

# Family Online Safety Agreement

Online safety is a partnership. To make sure everyone stays safe and responsible on the Internet, it's important for kids and adults to agree on the ways that personal devices and technology will be used.

**Be honest and share with me/us what you're doing online**

**Always be kind and polite to others online**

**Think before you post a comment, photo or video**

**Go online at times that we agree and respect limits**

**Don't access inappropriate content or apps**

**Use security and privacy settings**

**Tell me/us if you see bad or disturbing content and report it online**

**Have fun, be creative and explore safely**
