OUR  
69<sup>th</sup>  
YEAR

# OUR DECLARATION OF VALUES FOR 2021

Through the challenge of the past year, AmpliVox has endeavored to uphold the values which have guided us for nearly 70 years, and which we continue to pledge for the upcoming year:

- **Superior quality products, most designed and build in the USA.**
- **Constant innovation, including such technology as 96-channel wireless communication,**
- **Unmatched customer service**
- **New product development based on the needs of the marketplace, in portable PA systems, lecterns, and multimedia furniture**
- **Treating people with respect**
- **Supporting worthy causes in our community and across the nation, including research and treatment of ocular melanoma, breast cancer awareness (AmpliVox Pink Podiums), American Red Cross, YMCA, and many others**
- **Honoring the beliefs of others**

We are humbly proud of many honors and recognitions for our work, including Northbrook Chamber of Commerce Business of the Year.

We dedicate this new year to you! How can we serve your needs?

Sincerely,

*Don Roth, CEO, and the entire AmpliVox Staff*

## ABOUT US

AmpliVox Sound Systems is a leading U.S. manufacturer of portable sound systems, lecterns, and multimedia workstations. Our goal is to provide top quality professional presentation equipment that sets up easily, delivers perfect performance, and stands the test of time for reliability and durability.

Businesses and organizations across the country choose AmpliVox as their portable audio and presentation solution, including these industries:

- Hospitality
- Public and Private Education
- K12
- Colleges & Universities
- Healthcare
- Government / Public Sector
- Public Safety
- Music & Entertainment
- Corporate
- Houses Of Worship

The versatility of our portable public address systems, elegant lecterns and integrated wireless sound systems provide the perfect complement to any presentation, meeting, training seminar, classroom, conference, and other indoor or outdoor event, to help you clearly reach audiences from 10 to 10,000.

# AMPLIVOX CARES...WE DONATE TO CAUSES IN THE COMMUNITY

Ron Bernardi, local man about town and AmpliVox's friend has dedicated his life to giving back to the community. Proud Rotarian for over 40+ years, Ron has been on the board of many local organizations, and an excellent community liaison for the family-owned, community-centric company Sunset Foods, as well as raising tens of thousands of dollars for local organizations as an auctioneer—a job he fell into and loves.

His love for God and his devotion to personal Bible study is where he gets his faith and strength, defining the man for who he truly is. "Basically, I don't say no. I feel that if God gives you a gift and you don't use it, it is a sin" says Ron. "That is what we were designed for.

Due to the recent events of the Coronavirus pandemic, at home funerals have gained popularity. Caring for a loved one in the privacy of familiar surroundings, home funerals restore the intimacy of traditional grieving rituals. Beloved friend to many, Brother Bernardi has officiated several home funerals as of late, leading their service, religious prayers and scripture readings.

AmpliVox Sound Systems has contributed by donating their new Capri Lectern to assist Ron with officiating a funeral, creating an atmosphere and a service that fits properly with the family of the deceased. Our new Capri Lectern is an update of one of our most popular styles - now with a curved design and edge banding, its the perfect combination of style and practicality. See p5 for more information. a

On September 4, 2018, Don Roth's wife Nancy lost her six-year battle with ocular melanoma. This rare disease, which occurs in 2,000 adults each year, currently has no cure in its metastatic form.

In memory of his wife Nancy, Don has been raising funds to help support research and treatment of ocular melanoma.

## Please Donate Today!

Donations will go to the Eye Tumor Research Foundation, a nonprofit organization that not only provided tremendous counsel and care to Nancy during her battle, but is also devoted to learn more about eye cancers and tumors in an effort to win the struggle for life and sight.

- Supporting national research into the immunology of how cancerous ocular cells metastasize (spread to other parts of the body)

- Supporting local research on the prevention and treatment ocular oncology under the direction of Dr. Bruce Brockstein at Northshore Health System in the Chicago area.

