PILOT FLYING J—OFFICIAL FUEL PROVIDER & TRAVEL CENTER OF THE GOOD SAM CLUB

Use this RV Guide to see what each location has to offer for fuel discounts, propane and more. See below for a key to the services listed on the following pages:

Map Definitions

-  **Travel Center**
Pilot Flying J locations with the most fueling lanes and the largest stores.
-  **Dealer**
Independently owned locations where Pilot Flying J diesel fuel is sold. RV discounts are accepted at the truck diesel lanes only, and no purchases may be made inside.
-  **Cardlock**
Typically unstaffed locations that offer fuel but no store or facilities.
-  **Fuel Stop**
Flying J locations that offer all the conveniences of a Travel Center but primarily do business in Canada.

RV Card Discount

Locations that accept the Good Sam Club *SWIPE & SAVE* membership card and the RV Plus Charge Card both inside and outside the store. Note exceptions listed on the appropriate pages.

RV Parking

Locations with parking spaces for RVs. Even if a location doesn't have designated RV parking, RV customers are welcome to stay overnight and park in any available space.

RV Lanes

Locations with fueling lanes designated for RVs. Whether a location has RV fueling lanes or not, RV customers are welcome to use any lane, anytime, including the auto and truck diesel lanes.

RV Dump

Locations with a dump station for RV customers to empty their holding tanks.

Bulk Propane

Locations where customers may fill portable LP-gas cylinders and LP-gas tanks attached to RVs.

DEF at Pump

Diesel Exhaust Fluid, or DEF, is required in model year 2010-plus diesel engines. If you aren't sure whether or not your vehicle requires it, consult your owner's manual. All Pilot Flying J locations carry DEF in the store. Locations that offer DEF in bulk at the truck diesel pumps are checkmarked.

*RV Card Discount available only in truck diesel lanes and not accepted in store.
** The advertised diesel price in Oregon reflects the tax-exempt price for commercial vehicles only. Private vehicles are required by state law to pay state taxes at the time of purchase. The pump price will increase to include the required state tax. However, customers will still receive the applicable discount off that price.
