. This flame-resistant screen can be rolled up, tethered, and hidden away when not in use.

SIDE DOOR ROLL-UP SCREEN

Enjoy the beauty of the outdoors while prepping a meal without the worry of insects ruining the party. A unique magnetic closure system allows for easy access in and out without the need to zip the door open and closed. The super-fine mesh screen and door assembly are constructed from heavy-duty, flame-resistant nylon canvas, resulting in a long-lasting, reliable feature. When the screen is not needed it can be rolled up and secured out of the way.

GO POWER!® SOLAR PACKAGE

Explore freely and extend your off-the-grid adventures using our roof mounted solar panels. This standard solar package provides power to the coach batteries, allowing for use of the 12V DC system and 120 VAC receptacles through the inverter. This results in greater dry camping abilities as you will be able to travel for longer durations without the need for shore power or running the generator. The integrated charging system has been upgraded to include the super-efficient MPPT controller. The MPPT controller provides 15-30% more efficiency when transferring solar energy from the panels to the battery bank. This can result in stretching the capacity of each 100-Watt solar panel all the way up to 130 Watts!

- Ontour 2.0 solar package: 200-Watt (10 amp)
- Ontour 2.2 solar package: 300-Watt (15 amp)

STANDARD FEATURES

Here at Pleasure-Way, we are committed to producing first-class motorhomes with exceptional features. To achieve this, we only select high-performing suppliers that deliver the best possible products and superior services. Our commitment to quality is further supported by including these high-end features as standard, rather than offering a complicated list of optional and expensive add-ons. Below, you will find a compelling list of innovative, reliable, and sophisticated standard features, all designed to give you the utmost confidence in your Pleasure-Way motorhome.

ECO-ION 200AH LITHIUM BATTERIES

The high-performing, fast-charging and maintenance-free coach batteries offer superior power storage for hassle-free use of your favourite devices.

XANTREX™ 2,000 WATT INVERTER

Provides power to the TV, Blu-ray™ player, microwave, induction stove, and most 120 VAC receptacles when you're not plugged into shore power or running the generator.

TRUMA AQUAGO® COMFORT PLUS WATER HEATER

The 60k BTU stepless burner, recirculating water line, and mixing vessel deliver hot water on demand, at even temperatures, eliminating temperature spikes.

ONAN® QG 2800I 2.8 KW GENERATOR

Offering greatly reduced noise and vibration levels, improved fuel efficiency, and better performance, this gas generator is a reliable, and remarkably quiet power source.

INDUCTION STOVE

Enjoy hassle-free cooking with this energy-efficient stove. Compared to gas, induction produces less heat, boils water faster, and can be powered off the coach batteries.

12V COMPRESSOR FRIDGE

The fridge runs efficiently on battery power, and thanks to the powerful compressor motor, cools more consistently regardless of outside ambient temperatures.

ENTERTAINMENT CENTER

Includes a Bose® Bluetooth® soundbar and 24" LG Smart LED TV. Enjoy broadcast TV in HD with the inclusion of the fully automatic Winegard® Rayzar digital TV antenna.

LAGUN TABLE MOUNT SYSTEM

A cantilevered support arm offers adjustable height, eliminates the typical center post, and swivels 360° at both the table top and support arm.

MEMORY FOAM SOFA CUSHIONS

Assembled with a medium density foam base, 3" of memory foam on top, and finished with a layer of Dacron, resulting in a cooler bed with a smooth, seamless finish.

MCD ROLLER SHADES

Designed for solar protection and made of 100% light blocking material, MCD roller shades cover the windows for complete blackout privacy within the coach.

LED LIGHTING

LED lights are energy efficient, dimmable, provide a clean and stylish appearance, and do not produce heat like regular incandescent or halogen lights.

CORIAN® SOLID SURFACES

This impact resistant material is non-porous, stain-resistant, and easy-to-clean. Rest assured, Corian® keeps its good looks and easily survives daily wear and tear.

ULTRALEATHER® FABRIC

Innovative strengthening technology makes this luxurious fabric exceptionally durable and stain-resistant. It's also pet friendly, scratch-resistant, and easy-to-clean.