Through these efforts, it is hoped to relieve the suffering – and prevent premature deaths -- of current and future eye cancer patients. Your generous donations are greatly appreciated.

[ampli.com/etr](http://ampli.com/etr)

Dr. Carol Shields and her staff at the Eye Tumor Research Foundation where 100% of your Donations on Nancy's behalf are used for eye cancer research

## "Pink Podium Promise" Promotes Breast Cancer Awareness

All over the country, breast cancer fundraisers and educational events have featured lecterns in the signature pink color of breast cancer awareness. These podiums are made available by a cause marketing donation program from AmpliVox Sound Systems, which delivers durable all-weather lecterns free of charge to local breast cancer organizations.

The Pink Podium Promise, launched in 2010, has placed lecterns with over 200 groups, including national fundraising and research groups, American Cancer Society chapters, foundations, hospitals, and local governments.

# AMPLIVOX IS PROUD...

We are proud to have upheld our very high standard of service and pride in our products during this challenging past year. Here are some of the awards we have been fortunate to receive this year.

American Security Today has named AmpliVox Sound Systems as a finalist in the 2020 Homeland Security Awards. The Annual 'ASTORS' Awards Program is the preeminent U.S. Homeland Security Awards Program, specifically designed to honor distinguished government and vendor solutions that deliver enhanced value, benefit and intelligence to end users in a variety of government, homeland security and public safety vertical markets. AmpliVox has been a recognized Winner in the 2018, 2017 and 2016 'ASTORS' Awards Programs. This year, AmpliVox is proud to announce that our **MEGA HAILER SOUND PACKAGES** were selected as a finalist in the 2020 'ASTORS' Awards Program.

Christian School Products (CSP) is a magazine for school administrators to find purchasing solutions for Christian schools and services. The Top Products 2020 list reflects the "best of the best", and AmpliVox's recently launched **SAFETY SHIELDS FOR LECTERNS** made the cut of top products!

AmpliVox Sound Systems is pleased to announce that its new **DIGITAL SIGNAGE LECTERN** was chosen as a 2020 Innovation Product Award winner by the readers of Sound & Video Contractor (SVC), a leading American business publication read by tens of thousands of commercial audiovisual systems integrators and installers.

CNC (Computer Numerical Control) equipment

## PINNACLE WOOD PRODUCTS

Pinnacle Wood Products joined the AmpliVox team in January, 2019, bringing more than 20 years of experience in cabinet building and wood working as a new division of AmpliVox Sound Systems. Pinnacle Wood division produces high quality lecterns and rack cabinets made in the USA at our Chicagoland factory. Since becoming part of AmpliVox, Pinnacle has invested in new equipment to improve shop efficiency and enhance product quality. The new equipment includes:

- Edgebander – an automated system for applying edge trip to cabinets
- AutoCAD (computer aided design) software, to enhance cabinet design
- CNC (Computer Numerical Control) equipment that enables computerized control of wood routing for more precise and high-quality finished products

Pinnacle's high-end capabilities ensure AmpliVox customers Made in the USA-quality lecterns, podiums, and multimedia furniture, with ready availability.

# NEW PRODUCTS AND INNOVATIONS

At AmpliVox, we are constantly listening to our customers, and striving to develop and offer products that fit their needs. Here are some of our newest and greatest products!

In response to the challenges of the past year, we have developed some products that support the greatest needs of our customers!

## **NEW!** LECTERNS & MULTIMEDIA

**CRESCENT  
DIGITAL  
ADJUSTABLE  
ADA WORKSTATION**

See page 40 for more info.

**CAPRI  
LECTERN  
SERIES**

See page 41 for more info.

See page 41 for more info.

See page 31 for more info.

