

LIVE. LANCE. LIFE.

LIVE.

Because the path before you has yet to be traveled.
Smells of pine trees, ocean air and an open fire.
It leads to a place characterized less by how you
got there and more by moments shared and the
memories made.

LANCE.

Has been treading that path for over 50 years with
an unparalleled dedication to quality and attention
to detail. Privately owned and forged from humble
Southern California roots; our journey begins with
an industry leading CNC computer designed and
cut manufacturing process, complemented by
a devotion to utilizing only the most advanced
supplies and materials.

LIFE.

Is about searching out all this world has to offer.
It can lead you to mountaintops, desert plains
or coastal shores. It's about not settling at a desk
in a town surrounded by concrete, or settling
for the constraints of city lights.

...Don't Settle.

MODEL 995 SHOWN IN PASSAGE

MODEL 1172 SHOWN IN MIDNIGHT

THE LANCE LOOK

Every Lance owner is unique, just like each of our completely redesigned decor packages. Personalize your Lance by selecting from one of three tasteful interiors, assembled by an interior design team. Form meets function and your personal style in the refined Roadster, laid-back Passage and edgy Midnight fabric combinations. Featuring stainless steel appliances; beautiful wood cabinetry complete with residential hardware, spacious sinks and easy to clean laminate flooring.

MODEL 1172 SHOWN IN MIDNIGHT

MODEL 650 SHOWN IN ROADSTER

DEALER INSTALLED SUPPORT EQUIPMENT

- 1. Torklift SuperHitch Extension System** increases your trucks towing capabilities
- 2. Wireless Rear-View Camera/Microphone and 7-Inch In-Cab LCD Monitor** lets you see – and hear – what's behind you
- 3. Frame-Mount Anchoring System and Front-Mounted Centering Guides** assist center alignment in the truck bed

- 4. Qwik-Load™ Front and Rear Turnbuckles** safely and securely attach and anchor the camper to your truck
- 5. Hellwig Big Wig Air Springs** provide better handling and control under heavily loaded conditions

- 6. Bilstein™ Front and Rear Shocks** greatly improve ride in all weather and road conditions
- 7. In-Cab Remote Control** of air compressor and pressure for the air springs (“air bags”)

- 8. Lance Custom Design Cab-Over Struts** reduce the impact of up-and-down motion from irregular roads
- 9. Rear-Mounted Centering Guides** assist in positioning your camper within the truck bed, and are available for most truck models
- 10. Hellwig Sway Bars** reduce body roll providing better vehicle control

YOU HAVE A CHOICE OF TIE-DOWN SYSTEMS

DESIGN AND CONSTRUCTION

- A.** The slick, high gloss fiberglass exterior walls are laminated under intense pressure with heat-setting adhesives for years of trouble-free service.
- B.** The roof is made of energy-star rated material with vents that clamp into place eliminating screws and potential leaks. Integrated rain gutters and drip spouts keep the sides of your camper cleaner and prevent streaking.
- C.** Interiors are constructed of Lite-Ply™ which Lance imports from Europe. This superior product is lighter, formaldehyde free and stronger providing both beauty and durability.
- D.** With an aluminum-framed superstructure, the entire camper fits together like a perfect puzzle. "LanceLock™" features interlocking aluminum extrusions to connect all exterior panels.

- E.** All seals use an anti-wicking material to prevent moisture from transferring into the laminate walls.
- F.** Lance uses more expensive Azdel™ in place of Luan wood virtually eliminating mold and mildew. It's also 50% lighter, formaldehyde free and has a better "R" value for superior insulation and sound absorption.
- G.** Rigid block foam insulation fits tight to resist sagging and promotes structural strength. Four Season package also features insulated bed pad.

- H.** Beautiful and aerodynamic, the nose cap is made of TPO, the same material used for bumpers on automobiles. Its high gloss finish is resilient and resistant to the abuses of the road. It's slick surface makes it easier to clean. (Select Models)
- I.** 3D advanced CAD engineering create precise plans that run CNC machinery. The result is that every part is the same and perfect every time.
- J.** Keeping it all together are stainless steel fasteners. Unlike our competitors, this expensive hardware resists corrosion making for a lasting investment.

FIT & FINISH

The perfect balance of sensible luxury, classic style and rugged dependability. Offering floor plan choices with versatile appointments, outstanding comfort and unmatched quality in the details. Each model is meticulously designed to meet the common sense needs of different owners- including maximized storage and tank space with floor plans for a variety of truck sizes.

MODEL 1062 SHOWN IN ROADSTER

EXTERIOR STYLING

Iconic, yet always innovative: As the industries benchmark, Lance Camper style has been forged by over 50 years of demonstrated reliability from the frozen roads of Alaska to the ruts and river crossings of South America. The proof is in the pedigree from our one-piece molded TPO Nose Cap to our exclusive ultraDECKplus bumper.

TRUCK/CAMPER COMPATIBILITY GUIDE

These are general guidelines to use when matching a Lance camper to your truck and assumes standard equipment on both the truck and camper. Whether any camper can be used with your truck is dependent on your truck configuration (2WD vs. 4WD, standard cab vs. extended cab, etc.) and its capacities for carrying and /or towing – how much optional equipment is added to the camper – what you tow – and the weight of passengers and all other items you carry in your truck and camper. Because we're unfamiliar with your specific truck and how you intend to use it, Lance makes no warranties or representation – express or implied – as to performance or reliability of your truck with a Lance camper. For professional guidance, always consult with your Factory Authorized Lance Dealer.

They're trained in properly matching truck/camper rigs.

TOWING

When towing behind a larger camper, extending the hitch rearward is necessary. Lance recommends the Torklift SuperHitch receiver hitch and hitch box extension. It replaces standard truck factory receivers to allow for greater towing capacities.*

EXTENSION LENGTH	WEIGHT CARRYING/ TONGUE WEIGHT	WEIGHT DISTRIBUTION/ TONGUE WEIGHT
TOW CAPACITIES (IN POUNDS) FOR THE LANCE MODEL REQUIRING ONLY A TORKLIFT SUPERHITCH MAGNUM RECEIVER HITCH