FRONT CAB PRIVACY SHADES

Fully form fitting to your windshield and cab doors, these shades provide privacy and protect your dash from UV damage while helping to keep the coach interior cooler.

ONTOUR 2.0

FORD TRANSIT 2500

A testament to the fact that good things come in small packages, the Ontour 2.0 features all the comforts of home with no compromises. Key standard features include an induction stove, 12V compressor refrigerator, dual 100Ah lithium coach batteries and a 200-Watt solar package, all included to extend dry camping times while exploring the road less traveled.

The 19' 8" Ontour 2.0 is compact, but its 78" of headroom, spacious 77" long rear bed, private wet bath, and fully equipped galley transforms it into an inviting space. The nimble and responsive handling of the Ford Transit 2500 chassis offers a more stable and confident ride, no matter the road. From adventure holiday to spontaneous day trip, the Ontour 2.0 is designed to shine.

LAMINATE INTERIOR

Laminate is scratch-resistant, highly durable, and easy to maintain, resulting in a long-lasting solid plywood interior.

QUEEN BED

Making the enormous 68" x 77" memory foam queen bed is effortless using the power sofa and ottoman cushions.

SOLID MAPLE CABINETY

Precise craftsmanship, a modern layout, and solid maple cabinet doors offer abundant storage options that are built to last.

200W SOLAR PACKAGE

This standard solar package will help keep your coach batteries fully charged for added peace of mind while camping.

ONTOUR 2.2

FORD TRANSIT 3500

Built on the Ford Transit 3500 chassis, the Ontour 2.2 benefits from the fuel efficient 3.5L EcoBoost® V6 engine and 10-speed SelectShift® transmission—a powerful combination suited for any road trip. At just under 22 feet in length, the Ontour 2.2 showcases the largest bathroom, most headroom and longest bed in our Class B lineup.

The interior surrounds you in sophistication thanks to the LED lighting, solid maple cabinetry, Ultraleather® seating and memory foam sofa cushions. A 5.5 cubic foot 12V refrigerator, dual 100Ah lithium coach batteries and 300-Watts of solar are a few of the standard features designed for convenient living. Plan your escape and hit the road in the well-equipped Ontour 2.2.

FULLY EQUIPPED GALLEY

Corian® countertop and sink cover, 13" x 17" x 6 3/4" stainless steel sink, induction stove, microwave, and generous storage options.

ULTRALEATHER® FABRICS

Designed for dynamic living, this soft, durable, and stain-resistant fabric maintains its beauty in the busiest of environments.

INTERIOR STORAGE

Everything is easily within reach with the generously sized bank of upper cabinets, wardrobe for hanging clothes, and additional storage below the countertop.

PRIVATE WET BATH

Fully equipped with a medicine cabinet, Corian® countertop, stainless steel sink, under sink storage, china bowl toilet, handheld showerhead, and lined with waterproof laminate.

The exterior color available for the Ontour is Ingot Silver.

2020 FORD TRANSIT CHASSIS

The 2020 Transit is redesigned and ready for adventure. From the new 10-speed SelectShift® transmission and 3.5L EcoBoost® engine to smart technology that boosts driver confidence, the new Transit was built with your safety, comfort and enjoyment in mind.

8" TOUCHSCREEN W/ SYNC®3

Enjoy integrated audio streaming, enhanced voice recognition, climate control and a responsive touchscreen. SYNC®3 is flexible, updatable and configurable to your individual preferences. It features:

- Bluetooth® audio streaming
- Navigation
- Hands-free calling
- Android Auto™ + Apple CarPlay™
- FM/AM/SiriusXM®
- AppLink® - smart integration of your favorite mobile apps
- USB ports

MULTIFUNCTION STEERING WHEEL

The tilt and telescopic steering wheel allows convenient access to many vehicle functions, including the SYNC®3 system, cruise control, incoming phone calls and simple music controls. Keep your hands on the wheel and your eyes on the road like never before.

MORE FEATURES

- Remote keyless entry
- Rear view camera system
- Swivel seats
- Adaptive cruise control

SAFETY FEATURES

Whether you're driving or sitting in the passenger seat, feel confident with the latest safety and innovation from Ford.