## OUR NEW TITAN WIRELESS PA AND DIGITAL AUDIO TRAVEL PARTNER

The 96-channel wireless receiver and transmitter is a significant upgrade over the 16-channel in the previous models and has been introduced in several Portable PA Systems and the entire line of 150 Watt powered Multimedia Lecterns. **See pages 12-14 for more info.**

### ALL NEW WITH 96 CHANNELS!

## SAFETY SHIELDS

Our new Acrylic Safety Shields block coughs, sneezes and virus transmission, to protect yourself and others against the spread of COVID-19 and other germs and illness. Made from sturdy, crystal clear 1/4" acrylic in a simple, unobtrusive design. Several models are available to fit almost all AmpliVox lecterns, podiums and tables, and they're easy to apply with included hardware. **See page 58-59 for more info.**

## BELT BLASTERS

Our NEW & IMPROVED portable, battery-powered mini PA system you wear like a belt, leaving you hands-free and mobile, for easy presentations. **See page 20 for more info.**

## FITNESS & AQUATIC PACKAGES

See page 60 for more info.

# AMPLIVOX ALL AROUND....

You will find an AmpliVox sound system, lectern or podium to meet the needs of just about any audience and presenter. Whether you are in a small meeting room with 10 people or in a 30,000 square foot auditorium with an audience of 10,000 people, AmpliVox Sound Systems' extensive selection of superior quality, easy to operate, reliable electronics and stylish lecterns and podiums will get your message out with rich, crystal clear sound. All lecterns also available in non-sound option as well.

AmpliVox donated carry bags for attendees of the Executive Conference for Small and Mid-size YMCAs in Clearwater Beach, FL. **“Over the years, AmpliVox has been generous not only with its PA systems and lecterns, but also supporting conferences and other YMCA activities. It’s a company that not only makes great products but also has a great heart. This is one more example of how AmpliVox continues to support YMCA programs and activities,”** said Howard Schultz, President & CEO of North Suburban YMCA, Northbrook, IL

The Gold Star Cafe in Lowell, Indiana provided lunches and dinner for local senior citizens during state-wide #StayatHome orders. AmpliVox was honored to donate boxes to those in need during this time of uncertainty!

AmpliVox's contribution to the NSYMCA latest Shuttle Bus helps provide handicap accessible transportation for youth, adults, seniors and individuals with disabilities.

The Shuttle bus has been decorated with a tribute to give in the memory of Nancy Roth, wife of AmpliVox CEO Don Roth, who lost her six-year battle with ocular melanoma.

**“We have been nothing but pleased with the results!**

*Ben Sowle - RW Troxell*

## INTRODUCING OUR NEW 96 CHANNEL UHF RECEIVER!

Our new 96 Channel Receiver allows you to experience the clearest, most expansive sound coverage ever, with 96 channel options at 514 -544 MHz!

# AMPLIVOX PA SYSTEMS

Public address systems play a key role when communicating with a group or hosting an event. Amplify your voice and music effortlessly throughout your venue while clearly being heard by all in attendance. For your school, business, or organization, our portable sound systems are versatile and offer a variety of multimedia options: Wireless devices, iPod/iPhone, MP3 Players, CD players/recorders, projectors, computers, or even musical instruments such as a guitar and bass.

## AMPLIVOX HAILERS

are a great portable option for safety and traffic control. Portable and versatile and durable enough to stand up to any weather condition, our hailers have a wide variety of uses from school safety and sports to emergency situations, to just about any indoor or outdoor event! Our car top systems are ideal for situations that require moving personnel from indoor facilities to an inclement outdoor environment where the elements may add to the complexity of the emergency.

## OUR MEGAPHONES

are always being seen! From around town, to national rallies and protests, even our favorite tv shows, you will always see an AmpliVox Megaphone around! Ours are the most reliable and highest quality, so you can know your voice is being extended and amplified in any crowd or environment.

## AMPLIVOX DONATES TO THE NATIONAL OVARIAN CANCER COALITION (NOCC) ILLINOIS CHAPTER 22ND ANNUAL RUN WALK

AmpliVox has joined the effort to save lives and support the fight against ovarian cancer by donating a custom made Pinnacle Multimedia Lectern that was used for the event.

The custom Pinnacle Multimedia Lectern was created in the NOCC teal color, personalized with the organization's logo on the front panel for a truly memorable presence on stage.

## SW800-96 TITAN WIRELESS PORTABLE PA SYSTEM

Control, convenience and full, rich sound—the AmpliVox TITAN has it all!

The SW800 Titan Wireless Portable PA System has been upgraded with a built-in wireless module that allows a user to stream music wirelessly from any capable audio device. The wireless capability can transmit audio music from your iPad, iPhone, or any other enabled device such as a smart phone, PC or laptop computer.

Equipped with a powerful 100 watt amplifier, with your choice of wireless microphone, wired handheld mic, and a luggage handle with wheels.

Play your music with the built-in CD player, USB Flash Drive input, or through the SD slot.

The built-in microphone storage keeps everything organized and together in a neat little package.

- 100 watt amplifier
- Digital UHF 96 channel wireless microphone receiver
- CD player with USB flash drive / SD media card slot and remote control
- 8" bass speaker and 4" tweeter with separate speaker volume, bass and treble controls
- Rechargeable battery runs for up to 10 hours on single charge
- Rolls easily on built-in wheels
- Comfort grip locking, telescoping luggage handle
- Impact resistant polymer enclosure for durability
- Tripod mount

# ALL NEW WITH 96 CHANNELS!

The AmpliVox Titan Portable Wireless PA SW800-96 is “Brilliantly Blue” because it has a colorful blue back panel that shows off its full range of extensive capabilities; but it’s also blue because it’s now proudly made in the USA, resulting in greater innovation and quality.

“The Titan was made for ten years at an offshore location,” said AmpliVox CEO Don Roth. “We brought its manufacturing back to the U.S. in order to focus on upgrades such as improving from 16 to 96-channel wireless capability for interference-free sound. We also now have greater leverage on the product’s quality control, enabling us to extend the warranty from one to three years. The Titan joins our growing array of made-in-the-USA PA systems, lecterns, and multimedia furniture.”

# MEGA HAILER & AIRVOX

## Wireless, Battery Powered, Indoor and Outdoor Portable PA Systems

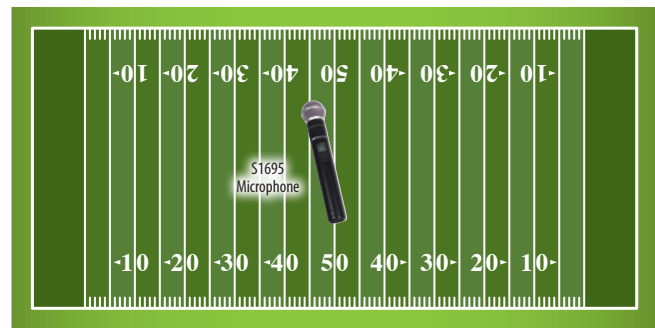

The AmpliVox Mega Hailer Mobile PA System is a 50-watt, totally wireless, highly intelligible, lightweight battery powered loudspeaker system for general PA applications in areas that are not equipped with a PA. The horizontally aligned horn broadcasts crystal clear voice announcements and reinforces sound to make it louder to audiences over large wide areas. During emergencies, the battery powered design sets up quickly and allows you to broadcast emergency information even during power outages.

- Reach up to 3,000 people (5,000 with companion speaker), up to a half mile away, with our powerful 50W amp
- Heavy-duty construction for use indoors or outdoors
- Exceptional speech intelligibility
- Produces consistent tonal balance with less volume drop-off over longer distances
- Built-in carry handle and detachable shoulder strap
- Built-in USB charger for charging smartphones and tablets

**GREAT FOR**  
MEETING & CONFERENCE ROOMS  
Schools  
LECTURE HALLS  
SPORTING EVENTS

### Build your own custom system!

SL1002 ..... \$37

\* Boombox colors may vary

# HORN SPEAKERS

Made of durable, weatherproof ABS plastic that will not corrode outdoors and can withstand the outside elements better than the cone type speaker, making the horn speaker popular for outdoor PA use. They are far more efficient, you receive more sound volume at a lower wattage, which also reduces both the size and power requirements of your amplifier.