- Driver and passenger airbags
- Safety Canopy® System side-curtain airbags
- BLIS® Blind Spot Info System with Cross-Traffic Alert
- Lane-Keeping Assist with Driver Alert
- AdvanceTrac® with Roll Stability Control (RSC®)
- Forward Collision Warning
- Pre-Collision Assist with Automatic Emergency Braking

- Side-Wind Stabilization
- Enhanced Active Park Assist
- SOS Post-Crash Alert System™
- Securilock® Passive Anti-Theft System (PATS)
- Auto high-beam headlamps
- Auto rain-sensing wipers

FORDPASS CONNECT™ APP

Access features on your Transit chassis remotely using FordPass™ with Wi-Fi Hotspot.

- Lock and unlock your vehicle
- Locate your parked vehicle
- Check oil life, fuel level, mileage and maintenance intervals

THE PLEASURE-WAY LIFE

Traveling in a Pleasure-Way motorhome affords some unique advantages over traditional RVing in a larger Class A, Class C or pull-type trailer. There are the more obvious advantages of stress-free driving, easy and accessible parking, and the ability to explore 'off the beaten track' locations.

You'll have the ability to visit friends and relatives for family functions, reunions, graduations, and weddings. No more hotel reservations or inconveniencing your host. The strategic design of our motorhomes ensure a quick and easy set up once you arrive at your destination. Since all your amenities are covered, you are free to be spontaneous with your adventures without compromise.

Whether you are a seasoned full-timer or an RV newbie, something has drawn you into the Pleasure-Way lifestyle. Memories will be created, friends will be made, and stories will be shared!

PLEASURE-WAY AMBASSADOR CREW

We believe our best salespeople are happy owners, and the PAC program offers the opportunity to reward members for their efforts to promote our motorhomes.

We provide our members with personalized PAC cards to hand out to potential clients or interested parties. These cards are used to gain loyalty rewards for both parties upon purchase of a new Pleasure-Way motorhome.

Visit pleasureway.com/pac to sign up and learn more.

PLEASURE-WAY OWNERS' CLUBS

We believe that meeting new friends and sharing adventures is an important part of the Pleasure-Way experience. A wonderful group of people have formed our Pleasure-Way owners' clubs and are based on the East and West Coasts of the United States and Western Canada. Owners have fallen in love with the Pleasure-Way lifestyle and actively participate in our club rallies. Pleasure-Way owners' clubs are operated and run by owners who enjoy the RV lifestyle and share the same passion for Pleasure-Way.

Visit us at pleasureway.com for more information on how to join and participate in Pleasure-Way owners' clubs, events, and rallies.

WARRANTY

PLEASURE-WAY WARRANTY

All Pleasure-Way motorhomes are backed by our Five Year Freedom Warranty. Pleasure-Way Industries Ltd. warrants the specified new Pleasure-Way Motorhome free from defects in material and craftsmanship, on portions manufactured by Pleasure-Way Industries Ltd. under normal use and service.

Coverage - 5 years or 60,000 miles / 100,000 kms

Limited Warranty

FORD WARRANTY

Basic Limited Warranty

- Coverage - 3 years or
- 36,000 miles / 60,000 kms

Powertrain Limited Warranty

- Coverage - 5 years or
- 60,000 miles / 100,000 kms

Roadside Assistance

- 5 years or 60,000 miles / 100,000 kms

PLEASURE-WAY PERSONAL ASSISTANT

We understand that it takes time to get completely familiarized with your new motorhome and all of its features. For this reason, you will be designated your very own Pleasure-Way Personal Assistant for the first 90 days of ownership!

Your P.A. is a specialized and knowledgeable member of the Pleasure-Way team who works right here in our manufacturing facility. Upon receiving the warranty registration of your new motorhome, your P.A. will provide you with their contact information. You will now have access to your Pleasure-Way P.A. six days a week, via a dedicated, toll-free phone number or email.

Your Pleasure-Way P.A. will be there to assist you in all matters pertaining to the operation of your Pleasure-Way motorhome. After your 90 day period expires, you will have all the confidence and knowledge to enjoy your new Pleasure-Way for years to come!