Horn speakers can be best described as “bright” in their sound. The higher frequencies are reproduced very clearly with virtually no bass. The limited frequency response is one reason they are so efficient, they don’t waste energy reproducing bass frequencies. The speakers can also project farther without getting “muddy”. The end result is better intelligibility at longer distances.

## AMPLIVOX MULTIMEDIA PRESENTATION FURNITURE

Multimedia lecterns/podiums will greatly aid your presentation needs by keeping all of your technology and presentation tools organized and available at your finger tips. They provide you with a working platform to do a complete computer based presentation, with space to store a CPU, laptop, projector, and even a sound system. Executive and contemporary presentation lecterns support the integration of multimedia and audio visual equipment for classrooms, conferences and auditoriums.

Multimedia lecterns/podiums are ideal for anyone who uses audio visual equipment with their presentations and speeches on a regular basis. They make all your presentation equipment easily accessible and organized, as well as giving you a secure location to store your equipment. Our multimedia lecterns have four casters that provide easy maneuverability, and two of these casters lock in place for secure positioning during use.

AmpliVox not only makes great sound systems, we also put you in command of a multitude of presentation options, shapes, sizes and finishes. Visit our web site or contact us today to discuss your custom order!

### We offer a wide variety of multimedia lecterns for all your presentation needs!

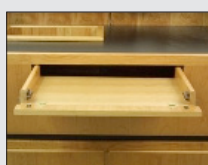

### We also offer a wide variety of customization options, including:

Dual Incandescent Lamp

External Pullout Shelf

Fixed Keyboard Shelf

Rack Rails for Component Installation

Cooling Fan with Grill

Clock Timer Panel

Recessed Viewport Monitor Window

Configure To Your Equipment

Rack rails - standard 10u, 12u, and 20u sizes

**We will work with you to build the perfect customized Multimedia Lectern Solution!**

## FITNESS & AQUATIC SOUND PACKAGES

Designed for the demanding needs of the fitness industry and active professional, these packages combine the AmpliVox Mega Hailer PA system with a wireless headset microphone and various options to provide the user with maximum acoustic power, flexibility of use, and freedom of movement. The new Fitness and Aquatic Packages make the Mega Hailer even more useful for the health and fitness market, as well as any meeting or event needing expanded sound coverage.

The Mega Hailer PA System has a built-in 50-watt amplifier and built-in speaker, with exceptional speech intelligibility and tonal balance, and expanded coverage over longer distances. It has a built-in 96-channel wireless receiver for our best-ever sound coverage, plus a wireless module for connectivity to any enabled device. Its rechargeable SLA batteries provide up to 10 hours of operation. It can be mounted on a tripod for even greater sound dispersion.

These versatile sound packages include everything you need to project strong, clear sound for fitness classes, and any indoor or outdoor mobile event or meeting!

All Fitness Packages Include the Mega Hailer PA System

### SW6825 2.4 GHz DIGITAL WIRELESS FITNESS PACKAGE *Mega Hailer PA System PLUS* S1697 2.4 GHz Digital Wireless Microphone Headset:

- Lightweight contemporary design
- Unidirectional pick-up pattern reduces background noise
- Flex-tube design lets you adjust its angle to suit your needs
- Includes slip-on acoustic foam windscreen for added protection against breath and wind noise
- Smooth, tailored frequency response
- Charging: USB Charging Cable (included)
- USB Charger (not included)

### SW6826 WAISTBAND WIRELESS FITNESS PACKAGE *Mega Hailer PA System PLUS* S1648T-96 Fitness Wireless Transmitter Package:

- 96 Channel wireless microphone transmitter
- Lightweight wireframe headset fits securely for long wearing comfort
- Sweat resistant headset band
- Rugged cable and connector
- Flexible gooseneck design allows for optimized microphone positioning
- Compatible with wireless microphone transmitters that have a 3.5mm headset connector
- Neoprene Fitness Belt for transmitter with hook and loop fastening for a greater range of fastening capabilities.

### SW6827 AQUATIC WIRELESS FITNESS PACKAGE *Mega Hailer PA System PLUS* S1647T-96 Aquatic Wireless Transmitter Package:

- Lightweight wireframe headset fits securely for long wearing comfort
- Sweat resistant headset band
- Rugged cable and connector
- Flexible gooseneck design allows for optimized microphone positioning
- Compatible with wireless microphone transmitters that have a 3.5mm headset connector
- Unbreakable, watertight, airtight, dustproof, chemical resistant and corrosion proof case
- Made of polycarbonate that makes it extremely strong and durable
- External microphone jack

SW6827	Aquatic Fitness Wireless Package	17 lbs.	\$1,348.00
SW6828	Wireless Headset Fitness Package	17 lbs.	\$1,705.00

# WIRELESS MICS AND MIC KITS

A wireless microphone system is essentially a microphone radio transmitter and a receiver. Transmitters can be built into handheld microphones or in a body pack transmitter to be used with lapel or headset microphone. Receivers accept signals from the transmitter and are plugged into any mixing console, amplifier, or other device such as a PC/computer or camcorder with a line level input.

## PRESERVING THE WORLD'S NATURAL RESOURCES

AmpliVox is committed to preserving the world's natural resources. We all know that natural resources are limited and fragile. Environmental protection is everyone's responsibility at AmpliVox. This policy addresses operations which can positively impact the environment.

### AMPLIVOX PLEDGES TO

- Use "Forest Friendly" products. Our Lecterns and Podiums are produced using recovered and recycled post-industrial wood residues. This solid chain-of-custody wood fiber supply practices have helped AmpliVox to secure the Forest Stewardship Council (FSC) Mixed Sources accreditation (SW-COC-003089).
- Reduce the waste arising from electrical and electronic equipment and to improve the environmental performance of all items involved in the life cycle of these products. We comply with the WEEE Directive (2002/96/EC).
- Continually improve environmental management policies, programs and performance, based on the results of our periodic reviews and taking into account regularity developments, customer needs, technical developments, scientific understanding and community expectations.
- Reduce and eliminate waste through recycling and disposal of waste through safer and responsible methods.
- Promote employee awareness of environmental concerns, actions and responsibilities.

ALL AMPLIVOX PRODUCTS  
THAT ARE ECO-FRIENDLY  
ARE IDENTIFIED BY:

Made with  
Recycled  
Plastic

## CUSTOMER SUPPORT

If you have questions regarding your order or any of our products, our customer service department is here to help you. Our business hours are Mon.-Fri. 8:30 a.m. - 5:00 p.m. (Central Time).

If you are unable to reach customer service during business hours you may Email Us through our Contact Us form, visit our Document Library for support documents or leave a voice mail for our support staff, and we will return your message promptly.

### NEW DEALERS / RESELLERS

To register and become a new dealer please call 800-267-5486 or Email Us. Applications for new dealers will be sent at the discretion of AmpliVox Sound Systems LLC. New Dealers initial order must total \$1,500.00 USD with no minimum order thereafter. First order must be prepaid with valid credit card or with company check.

## CAN I ORDER ONLINE?

**All pricing on our website is Open Market Pricing.**

Most of our models are available on contract, but we currently do not sell contract items directly on [www.ampli.com](http://www.ampli.com).

If you would prefer to purchase items on contract, here are a few suggestions:

- Shop AmpliVox Sound Systems on GSA Advantage [www.GSAadvantage.gov](http://www.GSAadvantage.gov)
- See AmpliVox Sound Systems website for GSA contract items on GSA Advantage ([www.ampli.com](http://www.ampli.com)).
- Call one of our GSA Sales Representatives at 1-800-267-5486

FOB Destination –Free shipping & Handling within the Continental U.S.

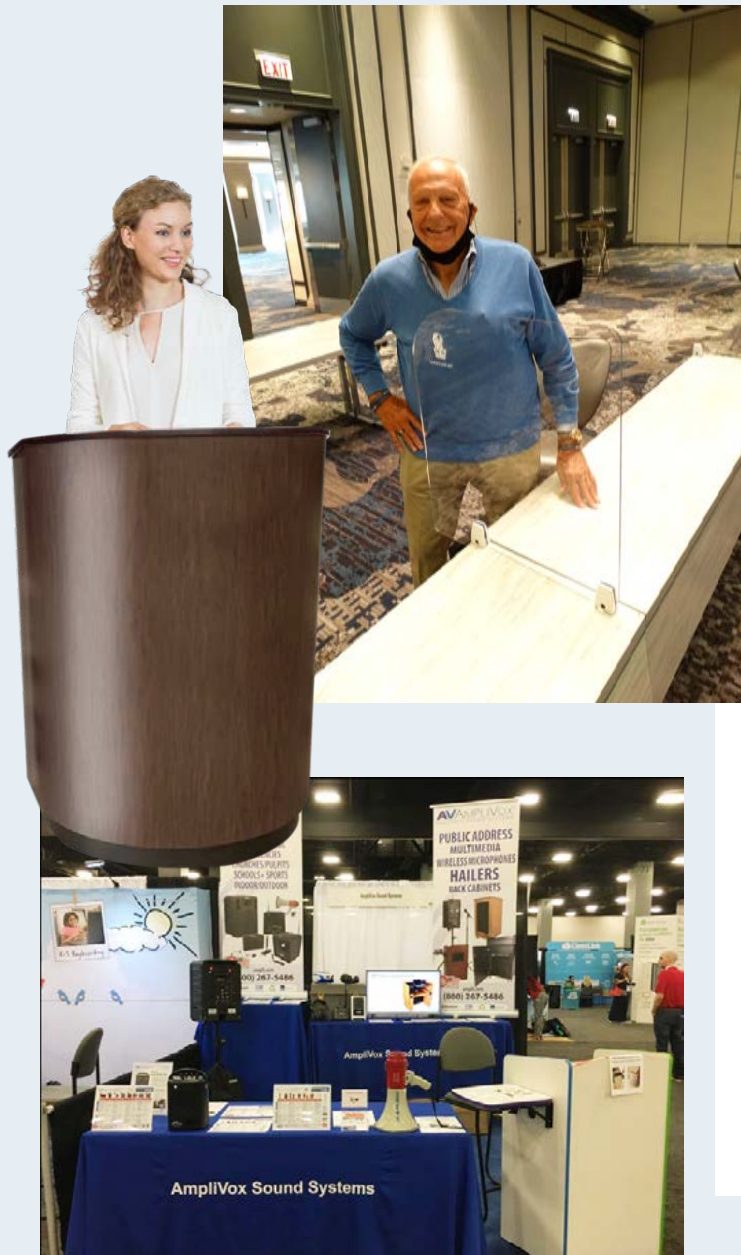

### DOES SHIPPING INCLUDE INSIDE DELIVERY?

Product will be delivered to your dock. If you require any inside deliveries, (if you do not have a delivery dock), we will be happy to provide a quote for these services.

We are registered with SAM (the System for Award Management) where all vendor information is available to Purchasing Agents.

We accept GSA SmartPay Credit Cards, Amex, Discover, Mastercard, Visa, Electronic Funds Transfers (EFT), and we are WAWF Enabled (Wide Area Workflow).

"I cannot thank you enough for the early delivery we received. You said it would be here on the 23rd and it arrived ahead of schedule! The early arrival allowed me the opportunity to have our engineering department uncrate and me to secure transport to our event location on Monday, a day ahead of our event. Love the service! I've passed your information to other Kaiser Permanente Service area Public Affairs departments within Northern California. It's good to share great products and service with others."
